Dear Vice Speaker Terlaje:

Attached is the fiscal year 2018 third quarter report of activities and inventory of non-expendable property of the Alee I and II shelters. This is in compliance with Public Law 34-42, Chapter XIII, Section 6, relative to reporting requirements for non-profit organizations.

Should you have any questions or need additional information, please contact Ms. Linda B. Rodriguez, Human Services Program Administrator for the Bureau of Social Services Administration at 475-2653/2672. We appreciate your continued support.

Sincerely,

Leo G. Casil

Doc. No. 34GL-18-2362.

Active clients for April 2018:

Client #2363 Client entered the shelter on January 23, 2018 at 5:23pm with her four (4) minor children, ages twelve (12), ten (10), seven (7), and three (3). Client is a thirty-nine (39) year old married Chamorro woman who is a U.S. citizen. Prior to entering our shelter client had submitted her application for Public Benefits with *Department of Public Health and Social Services (DPHSS)* as well as an application to the *Guam Housing and Urban Renewal Authority (GHURA) - Public Housing Program.* Client was assisted in obtaining documents needed for submission to *GHURA* and *Salvation Army.* Client was assisted with transportation services to do grocery shopping and *Guam Waterworks & Power Authority (GWA/GPA)* to obtain clearances for the utility hook-up. Client was not interested in applying for a protective order. Client exited the shelter on April 06, 2018 at 3:43pm. Client transitioned to *Guam Housing and Urban Renewal Authority Public Housing (GHURA).*

Client #2364 Client entered the shelter on February 13, 2018 at 3:57pm with her minor child: age five (5). Client is a thirty-six (36) year old married Mexican woman who is a permanent resident. Upon entry, client brought her personal vehicle, which she utilized for transportation. Prior to entering the shelter, client applied for and received a protective order. Client currently has an active protective order against perpetrator. Client exited the shelter on April 11, 2018 at 6:00pm. Client transitioned to the mainland.

Client #2369 Client entered the shelter on April 09, 2018 at 11:55am with her five (5) minor children, ages; twelve (12), nine (9), eight (8), six (6), and five (5). On April 11, 2018, client's other minor child entered the shelter, age fourteen (14). Overall, client has seven (7) children. Client is a thirty-four (34) year old single Phonpeiian woman who is a FSM citizen. Client was assisted with clothing for her and her children, food, and toiletries. Client was assisted with filling out her public benefits re-application for the *Department of Public Health and Social Services (DPHSS).* Client was also assisted with transportation services to bring her children to and from school. Client had an appointment with the *Department of Public Health and Social Services (DPHSS)* in January 2018 but missed her appointment. Prior to entering the shelter, client applied for the *Guam Housing Urban and Renewal Authority (GHURA) Section 8* program and is currently on the waiting list. Client was not interested in applying for a protective order. Client was evicted due to disclosing the location of the shelter. Upon eviction/exit, client transitioned to her uncle on April 12, 2018 at 8:30pm.

Client #2370 Client entered the shelter on April 11, 2018 at 6:42pm with her minor child, age two (2). The client is a twenty-three (23) year old single Chamorro woman, who is a U.S citizen. Upon entry, client brought her personal vehicle to the shelter which she utilized for

Doc. No. 34GL-18-2362.

transportation. Client was assisted with shelter stay. Client was interested in re-applying for a protective order. Client exited on April 12, 2018 at 9:00pm and it is unknown where the client transitioned to.

Client #2350-2 Client entered the shelter on April 20, 2018 at 2:24pm with her three (3) minor children ages; ten (10), nine (9), and three (3). Client is a thirty (30) year old single Palauan woman who is a U.S. Citizen. Upon entry, client brought her personal vehicle which she utilized for transportation. Prior to entering the shelter, client was working with *Guam Housing and Urban Renewal Authority-Public Housing (GHURA)* and *Salvation Army's Emergency Solutions Grant Program Homelessness Prevention and Rapid Re-Housing Program (ESG-HPRRP)* with assistance in obtaining a *GHURA* unit. Client was interested in applying for a protective order. Client transitioned into a *Guam Housing and Urban Renewal Authority-Public Housing (GHURA)* unit on April 26, 2018 at 2:45pm.

Client #2347-1 Client entered the shelter on April 29, 2018 at 5:45pm. Client is a fifty-three (53) year old divorced Chamorro woman who is a U.S. Citizen. Client was assisted with shelter stay. Client was unsure if she wanted assistance with applying for a protective order. Client exited on April 29, 2018 at 8:00pm. It is unknown where the client transitioned to.

Client #2349-1 Client entered the shelter on April 29, 2018 at 12:56pm with her minor child, four (4) years old. Client is a twenty-six (26) year old single Chamorro woman who is a U.S. Citizen. Client was referred by the Agat Precinct for verbal abuse. Client was picked up at the precinct and brought to the shelter. During the intake process with the client, it was discovered that she was not a victim of any type of abuse, but was in fact homeless. Client was assisted with shelter stay and transportation to *Harmon Loop Dental Clinic*. Client was not interested in applying for a protective order. Client exited the shelter on April 30, 2018 at 5:45pm. Client transitioned to *Guma San Jose (GSJ) 24-Hour Emergency Housing Program.*

Client #2353 Client entered the shelter on October 07, 2017 at 5:33pm with her two (2) minor children, ages; twelve (12) and seventeen (17). Client is a forty-eight (48) year old single Caucasian woman who is a U.S. citizen. Client was assisted with transportation pick-up and drop-off services to and from client's children's school. Client was assisted with transportation services to the *Guam Behavioral Health and Wellness Center (GBHWC)* for client's child's appointment and to the pharmacy to obtain medication. Client was assisted with transportation services to *Bank of Guam, ITC Building,* and *Department of Public Health and Social Services (DPHSS)* to obtain her *Supplemental Nutritional Assistance Program (SNAP)* certification. Client was also was assisted with transportation services to *Payless Supermarket* and *Guam Legal Services (GLS).* Client was assisted with drafting a letter to the *Guam Coalition Against*

Doc. No. 34GL-18-2362.

Sexual Assault and Family Violence (GCASAFV) for financial assistance to leave the island. Client is an active client.

Alee 2 Children's Home

April 2018

For the Month of April, the shelter served a total of twelve (12) children with ages eight (8) months to twelve (12). Of the children, there were eleven (11) Chamorro and one (1) Chuukese. Services provided included personal care, teaching life skills, transportation to school, visitations and various appointments as well as recreational activities.

Currently at the shelter, there are eleven (11) Chamorro minors and one (1) Chuukese minor:

For one set of siblings, a total of nine (9) visits were made for this month and all visitations took place with the grandparents. For the six (6) year old female minor as well as the eight (8) year old male minor, a total of two (2) individual counseling sessions were attended at *I'Famagu'on-ta.* On April 04 and April 27, the six (6) year old female minor as well as the twelve (12) year old male minor had appointments at *Hafa Adai Family Dental Clinic* where dental treatment was given. As per the Child Protective Service Caseworker S. Quinata, temporary housing has been identified. Alee Social Worker was informed that placement will take place for the minors within the next few weeks. Minors entered the shelter January 1, 2017 (485 days).

For one set of siblings, a total of six (6) visitations were made for this month but due to the parents not showing up consecutively, four (4) of the visitations were suspended. As for the four (4) year old female, three (3) visitations had taken place with her biological father. On April 12 and April 26, *Guam Early Intervention Systems (GEIS)* representatives conducted a home visit, for the two (2) year old minor and the eight (8) month old infant, where they assessed their wellness and development. Minors entered the shelter on October 22, 2017 (190 days).

For another set of siblings, a total four (4) overnight visitations were made for this month. All visitations had taken place for the two siblings (7yrs female and 6yrs male) with their biological father. On April 13, an appointment was made at *Guam Behavioral Health and Wellness Center* for the seven (7) year old female minor, where an assessment was conducted by Dr. Ishmael. Minors entered the shelter on October 02, November 22, and March 22 (210/160/39 days).

For the six (6) year old male minor, a total of six (6) visitations were made for this month. Three (3) visitations took place at CPS with his other siblings and the other three (3) visitations took

place with a potential foster family. A total of one (1) counseling session was made for this month, specifically at *IHP* with *Dr. Lily Perez*. On April 17, minor was taken to *American Medical Clinic* where he was given treatment for spitting up blood. The minor entered the shelter on November 21, 2017 (160 days).

- April 27, 2018: Earthquake drill was conducted by Administrative Assistant D. Cruz. Seven (7) clients and two (2) staff (Shelter Workers T. Kitalong and F. Cepeda). Clients were assisted in securing safety within two (2) minutes.

May 2018

For the Month of May, the shelter served a total of seventeen (17) children with ages ranging from nine (9) months to fourteen (14) years. Of the children, sixteen (16) were Chamorro and one (1) Chuukese. Services provided included personal care, teaching life skills, transportation to school, visitations, and various appointments as well as recreational activities.

On May 13, Children's Shelter SW received a phone call from CPS caseworker S. Olkeriil regarding the seven (7) year old female minor and her assessment at *Guam Behavioral Health and Wellness Center (GBHWC).* The minor was assessed and admitted into the *Children's Inpatient Unit* (CIU) on May 14 due to several behavioral incidences at the shelter and at her school. Minor was a patient at CIU until May 29 where she transitioned to her Aunt.

On May 14, Children's Shelter SW received a phone call from CPS caseworker S. Olkeriil regarding the six (6) year old male minor. SW was informed that the minor would be transitioning along with his sister, a patient at GBHWC, to their Aunt.

On May 17, Children's Shelter SW received a phone call from CPS caseworker S. Quinata regarding the nine (9) year old male minor and his assessment at *Guam Behavioral Health and Wellness Center (GBHWC).* The minor was assessed and admitted into the *Children's Inpatient Unit* (CIU) on May 18, due to harming other children at the shelter. Minor was a patient at the CIU until May 23 when he transitioned to his grandmother.

On May 22, Children's Shelter SW received a phone call from CPS in regards to the three (3) minors (8yrs male, 9yrs female, and 10yrs female) at the shelter. SW was informed that the minors would be transitioning out of the shelter and placed back with their mother.

On May 24, Children's Shelter SW was informed by CPS that the four (4) year old female minor would be transitioning out of the shelter and placed with her biological father. On May 25, minor was provided transportation services to the Drop- Off location, where she was met by her father.

Doc. No. 34GL-18-2362.

On May 28, Children's Shelter SW received a phone call from CPS regarding the six (6) yr old male minor at the shelter. SW was informed that the male minor would be transitioning out of the shelter to an aunt.

Currently at the shelter, there are nine (9) children, eight (8) Chamorro Minors and one (1) Chuukese Minor:

For one set of siblings, a total of eight (8) visits were made this month and all visitations took place with the grandparents. For the six (6) year old female minor as well as the 8 (eight) year old male minor, a total of two (2) individual counseling sessions were attended at *I'Famagu'on-ta.* On May 06 and May 16, the six (6) year old female minor had an appointment at *Seventh Day Adventist* where she had a follow-up exam as well as the *FHP Vision Center* where she received an eye exam. As per the CPS Caseworker S. Quinata, temporary housing had been identified but was not successful. Efforts are being made by the CPS caseworker and the grandmother to secure temporary placements while waiting on the voucher for the *Family Unification Program (FUP).* Minors entered the shelter January 1, 2017 (516 days).

For one (1) set of siblings, a total of two (2) visitations were made for this month. All visitations had taken place with their mother at Child Protective Services, under the supervision of a homemaker. On May 07, an appointment was made for the nine (9) month old infant for his wellness check-up. On May 25, an appointment was made for the four (4) year old female and the two (2) year old male for their shots to be updated. On May 15 and May 30, *Guam Early Intervention Systems (GEIS)* representatives conducted a home visit for the two, where they assessed their wellness and development. For the four (4) year old female minor, a total of three (3) visitations were made with her biological father and took place on the weekends. All minors entered the shelter on October 22, 2017 (221 days).

For the two (2) year old male minor, a total two (2) visitations were made for this month. All visitations had taken place with his mother as well as his other siblings at *Guam Behavioral Health and Wellness* Center, under the supervision of a CPS homemaker. Minor entered the shelter on October 02, 2017 (241 days)

For the six (6) year old male minor, an appointment was made with *Express Care* where he had updated his shots. As per CPS Caseworker S. Olkeriil, visitations with the minor and his siblings have halted due to conflict of schedule. The minor entered the shelter on November 21, 2017 (191 days).

Doc. No. 34GL-18-2362.

For another two (2) year old male minor, an appointment was on May 23 made to *Project Karinu*, specifically JoBeth Aquino, where an assessment was conducted to determine his emotional and physical needs. Minor entered the shelter on March 29, 2018 (63 days)

June 2018

For the Month of June, the shelter served a total of fourteen (14) children with ages ranging from one (1) week-old to twelve (12). Of the children, there were twelve (12) Chamorro and two (2) Chuukese. Services provided included personal care, teaching life skills, transportation to school, visitations and various appointments as well as recreational activities.

On June 25, Children Shelter SW received a phone call from CPS caseworker S. Quinata regarding the six (6) year old female minor and her twelve (12) year old brother. SW was informed that both minors would not be returning from their overnight visit and will transition to their grandmother. As per CPS caseworker, grandmother was able to secure temporary housing while waiting on the voucher for the *Family Unification Program (FUP).*

On June 28, Children Shelter SW received a phone call from CPS in regards to the four (4) week- old female infant at the shelter. SW was informed that the infant would be transitioning out of the shelter and into a foster home. On June 29, CPS Social Worker G. Iwashita and T. Rockhudson arrived at the shelter to transition the infant into a foster home. Infant entered the shelter on June 11, 2018. (11 days)

Currently at the shelter, there are nine (9) Chamorro Minors and two (2) Chuukese Minors:

For one set of siblings, a total of three (3) visitations were made for this month. All visitations had taken place with their father at Child Protective Services, under the supervision of a homemaker. On June 18 and 28, *Guam Early Intervention Systems (GEIS)* representatives conducted a home visit for the 2-year old and the 10-month old infant, where they assessed their wellness and development. For the two (2) year old male minor, a total eleven (11) visitations were made for this month. All visitations had taken place with his mother as well as his other siblings at Child Protective Services and Barrigada Park, under the supervision of a homemaker. Minors entered the shelter on October 02, 2017 (241 days)

For another set of siblings, a total of four (4) visitations were made for this month. All visitations had taken place with their mother and father at Child Protective Services, under the supervision of a homemaker. On June 14, both minors had an appointment at *American Medical Center* where they saw *Dr. Del Rosario* for a check-up and to update their shots. On June 18, the three (3) year male minor had an appointment at *Chief Brodie Memorial Elementary School,* where he

Doc. No. 34GL-18-2362.

saw an audiologist for an assessment. Both minors entered the shelter on May 31, 2018 (31 days).

For the two (2) year old male minor, no appointments or visitations took place this month. Minor entered the shelter on March 29, 2018 (93 days).

For one set of siblings, appointments or visitations have yet to be established. Minors (9yrs, 7yrs & 5yrs) entered the shelter on June 27, 2018 (3 days).

For the six (6) year old male minor, there have been no visitations or appointments for the month of June. Minor entered the shelter on November 21, 2017 (221 days).

For ten (10) year old male minor, appointments or visitations have yet to be established. Minor entered the shelter on June 29, 2018 (1 day).
