Re: Letter of Resignation

Buenas yan Håfa Adai Governor Calvo,

It has been a privilege and honor these past 2 years to work for you as the Director of Administration. I cannot begin to thank you enough for having the confidence in me to undertake the huge responsibility of leading such a critical department for the Government with no prior experience in public service. It has been and enriching experience and one that has allowed me the good fortune to get to know so many wonderful people who truly are public servants despite all the negativity and criticism.

I especially want to thank you for the opportunity to work under Bernie Artero, your Chief Fiscal Advisor. I have learned so much from her and would not have been successful in this position without her guidance and support. I have a tremendous amount of respect and admiration for what she does and her leadership of the fiscal team. I also feel blessed to have worked as part of your fiscal team. The members of the team are family who support one another in carrying out the directives of you and Bernie. I am so grateful for having worked with them not just as colleagues but as friends.

None the less, it has come time for me to transition back to the private sector and thus tender my resignation effective February 1, 2018. Thank you again Governor for the opportunity, trust, and leadership. I have developed an even deeper respect and admiration for you as a result of this experience.

Senseramente,

Christine Baleto
