Section 4. Maintenance and Upkeep.
Section 5. Appropriation.
Section 6. § 51302 of Article 3, Chapter 51 of Title 10 GCA,, the Recycling Revolving Fund.

Section 1. Legislative Findings and Intent. *I Liheslatura* finds that the Mayors and Vice Mayors of Guam play pivotal roles in our community in almost every area, including being involved in providing, as much as possible, a clean and safe environment for their constituents. Mayors and Vice Mayors are also a crucial factor in the removal of debris and the clearing of roads following storms, disasters, and other events.

I Liheslatura intends that an appropriation from the Recycling Revolving Fund can maximize the effectiveness of Guam's Mayors and Vice Mayors in the collection and disposal of junk cars, green waste, recyclables, and assorted debris, by providing sufficient equipment to achieve our community's goal of a cleaner and greener Guam.

Section 2. MCOG and GEPA to Prepare Plan. Section 3. Proposed Operational Plan. The Mayors Council of Guam and together with GEPA Board of Directors *shall,* within one hundred twenty (120) days of the enactment of this Act into law, submit to *I Liheslaturan Guåhan*, via a duly adopted resolution, a proposed operational plan for the implementation

of the provisions of this Act.

Furthermore, the Department *shall* be responsible for the maintenance, upkeep and renovation and repair of the equipments either directly or through the use of contracted vendors.

Section 5. Appropriation. Upon approval and acceptance by *I Liheslatura* of the proposed operational plan, Two Million Dollars ($2,000,000) is hereby appropriated from the Recycling Revolving Fund for the procurement of heavy equipment for the MCOG, to include, but *not* be limited to, dump trucks, backhoes with trailers, shredders, and flat beds for use by the various Mayors' offices for the collection and disposal of recyclables, junk cars, green waste, and other debris. In accordance with the approved operational plan called for in Section 3, the Guam Environmental Protection Agency *shall* conduct the procurement of the heavy equipment funded by this Act.

The monies deposited into the Fund *shall not* be subject to the transfer of authority of *I Maga'lahen Guåhan*, and the use of any monies in the Fund *shall* require an appropriation by *I Liheslatura*."
