(a) Every dollar paid to a local business circulates in Guam’s economy 10 times.

1 When our government hires local businesses that provide local jobs with decent  
2 wages, the circulation of money will generate tax revenue that will go towards  
3 improving our public education, safety, and health care.

4 (b) It is the policy of *I Liheslaturan Guahan* to promote fiscal responsibility and  
5 maximize the effectiveness of local tax dollars by ensuring a portion of local tax  
6 dollars remain in the local economy for economic benefit of the residents of Guam by  
7 utilizing all available legal opportunities to contract with a local businesses.

8 (c) It is the policy of *I Liheslaturan Guahan* to place an affirmative duty on all  
9 government branches, departments and agencies to grant a preference to local

11 Government of Guam.

12 (d) It is the policy of *I Liheslaturan Guahan* to achieve the policy goals in subsection
