SUBJECT: 2016 ELECTION COMPARATIVE ANALYSIS REPORT

Hafa Adai:

Pursuant to 3 GCA § 2103(d), the Guam Election Commission (GEC) respectfully submits the Twenty-Second (22nd) Edition of the Election Comparative Analysis Report and legislative recommendations, as approved at a public meeting held on June 21, 2017. It provides statistical data for the 2016 Primary and General elections and historical data from preceding elections, as well as the GEC's recommendations for updating the Election Code of Guam.

Recent legislation has allowed for more accessible registration opportunities for Guam's electors. Such opportunities include online registration, motor-voter registration, pre-registration, volunteer voter registration, and district registration. In order to meet the higher influx of registration submittals anticipated from these outlets and to provide a more accurate and complete voter registry, the GEC respectfully requests that the change of close of registration be favorably considered.

The Uniformed and Overseas Absentee Voting Act (UOCAVA) requires that the GEC transmits its absentee ballots to military personnel, their dependents and overseas citizens forty-five (45) days prior to any election. Current statute allows for candidates to file for candidacy no later than sixty (60) days prior to the election. The GEC requests that the candidate filing dates be amended

in order to allow adequate time for finalization of qualified candidates, ballot design and production, and to meet transmittal dates mandated by both federal and local election statutes.

The election campaign contributions and expenditures reporting requirements in Chapter 17 of Title 3, Guam Code Annotated currently requires candidates, committees, and political parties to file an Organizational Report within ten (10) working days of collecting and/or spending more than Two Hundred Fifty Dollars ($250.00) towards the next campaign. Currently, the time between submitting the Organizational Report and a preliminary Election Campaign Contributions and Expenditures Report may span up to four years (in the case of gubernatorial candidates). In order to promote greater transparency in campaign spending practices, the GEC respectfully recommends that the current statute be amended to reflect federal reporting requirements by mandating quarterly reports of campaign contributions and expenditures once a political organization has been established.

In the 2016 General Election, sixty-nine percent (69%) of Guam's voters exercised their right to vote, a three percent (3%) decrease from the 2014 General Election. The increase in the number of precincts in 2016 elections called for an increase in the number of precinct officials from two hundred ninety (290) to three hundred thirty-five (335). In order to increase voter participation and have a higher caliber of precinct officials, the GEC humbly asks that favorable consideration be given to declaring, by statute, the General Election day a government of Guam holiday.

The GEC continually strives to improve the election experience for all parties encompassed in Guam's electoral process, present and future. Si Yu'os ma'åse for your continued support of the Guam Election Commission.

Maria I.D. Pangelinan

Executive Director
Guam Election Commission
Aprill 2011 - Present

Buenas yan Hafa Adai! Pursuant to 3 GCA §2103(d)(2), the Guam Election Commission (GEC) is pleased to present the twenty-second (22nd) edition of the Election Comparative Analysis Report for 2016. The 22nd edition provides statistical data for the 2016 Primary and General Elections, as well as historical data from preceding elections. In its continuing effort to improve Guam's election process, the GEC also hereby submits legislative recommendations pursuant to 3 GCA § 2103(d)(1).

The Primary Election was conducted on Saturday, August 27, 2016 to determine the partisan and non-partisan candidates who would advance to the General Election in the Legislative, Mayoral, Vice Mayoral, Congressional, and Public Auditor races.

On Tuesday, November 8, 2016, the General Election was conducted to determine the partisan and non-partisan candidates who would be elected to serve in official capacities as Senators of I Mina'trentai Kuåttro Na Liheslaturan Guåhan (34th Guam Legislature), Guam's Non-Voting Delegate to the 115th House of Representatives, village Mayors and Vice Mayors, the Public Auditor of Guam, Commissioners of the Consolidated Commission on Utilities, and Members of the Guam Education Board. The General Election ballot also included a Judicial Retention Question and the U.S. Presidential Straw Poll.

Pursuant to 3 GCA § 4102, the GEC increased the number of precincts from fifty-eight (58) to sixty-seven (67) and the number of precinct officials from two hundred ninety (290) to three hundred thirty-five (335) – villages affected were Asan-Maina, Inarajan, Mongmong-Toto-Maite, Mangilao, Tamuning, Dededo, and Yigo.

The GEC acquired seventy (70) additional universal access voting booths that were distributed among the precincts. The GEC hopes to procure another seventy (70) universal access voting booths for future elections to accommodate voters in every precinct and achieve precinct-wide uniformity.

To better assist voters with disabilities, the GEC acquired three AutoMARK Voting Machines that were used during the in-office voting periods for the 2016 Primary and General Elections.

The difference in votes between the fifteenth (15th) and sixteenth (16th) highest vote-getters in the race for Senators of I Mina'trentai Kuåttro Na Liheslaturan Guåhan (34th Guam Legislature) was less than two percent (2%), which warranted a recount pursuant to 3 GCA § 11131.- The results of the November 28 recount upheld the outcome of the election.

One thousand eight hundred eighteen (1,818) Native Inhabitants of Guam registered at their respective polling sites during the 2016 Primary and General Elections. Pursuant to the Decision and Order rendered by District Court of Guam Chief Judge Tydingco-Gatewood on March 8, 2017 in Civil Case No. 11-00035, Arnold Davis vs. Government of Guam, et al., the Guam Election Commission ceased all activities related to the registration of Native Inhabitants of Guam. The Guam Attorney General

The GEC continues to work long after the election to improve its processes and resources, making every effort to uphold the integrity of the electoral process both now and in future elections. Special recognition to the Commissioners and staff for their hard work and dedication in the months leading up to, throughout, and after the 2016 elections. The GEC is certain that this publication will provide you with valuable information concerning Guam's 2016 elections.

Title 12, GCA. § 79100. Creation of Commission.

There is established an elected Consolidated Commission on Utilities whose purpose is to exercise powers vested in them by the laws establishing the Guam Power Authority ('GPA') and the Guam Waterworks Authority ('GWA'). The Consolidated Commission on Utilities, hereinafter referred to as 'Commission' shall be elected by the registered voters of Guam.

Title 12, GCA. § 79101. Commissioners.

The Commission shall be comprised of five (5) Commissioners elected at-large by the voters of Guam in a General Election. To be eligible to be a Commissioner, a person must be a registered voter of Guam and a minimum of twenty-five (25) years of age, and shall have been a resident of Guam for at least five (5) years immediately prior to the date of the Commissioner's election.

A person may not simultaneously serve as a Commissioner and an employee of the Guam Waterworks Authority, the Guam Power Authority, or the Public Utilities Commission, or simultaneously serve as a Commissioner and an unclassified or contracted employee of the government of Guam. An Adjunct instructor, adjunct teacher, or adjunct professor employed by the University of Guam or the Guam Community College may serve as a Commissioner.

Persons retired from the government of Guam may serve as Commissioners. At their first official meeting, the Commissioners shall elect from among the Commissioners a chairperson, who shall preside over meetings of the Commission. A majority of the Commissioners holding office shall constitute a quorum. The affirmative vote of the Commissioners holding office shall constitute the decision of the Commission. The Commission may adopt rules and regulations governing the conduct of its affairs.

Title 12, GCA. § 79102. Non-partisan Office.

The Office of Commissioner is a non-partisan office. Candidates for the Office of Commissioner shall not identify themselves as members of any political party on Guam for the purpose of their campaign, nor shall they receive any endorsement or material support from any political party on Guam during the course of their campaigns. No Primary Election is required for candidates for this office. No nominating petitions shall be required of any candidate for this Office. Any qualified person applying to the Guam Election Commission, or its successor, for candidacy to this office shall be placed on the General Election ballot. In each election, the candidates receiving the highest numbers of votes shall be the elected Commissioners, without regard to the actual number of votes cast or received, and no runoff elections shall be required.

Title 12, GCA. § 79103. Terms of Office.

a) Except as provided in Section § 79105 and in Subsection (b) of this Section, each Commissioner shall be elected to serve a term of four (4) years, commencing on the First (1st) day of January following their election.
b) The first election for members of the Commission shall occur during the General Election in November, 2002. The three (3) candidates receiving the highest numbers of votes shall each be elected to serve a four (4) year term, and the two (2) candidates receiving the next highest numbers of votes shall each be elected to serve a two (2) year term.

Title 12, GCA. § 79104. Reporting Requirements.

Commissioners and candidates for the Office of Commissioner shall be subject to the same reporting requirements pertaining to their campaign contributions and expenditures as apply to candidates and members of I Liheslaturan Guåhan. Commissioners and candidates for the office of Commissioner shall be required to file a personal disclosure statement that shall contain the following items:

a) the source of all wages and commissions paid to the Commissioner, or candidate for the Office of Commissioner;
b) a list of all corporations or partnerships in which the Commissioner, or candidate for the Office of Commissioner, has a material interest of five per cent (5%) or greater; and
c) A list of all corporations, partnerships or sole proprietorships in which the Commissioner, or candidate for the Office of Commissioner, has a material interest of fifty per cent (50%) or more.

A candidate for the Office of Commissioner shall be required to file the personal disclosure statement required by this Section with the Guam Election Commission upon filing that person's candidacy with the Guam Election Commission. A Commissioner is required to file the personal disclosure statement required by this Section on an annual basis on the same dates personal financial disclosures are required from members of I Liheslaturan Guåhan.

If the vacancy to be filled is for twelve (12) months or more, the vacancy shall be filled by the next highest vote-getter in the last General Election for Commissioner.

For the purpose of items (1) and (2) in determining how many months remaining on the vacant position, the effective date of vacancy shall be the date from which to measure the months remaining, and not the date when the vacancy is actually filled.

b) The vacancy being filled under this provision will be for the remaining balance of the term of the vacated position.

1.11 GOVERNORS AND LIEUTENANT GOVERNORS 1600 – Present

There were four distinct eras in the appointment or election of Guam's Governors. The first of these is the Spanish era, during which Spanish Governors were appointed from the 1600's through the early 1800's. The second era is the Naval Administration era during which Guam's Governors were military officers appointed by the President of the United States, from 1899 to 1949 aside from the Japanese occupation during 1941-1944. The enactment of the Organic Act of Guam in 1950 began the third era. The Organic Act provided Guam with a civil government in which civilian Governors were appointed by the President of the United States, from 1949 through 1970. The Elective Governor Act in 1968 marked the fourth era. In 1970, the people of Guam elected its first Governor and Lieutenant Governor. To date, Guam continues to elect its Governor and Lieutenant Governor.

1.12 GUAM LEGISLATURE: 1950 TO PRESENT

The Organic Act of Guam created a legislative body not to exceed twenty-one (21) members, to be known as senators, elected at large, or elected from legislative districts, or elected in part at large and in part from legislative districts by the people of Guam.

Members from the First through Fourteenth Legislature were elected at large. The Fifteenth Legislature and Sixteenth Legislature were elected by legislative districts apportioned as follows: First Legislative District – Includes the municipal districts of Dededo and Yigo, and entitled to seven (7) seats in the Guam Legislature; Second Legislative District – Includes the municipal districts of Tamuning, Agana Heights, Mongmong-Toto-Maite, and Barrigada, and entitled to six (6) seats in the Guam Legislature; Third Legislative District – Includes the municipal districts of Piti, Asan-Maina, Sinajana, Mangilao, Chalan Pago-Ordot and Yona, and entitled to four (4) seats in the Guam Legislature; and, Fourth Legislative District – Includes the municipal districts of Santa Rita, Agat, Umatac, Merizo, Inarajan, and Talofofo, and entitled to four (4) seats in the Guam Legislature.

In 1982, shortly before the deadline for filing nominating petitions, the United States District Court of Guam ruled that the nomination and election of the Legislature shall be held on an island-wide basis. A successful court suit was filed by a senatorial candidate who claimed that the number of seats per legislative district should be reapportioned to meet the 1980 Federal Census figure. Thus, the Court ruled that the Legislature would be elected on an island-wide basis in the 1982 election. To date, the legislative body is elected island-wide.

On March 31, 1995, Public Law 23-01 was enacted to provide for an initiative measure to reduce the membership of the Guam Legislature from twenty-one (21) to fifteen (15) members. This initiative was passed in the 1996 General Election, and subsequently enacted into law. The new statute, 3 GCA6101 reads, "Section 6101. Guam Legislature Description. I Liheslaturan Guåhan shall be a unicameral body consisting of 15 members who are elected at large and as provided by law [commencing with the election of the Twenty-Fifth Guam Legislature.]"

1.15 JUDICIARY

1.15.1 SUPERIOR COURT OF GUAM, 1978-PRESENT

In 1910, Governor Edward Dorn replaced the Spanish Court with the Island Court system to handle most criminal and civil cases. By 1933 the Island Court system had branched out into the Island Court, the Police Court, and the Justice Court. In 1941, Guam was invaded by the Japanese forces and occupied until July 21, 1944.

After the liberation Guam, the American forces placed the island under martial law with the exception of Military courts. In 1946, with the Naval Government reestablished, Judge Vicente P. Camacho and Judge Jose C. Manibusan were the only Guamanian Judges. In 1950 after the passage of the Organic Act, the island of Guam was afforded the right to establish the judicial branch. Guam law makers would pass Public Law 17 the Judiciary Act which would restructure the court system to have the District Court, the Island Court, the Police Court, and the Commissioners Court.

In 1974, Public Law 12-85 the Court Reorganization Act would rename the Island Court system to the present day Superior Court of Guam. Under the Superior Court of Guam, judges are appointed by the Governor for a seven (7) year term and retained by public voting.

Title 7, GCA. § 6101. Tenure, Rejection or Retention in Office of a Justice or a Judge

(b) Each Judge of the Superior Court shall hold office for a term ending the 31st day of January following the first general election held after the expiration of seven (7) years since his or her appointment or election to office.

(c)

(1) No less than sixty (60) days prior to the holding of the general election next preceding the expiration of his or her term of office, any Judge may file in the office of the Election Commission a declaration of candidacy for election to succeed himself or herself. If a declaration is not filed, the vacancy resulting from the expiration of his or her term of office shall be filled by appointment pursuant to § 3108 of this Title.

(2) If such a declaration is filed, the name of such Judge shall be submitted at said next general election on a non-partisan ballot along with any other Judges seeking retention at the same election, without party designation, reading:

'Shall [Justice] [Judge] _____ (here insert the name of the Justice or Judge) or the [Supreme Court] [Superior Court] be retained in office? Yes No (Mark your preference).'

(3) If a majority of those voting on the question vote against retaining him or her in office, upon the expiration of his or her term of office, a vacancy shall exist which shall be filled by an initial appointment as provided in this Title; otherwise, said Judge shall, unless removed for cause, be retained in office for a term commencing upon the expiration of his or her existing term of office.

For the November 7, 1978 General Election, the Guam Election Commission prepared and presented the first Judicial Ballot to the electorate. To date, all Superior Court Judges retained include:

1.19 CONSOLIDATED COMMISSION ON UTILITIES, 2002-PRESENT

A Consolidated Commission on Utilities is established to exercise powers vested in it by the laws establishing the Guam Power Authority (GPA) and the Guam Waterworks Authority (GWA). The Commission is comprised of five (5) Commissioners elected at-large by the voters of Guam in a General Election. To be eligible to be a Commissioner, a person must be a registered voter of Guam and a minimum of twenty-five (25) years of age, and shall have been a resident of Guam for at least five (5) years prior to the date of the Commissioner's election. A person may not simultaneously serve as a Commissioner and an employee of the government of Guam.

Persons retired from the government of Guam may serve as Commissioners. At their first official meeting, the Commissioners shall elect from among the Commissioners a chairperson, who shall preside over meetings of the Commission. A majority of the Commissioners holding office shall constitute a quorum. The affirmative vote of the Commissioners holding office shall constitute the decision of the Commission. The Commission may adopt rules and regulations governing the conduct of its affairs.

The Office of Commissioner is a nonpartisan office. Candidates for the Office shall not identify themselves as members of any political party on Guam for the purpose of their campaign, nor shall they receive any endorsement or material support from any political party on Guam during the course of their campaigns. No Primary Election is required for candidates for this office. No nominating petitions shall be required of any candidate for this Office. Any qualified person applying to the Guam Election Commission, or its successor, for candidacy to this office shall be placed on the General Election ballot. In each election, the candidates receiving the highest numbers of votes shall be the elected Commissioners, without regard to the actual number of votes cast or received, and no runoff elections shall be required.

Each Commissioner is elected to serve a term of four (4) years, commencing on the First (1st) day of January following their election. The first election for members of the Commission occurred during the General Election in November, 2002. The three (3) candidates receiving the highest numbers of votes were elected to serve a four (4) year term, and the two (2) candidates receiving the next highest numbers of votes were elected to serve a two (2) year term.

On November 5, 2002, the First Consolidated Commission on Utilities was elected. Mr. Simon A. Sanchez II, Dr. Judith P. Guthertz, and Mr. Benigno M. Palomo received the highest number of votes, and were therefore elected to 4-year terms. Messrs. Frank S.N. Shimizu and Vincent Cristobal Camacho received the next highest numbers of votes, and were therefore elected to 2-year terms.

On November 2, 2004, the two expired seats of the Consolidated Commission on Utilities were placed on the General Election ballot. Mr. Thomas C. Ada and Ms. Gloria B. Nelson received the highest number of votes, and were therefore elected to 4-year terms. Dr. Judith P. Guthertz resigned her seat causing a permanent vacancy. As set forth in § 79105 of 12 GCA, Chapter 79, a permanent vacancy in the Office of a Commissioner shall result in a Special Election to fill that vacancy. Said vacancy may be filled through a Special Election called by I Liheslaturan Guåhan pursuant to § 79105, of 12 GCA, Chapter 79. Or, through a Special Election called by proclamation from the Governor of Guam as provided for in § 5104 of 3 GCA Chapter 5.

Since November 5, 2002, the Consolidated Commission on Utilities elected were as follows:

[13] Resigned to accept the appointment as U.S. Attorney. Attorney John Weisenberger was appointed as acting Attorney General.

1.21 GUAM DECOLONIZATION REGISTRY

1.21.1 Title 3, GCA. § 21000. Legislative Findings and Intent.

In furtherance of Public Law Number 23-147, now codified as Chapter 21 of Title 1 of the Guam Code Annotated, wherein the Commission on Decolonization was established and given the mandate to conduct a plebiscite on the political status wishes of the people of Guam, *I Liheslaturan Guåhan* finds there is a need for a Registry, separate and apart from the Chamorro Registry authorized by Public Law Number 23-130, now codified as Chapter 20 of Title 3 of the Guam Code Annotated, which will specifically delineate the list of qualified voters for the political status plebiscite, and intends that this separate Registry not be one based on race.

It is the intent of *I Liheslaturan Guåhan* to permit the native inhabitants of Guam, as defined by the U.S. Congress 1950 Organic Act of Guam to exercise the inalienable right to self-determination of their political relationship with the United States of America.

I Liheslaturan Guåhan finds that the right has never been afforded the native inhabitants of Guam, its native inhabitants and land having themselves been overtaken by Spain, and then ceded by Spain to the United States of America during a time of war, without any consultation with the native inhabitants of Guam.

This inalienable right is founded upon the 1898 Treaty of Peace between the United States and Spain; Chapter XI of the United Nations Charter; the United States yearly reports to the United Nations on the Non Self-governing Territory of Guam; 1950 Organic Act of Guam; United Nations Resolution Number 1541 (XV); United Nations Resolution 1514 (XV); § 307 (a) of the United States Immigration and Nationality Act; and Part I, Article 1, Paragraphs 1 and 3 of the International Covenant on Civil and Political Rights.

I Liheslaturan Guåhan notes that the 1950 Congress acknowledged its United Nations responsibilities:

In addition to its obligation under the Treaty of Paris, the United States has additional treaty obligations with respect to Guam as a non-self-governing Territory. Under Chapter XI of the Charter of the United Nations, ratified by the Senate June 26, 1945 (59 Stat. at p. 1048), we undertook, with respect to the people of such Territories, to insure political advancement, to develop self-government, and taking due account of the political aspirations of the peoples; * * * to assist them in the progressive development of their free political institutions * * *. Organic Act of Guam, Sen. Rep. 2109, 1950 *U.S. Code & Admin. Report* p. 2841.

It is the purpose of this legislation to seek the desires to those peoples who were given citizenship in 1950 and to use this knowledge to further petition Congress and other entities to achieve the stated goals.

The intent of this Chapter shall not be construed nor implemented by the government officials effectuating its provisions to be race based, but founded upon the classification of persons as defined by the U.S. Congress in the 1950 Organic Act of Guam.

1.21.2 Title 3, GCA., § 21001. Definitions. For Purposes of This Chapter:

a) *Board* shall mean the Decolonization Registry Board established under the Guam Election Commission for the purposes of guiding the establishment, administration and maintenance of the Guam Decolonization Registry.
b) *Commission* shall mean the Guam Election Commission.
c) *Descendant* shall mean a person who has proceeded by birth, such as a child or grandchild, to the remotest degree, from any *Native Inhabitant of Guam*, as defined in Subsection (e), and who is considered placed in a line of succession from such ancestor where such succession is by virtue of blood relations.
d) *Guam Decolonization Registry* shall mean the index of names established by the Guam Election Commission (Commission) for the purposes of registering and recording the names of the Native Inhabitants of Guam.
e) *Native Inhabitants of Guam* shall mean those persons who became U.S. Citizens by virtue of the authority and enactment of the 1950 Organic Act of Guam and descendants of those persons.

1.21.3 Title 3, GCA., § 21002. Affidavit of Registration.

No person shall be registered with the Guam Decolonization Registry, except by affidavit of registration made before the registration clerk of the district or municipality wherein such person resides, or before a registration clerk in the office of the Commission. The Commission shall prepare forms for the collection of data pertaining to registration eligibility, Native Inhabitant of Guam family name, and residency.

The Commission shall also require the submission of such additional information and proper documentation as will enable it to comply with this Chapter. The affidavit shall then be made in duplicate and shall set forth all the facts required to be set forth by this Title. Any change of residency must be reported to the Commission within thirty (30) days of such change.

1.21.4 Title 3, GCA., § 21002.1. Registration of Qualified CLTC Applicants.

The Commission *shall* waive the affidavit of registration process for individuals that have received a Chamorro Land Trust Commission lease *or* have been pre-approved to receive a Chamorro Land Trust Commission property lease. Those individuals *shall* be included on the registration roll of the Guam Decolonization Registry and are deemed registered *unless* the lessee requests in writing *not* to be included on the Decolonization Registry.

1.21.35 Registration of Native Inhabitants of Guam.

The steady increase in the number of Native Inhabitants of Guam on the Guam Decolonization Registry after the 2014 elections, as illustrated in Table 1.21.34, can be attributed to an increase in registration forms submitted by Volunteer Voter Registrars and Governor Eddie Calvo's push for Decolonization Registrars in each Government of Guam agency, as mandated in 3 GCA § 21008.1. Native Inhabitants of Guam were also given the opportunity to register at their respective polling sites during the 2012, 2014, and 2016 Primary and General Elections, which resulted in a significant increase in the number of entries in the Decolonization Registry.

In 2011, the 31st Guam Legislature made a special appropriation of $250,000 for Decolonization Registry efforts. The funds expended from this special appropriation were used to pay Decolonization Registrar stipends for the 2012, 2014, and 2016 Primary and General Elections and to procure supplies and materials pertinent to registration efforts. A balance of $9,019.52 remains.

Pursuant to the Decision and Order rendered by District Court of Guam Chief Judge Tydingco-Gatewood on March 8, 2017 in Civil Case No. 11-00035, Arnold Davis vs. Government of Guam, et al., the Guam Election Commission ceased all activities related to the registration of Native Inhabitants of Guam. A memorandum was sent to all Government of Guam agency heads to inform them of the Decision and Order and to request all

registration forms and other supplies be submitted to the Guam Election Commission. Efforts have also been made to contact Decolonization Registrars personally to ensure all registration materials are returned. On April 7, 2017, the Attorney General of Guam filed a Defendant's Notice of Appeal in Civil Case No. 11-00035. The Guam Election Commission is committed to administer the Election laws as expressed in the Guam Code and interpreted by the Courts and will move forward accordingly.
