AN ACT TO APPROPRIATE SIX HUNDRED FIFTY THOUSAND DOLLARS ($650,000) FROM THE TOURIST ATTRACTION FUND FOR THE OPERATIONS OF THE *TUMON* PRECINCT, TO FUND NEW POLICE POSITIONS, AND TO PROVIDE NEW VISITOR SECURITY SYSTEMS.

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative Findings. It is the finding of *I Liheslaturan Guåhan* that there is a vital need to expand the number of available police officers to increase protection in all parts of our island, including the *Tumon* area, the center of tourism and Guam's principal industry.

I Liheslaturan Guåhan further finds that the Guam Visitors Bureau has revised estimates for the funding source for the Tourist Attraction Fund (TAF), specifically the Hotel Occupancy Tax (HOT), to Twenty-four Million Dollars ($24,000,000) for FY 2012. This amount is higher than the current statutory revenue estimate for the TAF of Twenty-three Million One Hundred Sixty Thousand Five Hundred Eighty-five Dollars ($23,160,585).

I Liheslaturan finds that the unappropriated balance of FY 2012 revenues for the TAF can best be used to step up support for the Guam Police Department (GPD) *Tumon* Precinct, including, but *not* limited to, the funding of additional police officers.

Section 2. Appropriation from TAF to GPD. The sum of Five Hundred Thousand Dollars ($500,000) is hereby appropriated from the TAF to the GPD for the operations of the *Tumon* Precinct, including the funding of new police officer positions.

Section 3. Appropriation from TAF to GVB. The sum of One Hundred Fifty Thousand Dollars ($150,000) is hereby appropriated from the unappropriated balance of TAF revenues to GVB for the replacement of the outdated and inoperable security system along Pale San Vitores Road and for the installation of a new security camera system along Governor Carlos Camacho Road.
