Buenas yan Hafa Adai President Underwood:

With regrets, our Southern Guam Soil and Water Conservation District Board (SGSWCD) wishes to inform your office of the resignation of Director Raymond Calvo as a board member due to health issues effective October 17, 2017.

Therefore, our Board respectfully requests your assistance for Governor Calvo to appoint Mr. Mike Agoun to fill the vacant board member position. Mike Agoun is a retired Government of Guam Fire Chief and has been a farmer all his life! He is cognizant of the importance of protecting our island's natural resources. Mr. Agoun comes from a family of ten children. Growing up, the family relied on ranching, farming, fishing, and hunting to supplement their needs. He implements conservation practices on his farm. His knowledge and experience as a farmer and retired fire fighter will be an asset to the Board.

Our Board continues to work with local and federal government and private partners in moving forward with our mission to help protect and preserve our island's natural resources. Having a full Board is important and needed to continue our work in a more efficient and effective capacity. We look forward for you favorable attention and consideration to expedite our request to fill the vacant Board member position by Mike Agoun.

Respectfully,

Benny Chargualaf
