RE: INSURANCE ANNUAL REPORT FOR YEAR 2017

Dear Vice Speaker,

The Fifty-Ninth (59th) Annual Insurance Report of the Banking & Insurance Commissioner is hereby respectfully submitted to the provisions of the Title 11 of the Guam Code Annotated 103114.

The statistical information presented in the report has been compiled from the 2017 Annual Statements filed with this office.

Sincerely,

JOHN P. CAMACHO
Acting Banking & Insurance Commissioner

Year 2017

FIFTY-NINTH (59th)

ANNUAL REPORT

Of The

INSURANCE COMMISSIONER

Doc. No. 34GL-18-2613.

FIFTY-NINTH (59th)

ANNUAL REPORT

Of the Insurance Commissioner

The Fifty-ninth (59th) Annual Report of the Banking and Insurance Commissioner is hereby submitted pursuant to the provisions of 11 Guam Code Annotated §103114.

On May 17, 2011, Artemio B. Ilagan was appointed the Commissioner of Banking and Insurance. The members of the Board during 2017 are as follows:

No	*Name of Board Member*	*No. of years*	*Term of Office*
1	Raymond Schnabel	6	05/16/13 – 05/05/2019
2	Danilo Rapadas	6	05/05/16 – 05/05/2022
3	Elizabeth Fisher	6	05/06/16 – 05/05/2022
4	Edelfrida A. Ada	6	05/06/13 - 05/05/2019
5	William W. Cassidy	6	03/15/15 - 03/15/2021
6	Katherine B. Kakigi	6	03/15/15 - 03/15/2021

The statistical information presented in this report has been compiled from the 2017 Annual Statements filed with this office. The report also contains a directory of licensed Insurance companies arranged by class and selected industry characteristic, covering calendar year 2017.

The Regulatory Division of the Department of Revenue and Taxation, under the supervision of the Commissioner, regulated two hundred fifty-seven (257) insurers transacting insurance business in Guam. Among the two hundred fifty-seven (257) insurers are: two hundred twenty-three (223) foreign companies, seventeen (17) alien insurance companies, and seventeen (17) domestic companies.

Of the two hundred fifty-seven (257) companies, ninety-six (96) are engaged in providing coverage for property and casualty lines, one hundred four (104) in life, seven (7) in title guaranty, three (3) in captive insurance, fifteen (15) in fidelity and surety and sixteen (32) in approved reinsurance.

There were five (5) insurance companies admitted in 2017:

Name of Insurance Company	*Admission Date*
Starr Indemnity & Liability Company	02/21/17
NASW Risk Retention Group, Inc.	03/01/17
Nationwide Mutual Insurance Company	07/17/17
Nebraska Life Assurance Company	08/25/17
Securian Life Insurance Company	09/12/17

There were two (2) insurance companies withdrawn in 2017:

Name of Insurance Company	*Withdrawal Date*
Ticor Title Insurance Company	02/16/17
Terrace Guam Limited	05/08/17

The assets of these companies were at **$2.3 trillion**. All insurers admitted to Guam maintain deposits with this Department at **$13.3 million** for the protection of policies sold in Guam.

There are seventeen (17) domestic companies in the year 2017 with **$5.1 billion** in assets, **$39 million** in capital and **$370 million** in surplus.

There are thirty-two (32) approved reinsurance companies in the year 2017 with **$384 billion** in assets, **$15.7 billion** in capital and **$66 billion** in surplus.

Some of the model laws that we recommend to be adopted are as follows:

Model Law and Regulations	*Purpose*
Standard Valuation Law	Provides actuarial standards for setting reserves for life & health policies.
Credit for Reinsurance Law	Protects the insured and ceding insurers
Insurance Holding Company Act	Requires insurance companies that are within the holding company system to maintain a required level of capital and surplus before dividends can be declared and paid.

Market Conduct Regulation Law	Requires insurance companies to be in compliance with laws and regulations other than those related to financial solvency. Market regulation complements financial solvency regulation. Problems spotted during a market conduct review can be a precursor to financial solvency concerns. Market regulation also evaluates companies' fulfillment of contractual obligations to their policyholders and claimants.
Producer Licensing Model Act	Requires qualifications and procedures for the licensing of insurance producers. It simplifies and organizes some statutory language to improve efficiency, permits the use of new technology and reduces costs associated with issuing and renewing insurance licenses.

We firmly believe that the above listed model laws and regulations are the bare minimum that must be adopted in order to protect the consumers in Guam.
