Dear Mr. Calvo

Serving on the Civil Service Commission, although for a short period, has been the greatest experience of my life. The professionalism possessed in the staff and the leadership that guides them is beyond compare. Unfortunately I will be embarking in a career which is a major conflict with the Commission and its Policy and for this specific reason I am submitting my letter of resignation to you with a very heavy heart. My time in the Commission has been filled with only great leadership and guidance from yourself and the staff. The absolute knowledge possessed by the staff and the camaraderie between them will be the driving force that will resolve whatever challenges that will be faced. If there is anything I can help with prior to leaving please let me know.

Respectfully,

Michael G. Topasna
Commissioner, Civil Service Commission
