MEMORANDUM

To: Governor of Guam

From: Chief Procurement Officer
General Services Agency

Subject: Request for Emergency Procurement

Please find attached a memorandum from the Director of the Department of Corrections requesting for an emergency procurement to provide food services for the inmates and detainees at the Department of Corrections and the Hagatna Facility. As the Department is required to provide basic food services to the inmates and detainees under its jurisdiction, a failure to do would cause a violation of their civil rights and may lead the government back into another federal receivership.

The Department of Corrections has submitted a request for a new bid, which is still being reviewed by the Office of the Attorney General before public notice and action. This emergency will be effectuated October 1st, 2018 for a period up to ninety (90) days, in thirty (30) day period. The procurement of these services through an Emergency Procurement under 5 G.C.A. § 5215 is necessary in order to avert a threat to the health, welfare and safety of the inmates/detainees.

Based upon the facts provided by the Department, I, CLAUDIA S. ACFALLE, Chief Procurement Officer for the General Services Agency do certify under penalty of perjury, that a certificate of emergency is not being used solely for the purpose of avoidance of the provisions of Title 5, Guam Code Annotated, Chapter 5, the Guam Procurement law.
