B. Project Title: 11th Annual Agat Mango Festival

C. Start Date of Project: May 20, 2017 End Date: May 28, 2017

PROJECT EVALUATION

1. How did the project differ from what was proposed in the application?
   -The Project made a difference by attracting a much greater amount of visitors anticipated. Guest range of individuals from all over the island including off island visitors. The success of this year's festival was greater than what we anticipated.

2. What activities took place? (Identify dates, location and participants)
   -May 20th, Annual 2k/5k Run Walk at the Sagan Bisita with over 300 participants
   -May 25th, Arrival of 9 Sister-City of Sablan, Benguet, PI Visitors, Dinner Hosting
   -May 26th, Opening Ceremonies and Little Mister & Little Miss Coronation and entertainment, Sagan Bisita
   -May 27th, Dessert Contest, Mango Fruit Contest, full list of entertainment, Sagan Bisita
   -May 28th, Awards Ceremony, Raffle Drawing and full list of entertainment, Sagan Bisita
   -May 29th & 30th, Farewell Dinner & Breakfast for Sister-City Visitors

3. What are the positive results or effects of the project?
   -The positive aspects of the project are bringing visitors from off island to join together with the people of the island to experience the culture and hospitality of the people of Guam down in the South.

4. What were the projects strengths and weaknesses?
   -The strengths of this project was Unity, our people coming together to work with each other and have another successful event.
   -The weaknesses of this project was the difficulties some of our vendors had to deal with when gathering up the proper documents to open up their concession stands during the event.

Subject: 11th Annual Agat Mango Festival

Dear Madams,

Buenas yan Hafa Adai! The Agat Mayor's Office and Municipal Planning Council are preparing for the upcoming 11th Annual Agat Mango Festival. The festival is a three-day event which is scheduled on May 26th, 27th & 28th, 2017 at the Agat Sagan Bisita Compound.

Proceeds raised will benefit our Youth Educational Scholarship Program, Medical Humanitarian Relief, Village Beautification Projects, Community Youth Summer Camp, Community Sports Associations, Office repairs and the many Yearly Community Events we host.

We would like to request for your Ifit Mobile during the event. We receive over a hundred customers every year looking for an ATM on site. Security will be provided starting Thursday, May 25th as well as a designated area on the festival grounds.

Our goal is to raise funds to help defray the costs to the Community Programs and Projects we have implemented for the Village of Agat. With the Ifit Mobile at the festival its convenient for our customers and vendors alike.

Thank you for considering our request, we hope to hear from you soon.

If you have any questions or concerns, you can contact the office at 565-2524/4335 or email us at agatmo.2017@gmail.com.

Si Yu'os Ma' ase,

Kevin James T. Susuico
Mayor of Agat

Dear Mr. Matthew Beck,

Thank you for the support of your company, Tri-Vision Media Group. Specifically, for the in kind advertising runs valued at $3,500.00 for our 11th Annual Agat Mango Festival and 2k/5k Mango Run on your Tri-Vision Outdoor Electronic Digital Display.

With your support, our non-profit festival event which benefits many in our community will be successful in part through your media venue that reaches thousands of commuters each day and in offsetting the high cost of successfully hosting the Agat Mango Festival which is attended by many of thousands too.

On behalf of the Agat Mayor's Office, Municipal Planning Council and the Community of Agat, we humbly thank you for your support in the past and present.

We wish you all the success, prosperity, and blessing for this year and for the years to come as we make Hagat and our Guam Community a better place to live.

Si Yu'us Ma'ase,

Kevin J.T. Susuico
Mayor of Agat

March 30, 2017

Dear Mr. Sakazaki,

Thank you for the opportunity to assist us in making the Agat Mango Festival one of the most successful and long lasting Festival Events on Guam. Going on our 11th year, the Agat Mango Festival is a non-profit festival that allows the opportunity for many in our community a venue to share with the rest of the island community, our love for mangoes. When we look deeper into the context of our festival, we find that it's greater glory is that it affords us the opportunity to better the lives of our people in a variety of ways to include fundraising to benefit our community.

The most common and most obvious appeal is that the Agat Mango Festival allows our community a time to gather together. It is a gathering place for our community to enjoy, relax, and share with one another friendship and hospitality. The popularity of the Mango Festival has extended beyond our island and we see families from a variety of places visiting Guam for the festival. It is also a venue for incubating our entrepreneurs at the grass root level with a place to present their products or services whether it is a musical talent, culinary, or craft. It is with this reason, that our Mango Festival is held in our Agat Sagan Bisita location which is our gathering place.

As we all know, non-profit events such as the Agat Mango Festival faces the challenges of meeting the high cost of marketing, logistics, and operation. With the support of the Pacific Daily News as one of our sponsors, you can make a difference in making our 11th Annual Agat Mango Festival a big success through your media by reaching tens of thousands of readers.

Virg Penafiel will assist in the marketing support and coordination efforts of our Office if you have any questions.

On behalf of the Agat Municipal Planning Council and the Agat Mayor's Office, we thank you for the opportunity.

Si Yu'us Ma'ase!
Best Regards,

Kevin J.T. Susuico
Mayor of Agat

Hafa Adai!

President Phil Flores approved the BankPacific's LEDs (electronic board signs) to post your upcoming event:

Agat – 11th Annual Mango Festival – May 26, 27, 28

This medium is an in-kind donation valued at $2,500.00.

LED SPECS below. Please be guided by the format requirements. Email your file to our office for final approval to upload on our LEDs two weeks prior to your event.

Contact our office if you have any questions. Thank you.

BankPacific – LED SPEC REQUIREMENTS

- *Video or static image should be either .AVI or .MPG format.*
- *Resolution should be 640 x 480 at 150 dpi.*
- *Use easy-to-read type fonts (Arial, Calibri, etc.) at about 80-100 points fonts. Don't be afraid to go even larger. Smaller font is to read.*
- *Do not use white background.*
- *Do not cram several messages into one display. Create a "slideshow" type display if using static images. It's better to use mor slides than to pack too much on fewer and thus crowded slides.*
- *Keep the message under 30 seconds. Same goes for a video.*
- *When showing individuals, shoot up is better otherwise the individual is not easily recognizable.*

BankPacific has two exterior LEDs located at Dededo and Tamuning Branches to include six in-lobby message boards at all our Guam locations – Hagatna, Tamuning, Dededo and Agat.

Hafa Adai Mayor Susuico!

Bank of Guam is happy to have our ATM at the Mango Festival this year. It can be scheduled to be there on May 27th and 28th. We have a tentative schedule for the 26th, but I will let you know if that falls through. Our Card Services department is kindly requesting for a POC so they can make arrangement for the set up. If you can give me their information I can most definitely get that to them so we can get that squared away.

If you have any questions, please feel free to give me a call. Thank you!

With Appreciation,

Chelsey Ting
