New nuclear-capable missile test a success, North Korea says

(Reuters) - North Korea said on Monday it had successfully test-fired a new type of medium- to long-range ballistic missile a day earlier, claiming further advancement in a weapons program it is pursuing in violation of United Nations resolutions.

North Korea fired the ballistic missile on a high arc into the sea early on Sunday, the first test of U.S. President Donald Trump's vow to get tough on an isolated regime that tested nuclear devices and ballistic missiles last year at an unprecedented rate.

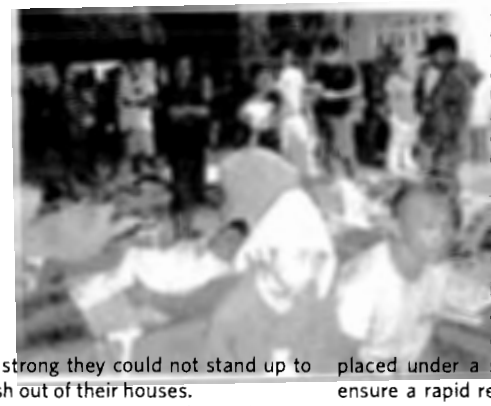

The North's state-run KCNA news agency said leader Kim Jong Un supervised the test of the Pukguksong-2, a new type of strategic weapon capable of carrying a nuclear warhead.

Aftershocks rattle survivors after Philippine quake kills 8

SURIGAO (AP) - Philippine officials on Sunday warned survivors of a powerful earthquake that left at least eight people dead in the country's south to ensure their homes and buildings are sturdy enough before venturing back amid continuing aftershocks.

A strong aftershock alarmed residents, some of whom screamed in fear, while waiting for President Rodrigo Duterte to arrive to console earthquake survivors gathered in a gymnasium in the hard-hit capital of Surigao del Norte province.

The magnitude 6.7 quake struck late Friday, killing at least eight people, injuring more than 200 and damaging the main provincial airport and about 1,000 houses in Surigao, officials said. Some residents said the shaking was so strong they could not stand up to rush out of their houses.

SURVIVORS: *Patients spend the night outside a hospital after abandoning their rooms following a powerful earthquake that rocked Surigao city, Surigao del Norte province, in the southern Philippines, Saturday. AP*

Officials appealed for volunteer engineers to help check the stability of damaged schools, hospitals, malls, hotels and other buildings, especially in the provincial capital of Surigao city, which has been placed under a state of calamity to ensure a rapid release of emergency funds and prevent food hoarding. Power was restored Sunday in some parts of the city.

The GEB Legal Counsel, Frank Gumataotao, was present for the meeting.

The Acting Superintendent announced that there was a quorum. *(By law, five voting members constitute a quorum. Six (6) voting members were present for this meeting.)*

III. Public Participation

Javen Santos, Speaker of the Guam Youth Congress, presented a resolution to the Board requesting that the Superintendent and the GEB meet with IBOGS. Mr. Santos mentioned that IBOGS representatives reached out to him to assist with scheduling a meeting as no meeting has been held this school year.

Vice Chair Gutierrez thanked Mr. Santos for coming to the meeting. She will be working with IBOGS on behalf of the Board. In the last school year, IBOGS was very productive. She looks forward to meeting with the IBOGS this school year.

Doris Calvo, Head Start Parent shared her experiences with Special Education. While she praised Head Start for their assistance, she expressed her challenges with obtaining Special Education services. Mrs. Gutierrez asked the Acting Superintendent to schedule a work session on Special Education services.

Board Member Mark Mendiola read GEB Resolution 2017-06 honoring and commending the Guam Department of Education School Counselors on the observance of "National School Counseling Week 2017". A number of counselors were present to receive the resolution.

IV. Approval of Minutes

1) Minutes of December 27, 2016 Regular Board Meeting

Mr. Mendiola moved, seconded by Mr. Lujan, to approve the minutes of the December 27, 2016 Regular Board Meeting, subject to corrections. The Board voted by show of hands and approved the motion with a vote of 6-0.

2) Minutes of January 30, 2017 Special Meeting

Mr. Mendiola moved, seconded by Mr. Lujan, to table the minutes of January 30, 2017 Special Meeting. The Board voted by show of hands and approved the motion with a vote of 6-0.

3) Minutes of January 31, 2017 Regular Board meeting

Vice Chair Gutierrez mentioned that on page 1, line 5, should read "Excused" instead of "ExcUSDOE".

Vice Chair Gutierrez mentioned that she recalls that the Board recessed but the minutes say that the Board adjourned.

Mr. Mendiola moved, seconded by Mr. Lujan, to table the minutes of January 31, 2017 Regular Board Meeting. The Board voted by show of hands and approved the motion with a vote of 6-0.

4) Minutes on February 2, 2017 Continuation of Executive Session

Mr. Mendiola moved, seconded by Mr. Lujan, to table the minutes of February 2, 2017 Continuation of Executive Session. The Board voted by show of hands and approved the motion with a vote of 6-0.

V. Receipt of Communication and Reports

1) Superintendent's Report and Communication

In addition to his written report to the Board, the Acting Superintendent provided highlights and updates.

Island-wide Board of Governing Students (IBOGS) - Acting Superintendent Sanchez issued a statement to address the concerns raised by the Guam Youth Congress. In his statement, he apologized, as he was unaware that there were separate meetings with the Superintendent in addition to the GEB meetings. He proposed to work with IBOGs on a schedule for the remainder of the school year.

Update on Board/Union Contract – An electronic copy of the proposed Board/Union contract was sent to all GEB members for review. In order to meet the target date for approval, the Acting Superintendent proposed two rounds of questions with the first being due this Friday, February 24, 2017 and the second due on Friday, March 3, 2017. A GEB special meeting will be scheduled in March for final Board approval and a joint signing of the contract with Guam Federation of Teachers.

Board Policy 409 and Board Policy 901- Final copies of the policies have been distributed to all school administrators and division heads and they have been instructed to go over the content with their staff and students. The Curriculum and Instruction Division has created age appropriate pamphlets and handouts for students in elementary, middle, and high schools and will be distributing the pamphlets shortly. The handouts and information on the Board policies will also be included in the Lani-Kate Task Force curriculum on Sexual Assault and Violence. This information will also be made available to Head Start and pre-school students.

Central Office hiring freeze and procedures for approval – A hiring freeze was initiated by the Acting Superintendent for all central office personnel, both local and federally funded positions, effective Monday, February 13, 2017, based on the GEB work session on FY17 spending priorities. As noted during the work session, this freeze will not affect hiring for school-based positions or positions that provide direct services to schools or students. Division heads or project directors must request in writing approval to fill critically needed positions. These requests will be transmitted to the Board Chair, Vice-Chair and Finance Chair for action.

Comprehensive school staffing review and personnel needs - Deputy Superintendent Erika Cruz completed her staffing review and transmitted her preliminary findings to the Acting Superintendent. These findings will assist the management team in the assessment of school-based personnel needs. The review identifies needed positions using common formulas for personnel distribution. This review was designed to provide a better understanding of the staffing needs at the different schools.

The Acting Superintendent noted that there have been no movements in staff based on the study aside from two (2) school aides for F.B. Middle School.

Accreditation visit schedule for spring 2017 - An email was sent to all Board members with the current schedule for the WASC Accreditation Visits for March and April 2017. An updated scheduled will be forwarded to all Board members as more information becomes available.

Simon Sanchez rebuild update - The RFP for the rebuilding of Simon Sanchez and the repair of other schools was published on January 25, 2017. Proposals are due on March 9, 2017. A pre-bid site visit was conducted on Thursday, February 2, 2017 at Sanchez. A protest by a potential offeror was submitted on February 8, 2017. The evaluation committee continues to meet on a weekly basis at DPW to address ongoing matters related to this procurement.

Board Questions and Concerns:

Chairman Ada received a call from the Mayor of Yigo that, in collaboration with Deputy Anderson and the DPW Director, the jungle area by FBLG will be cleared. The Chair thanked Deputy Anderson for his assistance with this project.

Ms. San Nicolas reminded the acting Superintendent that training on Board Policy 901 is needed for the schools and PTOs so they can understand the policy and are given an opportunity to ask questions.

Ms. San Nicolas mentioned that there are four (4) schools at the initial stage for accreditation. She asked for the accreditation dates for the full self-study schools and the schedule to meet with the discipline team for all high school undergoing full self-study.

Vice Chair Gutierrez suggested that Board policy 409 and 901 be shared with Department of Public Works Bus Operations as they transport GDOE students. She asked for a report in three (3) months that shows the number of employees trained on Board Policy 901 and how many students were provided information on Board Policy 409.

Chairman Ada mentioned that the Board Union Contract draft has been distributed to the Board and once an agreement is reached, a date will be set for contract signing. The meeting will be scheduled after school hours so teachers can witness the contract being signed.

Chairman Ada encouraged everyone to become familiar with the Board Policies, especially, about bullying. Parents have an obligation to inform the school administration immediately if their child shares a concern, particularly because of the statute of limitations.

Vice Chair Gutierrez mentioned her concern about the continued problems in the 14 points report related to the adjusted school times and bus issues.

2) Head Start Program Director's Report

Mrs. Schroeder introduced and acknowledged the Head Start staff that were present at tonight's meeting.

Ms. Respicio addressed the concern regarding a child at Price Elementary School. She stated that the parent concerns are valid. Head Start management held parent meetings at each of the 27 centers to give assurances to parents that their child is safe within the classroom and that learning never stops. Two hundred eighty eight (288) of the 534 parents were at the meetings. The outcome of the meetings was positive.

Every month, the Head Start newsletter features three (3) centers. The newsletter contains information about classroom activities as well as parent testimonials on how the Head Start program works for them.

Mrs. Schroeder reported to the Board that Mr. Ybarra, Program Specialist, is on medical leave. The new program specialist is Shirley Karrer. Ms. Karrer asked that Guam not to reduce enrollment this year, therefore, no classrooms will be closed this year. Instead, hours will be extended.

At last week's meeting, the policy council approved next year's grant budget. The council also approved the selected factors for Head Start based on the community needs assessment. Mrs. Schroeder will forward this information to the Board for review.

Mrs. Schroeder met with Ms. Lourdes San Nicolas to go over what was discussed at the policy council meeting. She also discussed the work needed the grant is due on April 1, 2017 and the Region IX meeting on March 20, 2017. She added that she will miss the Board meeting on March 21, 2017.

Mrs. Schroeder shared the success of the fitness fair held on Saturday, February 18, 2017. Student volunteers from JFK High School (47) and GCC (31) as well as 11 senators assisted with activities for the children. Twenty-three vendors and various agencies presented information and physical activities for children. Mrs. Schroeder commended the Guam Fire Department for their assistance with the fair. Over 300 children attended the fitness fair.

Vice Chair Gutierrez asked if there is a Head Start grievance procedure for parents who are not satisfied with the response to their concerns. Mrs. Schroeder responded that yes, there is a policy on parental grievances.

Vice Chair Gutierrez asked if the parent who was unhappy at Price Elementary School was informed that he could file a parental grievance if he was not satisfied with the investigative report. Mrs. Schroeder apologized for not informing the parent that he could file a grievance.

Vice Chair Gutierrez asked if there were procedures for teachers to report concerns. Mrs. Schroeder responded that at least monthly, the teachers should report concerns and issues to the school administrator as the Head Start program is a dual program. The teachers should also report concerns to Head Start.

Mrs. Gutierrez suggested that the teachers be reminded about the procedure. Mrs. Schroeder responded that there was some confusion about the process but the Head Start policy is that on a monthly basis, the teaching staff is to meet with the principal to over any issues and concerns and discuss any events that are happening at school and with the program. Mrs. Schroeder mentioned that there has been noncompliance but Head Start is addressing the noncompliance with letters of concerns and additional trainings for staff.

Vice Chair Gutierrez asked about training on confidentiality and whether Head Start staff are trained before they go into the classroom. Mrs. Schroeder responded yes. Additionally, the orientation packet includes GDOE procedures

and the evaluation process. The training covers the program in general, the governance procedures and general management. Training also addresses different disabilities. A checklist is provided to staff to complete within a month of employment. Staff must sit with education services, health services, family services, disability services, and mental health services. When employees need a refresher, they can go through the checklist. Head Start also keeps track of professional development provided to the staff.

Vice Chair Gutierrez stated that it is important for the Head Start Director, to inform the parents about the parental grievance procedure. Mrs. Schroeder responded that she will put the procedure in the parent handbook and add it to the parent orientation.

Ms. San Nicolas mentioned that Board Policy 830 outlines the parental grievance process. She emphasized the importance of working in partnership with the school principal.

VI. Unfinished Business

1) Code of Ethics

Vice Chair Gutierrez mentioned that on the return of Dr. McNinch, they will finalize the policy. This item was tabled.

VII. New Business

1) Approval of the Pilot Pre-AP, Pre-Engineering, and Career Development Courses Evaluation

Vice Chair Gutierrez mentioned that Board member, Lourdes Benavente is the committee chair. Ms. Benavente is currently off-island but is participating via skype.

Vice Chair Gutierrez made a motion to approve the Pre-AP courses at Oceanview Middle School based on the presentation to the committee last week. A work session was held on February 13, 2017 with the Oceanview Middle School team. The team was well prepared. The Vice Chair thanked everyone at Oceanview Middle School for doing a wonderful job and suggested that Oceanview is a model middle school leading the way for other middle schools.

Vice Chair Gutierrez moved, seconded by Mr. Mendiola, to approve the Pre-AP courses at Oceanview Middle School.

Mr. Mendiola commented that he is in full support of this program. He had the opportunity to visit some of the high schools with science laboratories. He stated that proper funding for materials is necessary to keep this program going. He commended the staff from Oceanview Middle School and Okkodo High School.

Mr. Lujan also congratulated the Oceanview Middle School team.

Mr. Mendiola commented that this is great news for the school system. He asked Acting Superintendent Sanchez to put out a press release to let the island community know that there are programs such as this in the school system. Chairman Ada mentioned that without equipment and supplies, it is impossible for the approved program to move forward. He asked to the Acting Superintendent to support the school with the necessary equipment and supplies.

The Board voted by roll call and approved the motion with a vote of 6-0 (Yeas: Chair Ada, L. Benavente, Vice Chair Gutierrez, J. Lujan, M. Mendiola, and L. San Nicolas). The motion carried

Vice Chair Gutierrez mentioned that there is only one (1) teacher teaching the Pre-Engineering course at Okkodo High School. In SY15-16, 15 students were enrolled in this course. In SY16-17, 21 students (11 girls and 10 boys) are enrolled.

Vice Chair Gutierrez made a motion to approve the pre-engineering honors course at Okkodo High School.

Vice Chair Gutierrez moved, seconded by Mr. Lujan, to approve the Pre-Engineering course at Okkodo High School. The Board voted by roll call and approved the motion with a vote of 6-0 (Yeas: Chair Ada, L. Benavente, Vice Chair Gutierrez, J. Lujan, M. Mendiola, and L. San Nicolas). The motion carried.

Vice Chair Gutierrez asked the (long ranger) teacher at Okkodo High School to stand for recognition.

Vice Chair Gutierrez reported that the committee will schedule a work session on the Career Development Course Evaluation for JFK High School.

2) Committee Reports
   a) Executive Committee - None
   b) Instructional and Academic Support Committee - None
   c) Safe and Healthy Schools Committee - None
   d) Organizational Efficiency and Development Committee- None
   e) Accreditation Subcommittee - Mr. Mendiola mentioned that he had the opportunity to meet with the exiting team for Agueda Johnston Middle School. He commended and recognized the Principal, Mr. James Petite, and his team for a great review and hard work.
   f) Budget & Finance Subcommittee- Mr. Mendiola reported that the legislature was given the FY18 budget on January 30, 2017. He is in communication with the oversight chairperson and they will continue to have discussions on the budget request. He further mentioned that the committee needs to continue to work and look at the priorities set by the Board. He pointed out that when the Finance Committee met with Acting Superintendent Sanchez, the hiring freeze at the central office was discussed as well as needed supports to the schools.

3) IBOGS Report - Jos Maligon from JFK High School reported some of the high school aides are not taking their job seriously. The aides are not enforcing discipline and it seems they have lost their focus on what to do. He

recommended that aides at schools such as GWHS and JRMS need to be retrained.

Mr. Maligon and JFKHS student Janice Lee attempted to take a dual enrollment class at UOG. He understands that the highest course that GDOE will cover is MA165 Pre-Calculus. This ceiling will adversely affect high achieving students. Therefore, he proposed that the Guam Education Board work with the UOG staff to cover dual enrollment up to MA204 Calculus 2. There are GDOE students that are willing and able to take courses beyond MA165 but JFKHS does not offer that class. By opening up higher levels of math and English, students will be able to better prepare for college.

Ms. San Nicolas mentioned that, since November, she was fully aware of this duel enrollment concern. She understands that the Acting Superintendent and Ms. Sylvia Calvo are working to address this concern. Additionally, dual enrollment should be expanded to include the 11th graders.

4) GFT Report – Mr. Perez commended the Board for their diligence in getting the contract moving forward.

5) Mayor's Council Report - None

VIII. Executive Session- None

IX. Announcements and Adjournment

Mr. Lujan moved to adjourn the meeting at 7:32 pm.
