- ❖ December 27, 2018: Dwain Sanchez and Evonnie Hocog Program Coordinators with the Governor's Community Outreach Federal Programs conducted annual monitoring for sub grantees of The Department of Justice Office of Violence Against Women STOP Formula Grant Program.
- ❖ December 28, 2018: Melissa San Nicolas of the Department of Public Health and Social Service Bureau of Social Service Administration conducted quarterly monitoring of the shelter. Concerns were brought up about floors in the common areas. Ms. San Nicolas is requiring the floors to be stripped and waxed. Administrative Assistant D. Cruz is working with CSS Support Staff to schedule a day for the work to be completed. Ms. San Nicolas is also requiring CSS to make cosmetic repairs to the inside of the ceiling in the common areas where water seeps in from cracks in the roof. Once again, the building is owned by the Government of Guam and the onus of repairs is on the government. Repairs as suggested have been done in the past and have proven not to have a long lasting effect. Leaks start up again quickly and ceiling tiles continue to be damaged.

Maintenance Issues and Work Completed:

October 2018

- October 1, 2018: Yard maintenance was completed.
- October 1, 2018: Support Services replaced five (5) ceiling tiles in common area and replaced light bulb in Room 10.
- October 4, 2018: SecureSafe completed an assessment of the camera CCTV system. Work was supposed to have been completed on October 30, 2018 but did not happen. Next available schedule is not until December 6, 2018. AA is working with G4S to see if they are able to do the repair work.
- October 11, 2018: Support Services repaired shower in Room 10's bathroom.

- ❖ Typhoon Yutu: Alee 1 experienced leaking from the crack in the ceiling in the common area. No other issues reported. Water and power remained on throughout the storm.

November 2018

- November 5, 2018: Yard maintenance was completed.
- November 6, 2018: Camera System was completed by SecureSafe.
- November 16, 2018: Yard maintenance was completed.

- ❖ Typhoon Manyi: No issues from the storm were reported. Water and power remained on throughout the storm. Leaks in the common areas coming from the cracks in the ceiling. This issue has been reported to DPHSS and we are still awaiting action from the Department.

December 2018

- December 12, 2018: Support staff trimmed trees.
- December 17, 2018: Support staff T. Aflague and H. Chamberlain assessed kitchen sink cabinets for repair.
- December 17, 2018: Support staff T. Aflague and H. Chamberlain assessed kitchen water heater and suggested bringing a plumber in to assess. Barrett Plumbing is scheduled for January 3, 2019.
- December 26, 2018: Yard maintenance was completed.
- Water damage continues to occur on common area ceiling tiles due to water seeping in from cracks in roof. Landlord (The Department of Public Health and Social Service) has been informed and we are still awaiting action.
