**AN ACT TO ESTABLISH THE OFFICE OF VITAL STATISTICS REVOLVING FUND, BY AMENDING §3227 OF CHAPTER 3, AND ADDING A NEW §3227.1 TO CHAPTER 3, OF ARTICLE 2, TITLE 10, GUAM CODE ANNOTATED.**

**BE IT ENACTED BY THE PEOPLE OF GUAM:**

**Section 1. Legislative Findings and Intent:** *I Liheslaturan Guåhan* finds that the Office of Vital Statistics under the Department of Public Health and Social Services is currently responsible for issuing birth, marriage, and death certificates. *I Liheslaturan* also finds that the funds generated from the services provided by the Office of Vital Statistics are deposited into the General Fund of the government of Guam. The Department of Public Health and Social Services is unable to realize the benefits of any of the money collected for their services which are required to fund the costs of operations.

*I Liheslaturan* finds that the Office of Vital Statistics is underfunded and understaffed. Members of the staff who have retired from the Office of Vital Statistics have not been replaced over the years, and currently, it is staffed by only the territorial registrar and two (2) vital statistics clerks who serve the needs of the entire population of Guam.

*I Liheslaturan* also finds that the Office of Vital Statistics is burdened with using an antiquated computer system to manage their files. The staff currently

1 hand count records to retrieve data causing the staff to become frustrated and  
2 overworked and the process to obtain these certificates unnecessarily long.

3 It is the intent of this Bill to allow the fees generated by the Office of Vital  
4 Statistics to remain with this vital program, and to authorize that the funds shall be  
5 utilized by the Office of Vital Statistics to support and enhance its programs. This  
6 is accomplished by creating an Office of Vital Statistics Revolving Fund. This  
7 revolving fund shall fund additional staff for the office, and make possible the  
8 ability to upgrade to a fully automated computer system, as well as ensure the  
9 continued maintenance of this system. This will facilitate a more efficient service,  
10 with the critically needed ability to accommodate more clients on a timely basis.

11 **Section 2.** §3227 of Chapter 3, Article 2, Title 10, Guam Code Annotated,  
12 is hereby amended, to read:

13 **“§ 3227. Fees for Copies.**

14 (a) The Director shall, by regulation, establish fees for certified copies of  
15 certificates or records issued; for the search of the files or records when no copy or  
16 information is available; for processing a change of name by court order and other  
17 means; for amending records; and for filing a delayed certificate of birth or  
18 marriage.

19 (b) Fees collected under this section by the Office of Vital Statistics shall be  
20 deposited in the Office of Vital Statistics Revolving Fund, for expenditure as  
21 provided pursuant to §3227.1 of this Chapter [~~General Fund of the government of~~  
22 ~~Guam according to procedures established by law governing collections~~].”
