Alee 2 Children's Home

July 2017

For the Month of July, the shelter served a total of seventeen (17) children with ages ranging from four (4) to twelve (12). Of the children, there were nine (9) Chuukese, seven (7) Chamorro, and one (1) Caucasian. Services provided included personal care, teaching life skills, transportation to school, visitations and various appointments as well as recreational activities.

On July 13, Social Worker (SW) received a phone call from Child Protective Services (CPS) in regards to the two male minors (10 and 11yrs) at the shelter. SW was informed that both minors would be exiting the shelter and placed with a foster family. On July 14, a CPS caseworker arrived at the shelter to provide transportation for both minors and to assist in their transition out of the shelter.

On July 17, SW received a phone call from CPS regarding a male minor (12yrs) at the shelter. SW was informed that the minor would be exiting the shelter and placed with a foster family. On July 18, the minor was transported by Alee staff to CPS Office, where we met with the CPS caseworker and transition took place.

On July 19, SW received a phone call from CPS regarding the transition of two male minors (5 and 6yrs) at the shelter. SW was informed that both minors would be exiting the shelter and

placed with a relative, specifically their aunt. At 1pm, a CPS caseworker arrived at the shelter to provide transportation and assist in their transition.

Currently at the shelter, there are seven (7) Chamorro minors, four (4) Chuukese minors, and one (1) Caucasian minor.

For the male minor (4yrs), a total of eight (8) visitations were made for this month. All visits took place at Erica's House with both mother and father, while a visitation monitor was present. As per CPS caseworker C. Marquez, all visits will continue until further notice, as court ordered. For the month of July, a total of four (4) appointments were made with Client Services, specifically with Lisa Baza. Minor continues to attend *Camp Hyatt*, in which Alee staff assists with transportation. Camp is scheduled to end August 4, 2017. Minor entered the shelter on March 23, 2017 (130 days).

For one set of siblings, there were a total of eight (8) visitations made for this month. Four (4) visitations took place at Barrigada Park with their parents, under the supervision of a CPS home maker. The other four (4) visitations took place at Erica's House with both parents, while a visitation monitor was present. The minors continued to attend the *B.P Carbullido Summer School Program* up until July 17, making it their last day. On July 14, SW was informed by CPS caseworker S. Quinata that a visitation was arranged for the two younger siblings (6yrs and 7yrs) with a potential foster placement. SW has not been not notified whether placement will move forward. The siblings entered the shelter on December 5, 2016 (237 days).

As for another set of siblings, a follow-up was made in regards to their placement. As per caseworker M. Blas, the grandparents of the minors are currently awaiting for housing under the *Family Unification Program (FUP).* An application was submitted last month and the status remains the same until further notice. Minors entered the shelter on January 1, 2017 (210 days).

For another set of siblings, a total of two (2) visitations were made for this month. Visitations took place at Child Protective Services with their mother, under the supervision of their CPS caseworker R. Tomy. Minors entered the shelter on May 31, 2017 (60 days) and July 18, 2017 (6 days).

August 2017

For the Month of August, the shelter served a total of sixteen (16) children with ages ranging from three (3) to eleven (11). Services provided included personal care, teaching life skills, transportation to school, visitations and various appointments as well as recreational activities.

Doc. No. 34GL-17-1142 .

On August 04, 2017, shelter received a phone call from C. Marquez, from Child Protective Services (CPS) in regards to the male minor (4). C. Marquez informed shelter staff that minor will be exiting shelter today after his visit at Erica's House with his mother. As per C. Marquez minor will be transported to the designated meeting place after visit where C. Marquez will meet with shelter staff to transition minor to his father.

On August 07, 2017 two (2) male sibling ages seven (7) and five (5) were transported to Child Protective Services (CPS) for a visit with mother. Upon arrival at CPS, shelter staff was informed by M. Kahele (CPS caseworker) that the minors will be transitioning out of the shelter on August 08, 2017 at 9:00 a.m. As per M. Kahele, N. Salas (CPS Homemaker) will be picking up the minors with their belongings and they will be placed with a relative.

On August 22, 2017 shelter received a call from A. Gadia (CPS supervisor) regarding placement for a five (5) year old boy. Upon arrival at the shelter, R. Reyes (CPS caseworker) introduced minor to staff. R. Reyes also inquired if shelter would be able to transport minor to Maria Ulloa Elementary School. Shelter staff informed R. Reyes that at present time shelter is unable to transport to school as shelter is already transporting to four (4) different elementary schools and does not have the capacity to transport to an additional location. On August 30, 2017 shelter received a call from A. Gadia informing shelter staff that minor will be exiting shelter today into a licensed foster home.

Currently at the shelter, there are eight (8) Chamorro minors and four (4) Chuukese minors.

For one set of four (4) siblings, there were a total of nine (9) visitations made for this month. Four (4) visitations took place at a Barrigada Park with their parents under the supervision of a CPS home maker. The other five (5) visitations took place at Erica's House with both parents while a visitation monitor was present. The minors continue to attend the B.P Carbullido *Elementary School* which began on August 17th, 2017. As per S. Quinata (CPS caseworker) the minor's mother received her GHURA Section 8 voucher and has already found a house but there are some minor repairs that need to be done. S. Quinata also informed shelter that during the court hearing on August 14th, 2017, the judge approved for placement to take place before the next court hearing on September 21st, 2017 if the house is ready. The siblings entered the shelter on November 28, 2016 (277 days).

As for a set of three (3) siblings, a follow-up was made in regards to their placement. As per caseworker M. Blas, the grandparents of the minors are currently awaiting for housing under the Family Unification Program. An application was submitted in June with all required documents needed for the housing program. The minors have started visitation with their grandparents on

Sundays. Four (4) visits were scheduled for this month but only three (3) took place because on August 13th, 2017 visit was canceled because the grandparents were ill. The minors also started school on August 17, 2017. The eleven (11) year old attends F.B. Leon Guerrero Middle School and is in the 6th grade, the eight (8) and six (6) year olds attend school at UPI Elementary. Minors entered the shelter on January 1, 2017 (243 days).

For another set of four (4) siblings, a total of two (2) visitations with just the two (2) girls; ages seven (7) and three (3) were made for this month. Visitations took place at Child Protective Services with their mother under the supervision of their CPS caseworker R. Tomy. On August 16, 2017, two (2) more siblings arrived at shelter both boys, ages six (6) and five (5). Two (2) of the four (4) minors started school on August 17, 2017.
