On May 31st, a court hearing took place to determine the placement of the minor. It was suggested by Judge Sukola that the minor transition to her boyfriend's mother. SW will be working with the CPS worker in the coming days to complete the transition. This minor entered the shelter on March 7, 2017, making it three (3) months at the shelter.

As for the male minor (4yrs.), a total of five (5) visitations were made for this month. Visitations took place at CPS, with both mother and father. As per CPS caseworker C. Marquez, an upcoming Court hearing will determine the placement status of the minor. The minor entered the shelter on March 23, 2017.

CATHOLIC SOCIAL SERVICE
ADMINISTRATION QUARTERLY REPORT

June 2017

For the Month of June, the shelter served a total of twelve (12) children with ages four (4) to sixteen (16). Of the children, there were eight (8) Chamorro, three (3) Chuukese, and one (1) Caucasian. Services provided included personal care, teaching life skills, transportation to school, visitations and various appointments as well as recreational activities.

On June 05, Social Worker (SW) received a phone call from Child Protective Services (CPS) in regards to the female minor (16yrs) at the shelter. SW was informed that minor would be exiting the shelter and placed with her boyfriend's mother. On June 06, minor was transported by Alee staff to the designated drop-off location, where she transitioned to boyfriend's mother.

Currently at the shelter, we have seven (7) Chamorro minors, three (3) Chuukese minors, and one (1) Caucasian minor.

On June 12, 2017 the SW received a phone call from CPS in regards to placement for a male minor (11yrs). The minor had been a former client at the shelter until he was transitioned to a foster family. The SW was informed that the foster family would be relocating to the mainland, leaving the minor in need of emergency placement for the time being. On June 13, minor was transitioned into the Alee 2 Children's Home. For the month of June, there were a total of nine (9) visitations made with the foster family just before they departed island. Visitations took place at the Tamuning KFC Restaurant with both foster parents. Minor also had one appointment with *Soar Physical Therapy,* in which his CPS Social Worker provided transport. Currently, CPS case worker C. Flores is looking for other placement options for the minor. Minor enetered the shelter on June 12, 2017 (19 days).

For one (1) set of siblings, there were a total of four (4) visitations made for this month. Visitations took place at the Barrigada Park with their parents, under the supervision of a home maker. On June 06, a court hearing took place regarding the court ordered visitations. The hearing resulted in adjusting the visitations to take place once a week for two (2) hours. On June 12, the minors were enrolled in the *B.P Carbullido Summer School Program* which will take place until the 17th of July. Within this month, a dental appointment made to *Hafa Adai Dental* where minor treatments were performed on all four minors. As per CPS worker R. Pangelinan, who is currently overseeing this case, the status of the minors will remain the same until their CPS caseworker worker S. Quinata returns from off-island. The siblings entered the shelter on December 5, 2016 (208 days).

As for the male minor (4yrs), a total of nine (9) visitations were made for this month. Six (6) visits took place at CPS while three (3) were at Erica's House. All visits took place with both

mother and father, under the supervision of a home maker or a facilitator. As per CPS caseworker C. Marquez, all future visits will now take place at Erica's House. One (1) appointment was made with Client Services, specifically with Lisa Baza. Minor also had a follow-up appointment with Dr. Castro at *Guam ENT* where he was examined for his throat. On June 12, the minor began summer camp, *Camp Hyatt*, in which Alee Staff assists with transportation. CPS caseworker had informed Alee SW that summer camp would run through the entire summer. Minor entered the shelter on March 23, 2017 (100 days).

For another set of siblings, a follow- up was made in regards to their placement. As per caseworker M. Blas, grandparents have applied for housing under the *Family Unification Program.* Alee SW was informed that the grandparents are potential family members that the minors will transition to. Due to their current housing not meeting standard requirements, the minors will not be able to transition until further notice. Shelter logs and incidents reports that reflect their recent behavior have been forwarded to the caseworker to press on the matter of placement. Minors entered the shelter on January 1, 2017 (181 days).

As for another set of siblings, CPS caseworker R. Tomy is currently locating potential family members that would be able to take in the three minors (11yrs, 10yrs, and 8yrs). The minors entered the shelter on May 31, 2917 (31 days).
