**AN ACT TO REQUIRE *I MAGA'LAHEN GUÅHAN* TO ESTABLISH A PROJECT PLAN OF ACTION FOR THE CONSTRUCTION OF THE *TIYAN* PARKWAY PROJECT.**

**BE IT ENACTED BY THE PEOPLE OF GUAM:**

**Section 1. Legislative Findings and Intent.** *I Liheslaturan Guåhan* finds that the construction of Runway 6L by the A.B. Won Pat International Airport Authority, Guam (GIAA) will require the closure of Central Avenue in order to maintain a Runway Protection Zone, as prescribed by the U.S. Department of

Transportation, Federal Aviation Administration (FAA). The closure of Central Avenue is a requirement that the government of Guam had agreed to when the GIAA accepted federal funds for the runway construction. At this time, GIAA has projected the closure of Central Avenue to be during the summer of 2012.

*I Liheslaturan Guåhan* finds that Central Avenue provides a critical highway interconnection and relief to the traffic congestion on Guam's most heavily traveled roadways, which includes Marine Corps Drive (Route 1); Purple Heart Memorial Highway (Route 8); and Army Drive (Route 16). It is estimated that about fourteen thousand (14,000) vehicles pass through *Tiyan's* Central Avenue during each weekday. Traffic volume is expected to grow about three percent (3%) annually.

*I Liheslaturan Guåhan* finds that construction of the *Tiyan* Parkway project is necessary to mitigate the significant impacts of the Central Avenue closure. In order to prepare for the closure of Central Avenue, and the construction of the *Tiyan* Parkway Project, *I Liheslaturan Guåhan* finds it imperative that the Department of Public Works develop and provide a Project Plan of Action to identify a timeline and potential barriers.

**Section 2. Establishment of a Project Plan of Action.** *I Maga'lahen Guåhan shall* develop and transmit to *I Liheslaturan Guåhan* a Project Plan of Action and timeline of critical project components for the *Tiyan* Parkway Project within ninety (90) days of the enactment of this Act.
