JOB DESCRIPTIONS

DPHSS - Child Protective Services

Social Services Supervisor I

Supervise Seven (7) staff in the Family Support Service/Family Preservation Unit which consist of six (6) home makers that provide services to individuals and families to improve their lives and one (1) Social Worker III who provides counseling services to families in crisis in the family preservation program. Coordinate activities for outreach services to the community and directs the planning and implementation of events for Child Abuse Prevention Month and Foster Care Month. Work closely with community service providers, especially, child serving agencies, in the local government, non-profit, private and military to implement and/or coordinate outreaches to comply with mandated federal grants. Ensure that weekly, monthly, and quarterly stat. reports are completed within my program to ensure that Federal Grants are maintained. Provide staff training in proper work methods and techniques; review work; conduct performance evaluations; implement discipline and conflict resolution procedures when necessary. Analyze and resolve casework problems, ensuring that cases are processed in accordance with mandated timelines.

DPHSS - Child Protective Services

Social Worker III

Participates as a rotational Crisis Worker for Child Protective Service (CPS) where I would respond immediately upon being activated while on an on call status. Make immediate assessment for the protection of children who may have been abused. Work with many different agencies such as the Guam Police Department (GPD), the Superior Court Judges, Guam Memorial Hospital Authority (GMHA), United Stated Naval Hospital, Department of Mental Health and Substance Abuse (DMHSA) which is now called the Guam Behavioral Health and Wellness Center; Healing Hearts, Department of Education (DOE), Catholic Social Services ALEE shelter and Erica's House. In addition, participates on a rotational intake schedule to give information, act as an advocate to clients when needed and receives incoming referral regarding program services. Make immediate assessment related to crisis intervention in order to conduct legally justified removal of endangered children, arrange for immediate medial or other services and determine alternate placement of children. Collects information to complete assessment and investigations. In addition for an investigate case, would observe autopsies with the medical examiner to determine a child's death if necessary. Verifies the validity of information given through home, school, or office visits. Conducts interview to obtain complete and pertinent information of the individual or family in order to assess their social situation in identifying their needs for supportive services. Makes recommendations upon completion of assessment to

plan out the appropriate services needed for clients and families. Developed service plan agreement, which have stated goals, responsibilities, services, and consequences, and time frames. Provides supervision and monitors visitations between children and parents. Assist family and children with problems by providing emotional support. Coordinates supportive or other services with clients to address family crisis. Provides clients opportunity to explore options for services and be part of decision making process. Submits court reports before the scheduled court hearing. Prepares for and attended court hearing to present cases, provide testimony, and make recommendations in the best interest of the child. Assists in the orientation of new or incoming staff. Assist new social workers (Social Worker II and III) with guidance relative to the program policies and procedures. Supervise and oversee the Homemakers to ensure that they are providing the appropriate services to families for re-unification.

Guam Memorial Hospital

Therapeutic Recreational Activities Coordinator (TRAC)

Worked closely in a team capacity with the Rehabilitation Program at GMHA, which included the Physical Therapist, Occupational Therapist and the Speech Therapist to ensure that appropriate services are provided to patients at the Skilled Nursing facility. As the TRAC, I supervised three (3) Recreational Therapist Technicians to ensure that rehab services are additionally provided to patients. Duties included coordinating recreational and leisure activities for patients in the skilled nursing facility. Provide required documentation and facilitate group activities. Evaluate and assess new patients with the appropriate goals and activities that they may be able to participate in and to encourage family participation in programs patients may be capable off. Encourage patients to participate in all activities offered in the Recreational Therapy Program. Provide patients and family members with spiritual and emotional support. Coordinate special activities group to provide services to patients. Document daily flow sheets for patients that participate in group activities or interactions provided to bed bound patients. Document Medical Date Sheets (MDS) forms for patients, for Medicaid and Medicare purposes. Work with nurses/nurse aids, physical therapist, occupational therapist and speech therapist to provide services to patient, assist with transfer of patients from bed to wheel chair and wheel chair to bed. Help patients with capabilities to walk around the facility for exercise, based on the recommendation of the Physical Therapist. To lead group activities offered at the Skilled Nursing Facility, such as exercise group, current events, bowling, arts and crafts, puzzle, cooking/baking, parachute, ball toss, bingo, and other adaptation activities offered. From 1996 to 2007, I was able to help the community of Guam as I played dual roles as a Social Worker for DMHSS and as an Advocate for GLSC full time. In 2007, my status changed at GMHA from part time to full time.

Latte Treatment Center and Guma Bethesda

Compliance Officer/Supervisor

As the Compliance Officer for both the Latte Treatment Center and Guma Bethesda, which both facilities are group homes that provide services to individuals with disabilities. It was in my capacity as the compliance officers that appropriate services are provided to the clients. In addition, I supervised and oversaw all the home health care staff who are also known as Psychiatric Technician with the daily services they provide to clients and their interaction with clients. I conducted unannounced spot checks at the group homes to ensure that services are being conducted and checked on reports to also ensure that daily documentations are made. It was my role to oversee both homes/facilities are in compliant with the American Disability Act (ADA). This position was only part time as I was a full time Therapeutic Recreational Activities Coordinator at GMHA.

Guam Legal Services Corporation

Advocate/Investigator

Advocate and Investigate for all the Protection and Advocacy programs. Oversee that activities are taking place for the Protection and Advocacy for Individual with Mental Illness (PAIMI) program. Conduct site visits to various government and private agency to ensure that individuals with mental illness are in a safe and nurturing environment. Participated, organized and facilitated the PAIMI Advisory Council meetings each quarter to include work group meetings in writing the yearly goals and objectives as well as the end of the year report to ensure that the Federal Grant meets its objectives for the fiscal year. Conduct outreach, to ensure that the mandates in the grants are met in the Protection and Advocacy for Traumatic Brain Injury (PATBI) program and the Protection and Advocacy for Beneficiaries of Social Security (PABSS) program by placing ads in Guam's local newspaper, the Pacific Daily News each quarter. Participate in the intake process and make assessment for the best possible route of a case. Work with staff attorney's and other advocates to ensure that services are being provided to client eligible for Guam Legal Services Corporation programs. Additionally, collaborate with service providers to ensure that outreach activities take place and conduct training and presentation to the community regarding program services. Wrote Federal Grants for the PATBI program with the Department of Public Health and Social Services and to ensure that the program is compliant with the grant received. Trained other advocates at GLSC who worked under the Protection and Advocacy Programs.

DPHSS - Child Protective Services

Social Worker I and II

Conducted home visits for follow-ups or home assessment to ensure that the family completed the treatment plan successfully. Encouraged and motivated client and family to participate and cooperate with the treatment plan. Provided supervision and monitored visitations between children and parents. Provided supportive counseling to assist the client and family in their time of need and in understanding the need for intervention. Assisted the family and child(ren) with problems by providing emotional support. Provided clients the opportunity to explore options for services and be part of the decision making process. Ensured that the placement of children in foster or relatives homes was stabilized. Monitored the placements to ensure treatment and services are rendered in an appropriate manner through contact with clients, relatives, and foster parents. Initiated referrals to other programs when necessary. Coordinates services to families through the Homemaker Program. Assisted families with transportation and provides information to clients regarding existing community resources. Coordinated with other agencies to assist clients in meeting their needs and implementing services. Collected and organized information from interviews with clients, families, concerned individuals, and agencies involved with the case. Completes initial reports by their expected due dates and ensures documentation in the case file. Prepared detailed home studies, psycho social histories, and other written documentation on clients and their families for the purpose of detailing case activities and services provided. Initiated case conferences and consults with legal counsel or other collateral professionals in order to plan and facilitated services and discuss recommendations regarding cases. Submitted court reports before the scheduled court hearings. Attended court hearings to present cases, provide testimony, and made recommendations in the best interest of the child and family based on professional experience and knowledge of the case. Prepared and developed Permanency Plans for cases that required action for children that have been placed in the Department's protective care, as a result of child abuse and neglect. Assisted in the orientation of new or incoming staff. Assisted new social workers (Social Workers I, II, and III) with guidance relative to program policies and procedures. Oriented and trained Social Worker and Psychology practicum students interested in the Social Work field.
