Hafa adai, Senator Lee:

The Bureau requests that Bill No. 413-35(COR) be granted a waiver pursuant to Public Law 12-229 as amended for the following reason(s):

Bill No. 413-35(COR) is an act to add a new § 67101.7 of Chapter 67, Title 21, Guam Code Annotated relative to adopting the 2017 Guam Tropical Energy Code (GTEC), to renumbering existing §§ 67101.7 and 67101.8 of Chapter 67, Title 21, Guam Code Annotated, and to amend relevant sections of locally adopted building codes. According to the proposed bill's legislative findings and intent, the GTEC is a building energy code applicable to Guam's tropical environment and is intended to be implemented in conjunction with the Guam Building Code. The 2017 GTEC is applicable to all residential and non-residential construction. Having been adopted by the Guam Building Code Council on May 16, 2017 and again on February 25, 2020, in line with the provisions of P.L. 30-199, the intent of the subject bill is to adopt the 2017 GTEC into law, providing for a 6-month period prior to implementation. Accordingly, the proposed legislation also replaces "International Energy Conservation Code (IECC)" with "2017 Guam Tropical Energy Code" in related legislations.

This bill is administrative in nature and poses no fiscal impact upon any funds of the Government of Guam.

Senseramente,

LESTER L. CARLSON, JR.
