The Honorable Therese Terlaje
Speaker
34th Guam Legislature
Guam Congress Building
163 Chalan Santo Papa
Hagatna, Guam 96910

Dear Speaker Terlaje:

On behalf of members of the Guam Federation of Teachers, AFT Local 1581 – AFLCIO, and all Government of Guam employees, I am submitting 630 petition signatures urging the Guam Legislature to fix the FY2018-19 Budget Bill 323-34 that was lapsed into law (PL 34-116) by lifting the freeze on increments and reclassification.

The freeze on increments and reclassification places more financial burden on government workers that already earn below their respective pay grade when compared to the national average. The nefarious intent to balance the budget on the backs of the lowest paid employees in the nation is beyond dubious. With rising taxes and inflation, the wages of the lowest in the nation do not keep up without the increments and reclassification.

I urge you and the rest of the 34th Guam Legislature to act in the best interest of government workers and their families and fix Bill 323-34 now PL 34-116.

Sincerely,

Sanjay Sharma
GFT President
