Alee 2 Children's Home

January 2018

For the Month of January, the shelter served a total of eleven (11) children with ages ranging from five -months (5 months) to twelve (12). Of the children, there were ten (10) Chamorro and one (1) Filipino served. Services provided included personal care, teaching life skills, transportation to school, visitations and various appointments as well as recreational activities.

Currently at the shelter, there are eleven (11) Chamorro minors and one (1) Filipino minor.

For one set of siblings, a total of eight (8) visits were made for this month and all visitations took place with the grandparents. On January 12, a counseling appointment was made for the six (6) year old female minor and the eight (8) year old male minor at *I'Famagu'on-ta* . Both minors were meeting with their designated counselor. On January 22, Alee Children's Social Worker (SW) was informed that every Wednesday, starting on the 24th, both minors will be attending *Sunshine Group Counseling* at *I'Famagu'on-ta.* For the month of January, minors attended a total

of two sessions. As per CPS caseworker S. Quinata, a court hearing is set for February 22, where they will determine further placement. SW was informed that the grandparents were actively seeking housing while awaiting their voucher through the *Family Unification Program (FUP)*. Minors entered the shelter January 1, 2017 (396 days).

For one set of siblings, a total of eight (8) visitations were made for this month and all visitations had taken place with both mother and father. On January 9, an appointment was made with the *Women, Infants, and Children Program (WIC)* for the five (5) month-old infant. SW was able to receive food vouchers, specifically for formula and infant food, to use during the next coming weeks. On January 11, *Guam Early Intervention Systems (GEIS)* representatives conducted a home visit for the five (5) month-old infant, where they assessed his wellness and development. On January 8 and 17, appointments were made with the *American Medical Clinic* for the two (2) year-old minor to receive his shots. On January 16, an appointment was made with a neurology clinic, specifically with Dr. Ramel Carlos, to conduct an electroencephalogram (EEG) on the male minor. On January 15, the two (2) year-old minor was taken to *Guam Radiology* where an x-ray of his lower body was conducted. This was needed for his appointment at *Shriners Satellite Clinic* which took place on January 18, 2018. As per the doctor from *Shriners Clinic*, the male minor will be receiving leg braces to improve leg posture and alignment of his bones. On January 8, an appointment was made to *American Medical Clinic* for the four (4) year-old minor to update her shots. Another visit was made to the clinic on January 11, due to the minor needing medical attention for her impetigo. Minors entered the shelter on October 22, 2017 (101 days).

For another set of siblings, a total nineteen (19) visitations were made for this month. All visitations took place with both mother and father. A total of thirteen (13) visitations took place at the father's residence while six (6) visitations took place at the offices of Child Protective Services. On January 5, the eldest sibling (9 year-old male) was brought to *Guam Behavioral Health and Wellness Center (GBHWC)* by his CPS Social Worker to address behavioral issues. Later that evening, Alee SW was informed that the minor will be transitioning from the children's shelter to GBHWC. Minor entered the shelter November 17, 2017 (49 days). On January 16 and 23, appointments were made with *Express Care* where the two (2) year-old sibling completed a physical and was also treated for warts. An appointment was also made for his six (6) year-old sibling so that his warts could also be treated. Minors entered the shelter on October 2 and November 22, 2017 respectively (121/71 days).

For the six (6) year old male minor, two appointments were made to *IHP Medical Group*, specifically to see Dr. Lily Perez. As per CPS caseworker R. Reyes, there are no possible placements at this time but efforts are being made for the minor to have communication with his other siblings. Minor entered the shelter on November 21, 2017 (72 days).

For the four (4) year old female minor, a total of three (3) visitations were made for this month. Visitations had taken place for two hours at the offices of Child Protective Services with the mother, under the supervision of a homemaker. Minor entered the shelter December 21, 2017 (42 days).

February 2018

For the Month of January, the shelter served a total of fifteen (15) children with ages six (6) months to thirteen (13). Of the children, there were thirteen (13) Chamorro and one (1) Filipino. Services provided included personal care, teaching life skills, transportation to school, visitations and various appointments as well as recreational activities.

On February 02, SW received a phone call from Child Protective Services (CPS) in regards to the 4-year old female minor. SW was informed that the minor would be exiting the shelter and placed with the grandmother.

On February 05 the 3-year old male minor exited the shelter and placed with his grandmother.

On February 26 two (2) male minors, ages eleven (11) and Thirteen (13) exited the shelter and transitioned to Sanctuary Inc.

Currently at the shelter, there are twelve (12) Chamorro minors.

For one set of siblings, a total of eight (8) visits were made for this month and all visitations took place with the grandparents.
