RELATIVE TO EXTENDING EXECUTIVE ORDER 2018-14 AND CONTINUING STATE OF EMERGENCY AND THE ISLAND-WIDE RECOVERY FROM TYPHOON MANGKHUT

WHEREAS, pursuant to Executive Order No. 2018-12 a State of Emergency was declared for Guam in anticipation of Typhoon Mangkhut; and

WHEREAS, pursuant to Executive Order No. 2018-14, a Declaration of Disaster was made in order in order to facilitate the typhoon response and recovery process; and

WHEREAS, on September 14, 2018, Public Law 34-124 was enacted to appropriate funds for expenses related to civil defense, public safety or health emergencies, or farmers' crop damages resulting from Typhoon Mangkhut; and

WHEREAS, preliminary assessments of Typhoon Mangkhut amounted to an estimated $4.3 million in public infrastructure damage and repair costs; and

WHEREAS, although much progress and recovery has been made over the last four weeks, emergency conditions that have not fully abated continue to exist and adversely affect island residents, including a number of displaced citizens whose homes were destroyed by Typhoon Mangkhut and who are currently in limited term temporary housing while they undertake the process of rebuilding or finding a permanent housing solution; and

Doc. No. 34GL-18-2431.

WHEREAS, the Department of Agriculture continues to process claims by island farmers for damages suffered by destroyed crops, some of which took years to grow; and

WHEREAS, an emergency exists that warrants extension of Executive Order No. 2018-12 and Executive Order No. 2018-14 in order to address ongoing conditions and the need for continued services to Guam citizens who suffered damages or displacement as a direct result of Typhoon Mangkhut.

NOW, THEREFORE, I, EDDIE BAZA CALVO, Governor of Guam, by the authority vested in me by the Organic Act and laws of Guam, do hereby order and direct as follows:
