DIPÅTTAMENTON I KAOHAO GUINAHAN CHAMORRO
Department of Chamorro Affairs
Minutes for Board of Trustees – Regular Meeting
Guam Museum Board Room
Tuesday, November 20, 2018 @ 2pm

I. CALL TO ORDER

There being a quorum, the regular meeting of the Board of Trustees was called to order at 2:15 p.m., Tuesday, November 20, 2018 by Chairman J. McDonald.

DCA has met the requirements to provide notice of its regular board meeting.

II. ROLL CALL OF MEMBERS

Present at the meeting were:

Joe McDonald, Chairman
Leonard Iriarte, Vice Chairman
Maria Vilante, Secretary
Dina Hernandez, Member
Vicente Meno, Member
Francisco Lizama, Member

Others Present:

Johnny Sablan, DCA President
Marilyn Reyes, Administrative Officer
Bonnie Tenorio, Secretary

Absent members were Beatrice Limtiaco and Darlene Taitano.

III. APPROVAL OF MINUTES

November 20, 2018 - Regular Board Meeting: Member V. Meno asked for a recap on the Galaide Group Contract with the Guam Museum. The Governor had extended their contract until December 31, 2018. On January 1, 2019, the Department of Chamorro Affairs will be taking over management. DCA can also negotiate a contract to assist until such time when new management makes the call to renew the contract with Galaide or to let DCA manage the Museum. By December

Member V. Meno made a motion to approve the minutes of the regular board meeting held on November 20, 2018 with subject to correction. The motion was seconded by Vice Chairman L. Iriarte and was unanimously passed.

President's Report: Mr. Sablan wanted to mention that Ernst & Young reported a clean audit for FY 2017. The only area of concern they may have is with the Guam Museum financials, which may be worked out with the operator. Siñot wanted to thank the board to make some very difficult challenges. And DCA Administrative Officer, Mrs. Marilyn Reyes for making sure that the department is in the clear -About $50,000.00 in the positive. The Chamorro Village still faces some challenges. Mr. Jeffrey San Nicolas, former CV Manager is no longer with the Chamorro Village as the General Manager. He has moved on to another agency. However, Ms. Jennifer Paulino has gone through the hiring process in filling Mr. Jerry Marquez's position as the Program Coordinator I. Ms. Paulino is now basically acting as Supervisor/Management of the staff over at the Chamorro Village.

Vendors still owe at least about (3-6) months in rent. DCA has sent out letters saying that we need to settle these payments or vendors will face some challenges with the new administration. We have approximately $25,000 of accounts receivables and we are still collecting about $30,000 in water bills; to include one vendor with a water bill of $9,000 and continues to challenge The Chamorro Village. We will also need to finalize a better system on how to collect these receivables. If these vendors don't make payment arrangements, they will have to move out.

Member V. Meno brought up some concerns that he would like to be addressed to include cigarette butts along the entrance of the Chamorro Village, pets in the area which should not be the area because there is food around. Also, there are people that ride their bikes around the Chamorro Village and it is not proper. Member F. Cruz added that there should be a "No Double Parking" sign at the Co-Op sign. There was a situation where a person double parked in an area and the individual left the car on and unattended to. Member V. Meno made a suggestion that to enforce these laws and rules to have signage on the items that are prohibited in the Chamorro Village.

DCA has been tasked to put up Christmas lights from the Museum, Skinner Plaza, the Chamorro Village, FestPac Huts and the Chief Quipuha Circle beginning in December until January 6, 2018.

The Cultural Repository Office Space we are proceeding forward with the move out of Terlaje Building on November 30, 2018. Initially, Mr. Flores had signed the Intent to give to us the donation. We had the Chamorro Village Laborer personnel and the parolees to assist us in gutting out the 3rd floor being that we accepted the space as is. Carpets were removed and all other items that needed to be replaced. We had also

found a cheaper contractor that is going to install commercial grade tiles. The rest of the funding will now come from BBMR for the Air Conditioning unit that will take up the entire 3rd floor. By the end of this weekend, we will be ready to move in with the exception of the aircon. DCA submitted a letter to BBMR to request to reprogram the funding from the building rental into contractual. Once BBMR moves the money, then Mrs. Reyes can cut a requisition and once the requisition is encumbered, the President can call GSA to expedite. Mrs. Reyes had budgeted for the remains to stay at the DNA building until the end of December until the air condition unit is up and running at the Flores building, the remains can be moved then. An estimate of about $30,000 to include the cleaning was sub CAHA will be at the building, the Administrator and HRRA will also be there. The human remains at the DNA building will also be moved into the Flores Building starting December. The area is only temporary because SHPO and DPR has already started on the architectural design for the Naftan Mainainata which will be completed in about a year or less over at the Saggan Kottura area. This means that we will be out of the DNA building by the end of December and DCA will not be paying return beginning January 1st.

There is funding for the rental, however we are asking BBMR to reprogram the remaining balance of the rental to use for the Cultural Repository such as maintenance for the air condition units, cleaning, etc.

In order for DCA to continue to manage rather than hiring an operator again, we need the Museum Curators as we requested, however the funding was taken away but the position was kept open. Maybe not in FY 2019, FY 2020. However, if DCA is going to manage, DCA can contract the Curators and other personnel to run the Museum.

Member F. Lizama asked if the board members are going to see the architectural designs for Naftan Mainainata, however because we are not the authorized signator or reviewing committee, Sinot Sablan can probably

Ratify the donation and lease agreement from Mr. Philip Flores. Ms.Dina Hernandez made a motion to ratify the donation and lease agreement of Mr. Philip Flores. Member F. Lizama seconded the motion. All members were in favor.

Member F. Lizama asked if there will be a display for sale under CAHA. At this time, CAHA can do community outreaches at places such as the shopping centers or the Museum, Chamorro Village huts, etc.

Member V. Meno made a motion for the Guam Museum to fly the words "Merry Christmas" or Magof Nochibuena" or "Felis Pasgua" on the flag that they will fly to ensure that the children and that the people of Guam will be happy and this is what we are celebrating in the month of December and

to maintain our culture and tradition. Member D. Hernandez seconded the motion. All members were in favor.

The inventory for the decorations is being prepared and will be provided to DCA and CAHA for the Christmas tree lighting. The decorations are being donated by the Government House.

Member V. Meno made a motion to adjourned at Member D. Hernandez seconded the motion. Meeting was adjourned at 2:56 p.m.

Subject: Work Request on the Renovation of the 3rd Floor Office Space in the Angela Flores Building, 247 Martyr Street, City of Hagatna

Hafa Adai!

Per your memo dated October 10, 2018, DPW-CIP Design and Analysis Section conducted a study and site inspection for a design-built project to renovate the third (3rd) Floor of the Angela Flores building for cultural repository storage and office space.

Attached is our cost estimate and proposed scope of work for your review and approval. Unfortunately, we cannot lend you much help regarding your pending move from the Terlaje Building and DNA Building on November 15, 2018. The process of bidding out and awarding the project will take about two months because the contract has to reviewed by the AG's Office. We cannot use Purchase Order (PO) because the project is more than $100,000. The construction time is estimated to be 60 calendar days.

We will proceed with the bidding of the project once we receive notice that you have acquired the necessary funding.

Should you have any questions or need more information, please contact Max C. Manzano, P.E., Chief Engineer, at 486-3095 or Arce O. Fontbuena, Engineer II, at 646-3117.

REPORT ON MUSEUM OPERATIONS FOR NOVEMBER 2018

TO THE DEPARTMENT OF CHAMORU AFFAIRS

DECEMBER 16, 2018

SUBMITTED BY THE GALAIDE GROUP, LLC

Doc. No. 35GL-19-0131.*

REPORT SUMMARY

Senator Antonio M. Palomo
GUAM MUSEUM
Chamorro Educational Facility

- This report covers November 2018 and reflects visitor numbers, revenues generated and events during this month.
- A total of 1,579 people visited the Museum during November 2018, up from 1,558 in October.
- November 2018 admissions gross revenue was $10,803.00, down from $11,127.00 in October, while events, sales and retail revenues were $21,808.16, up from $18,704.51 the previous month.
- Guam Museum social media posts reached 68,021 Facebook users, up from 50, 372 in October.
- The Museum overall was busy with many scheduled events, including Bank of Guam's Teen Life Expo, University of Guam's PMBA Mixer and the GMFI Holiday Gift Fair. Marketing efforts are still largely in a holding pattern pending approval of the AAL proposed rates, but the Museum is working with local tour agents to increase foot traffic to the Museum. Repairs to the flooring and roof also have not yet been executed, pending final approval to move forward.

Doc. No. 35GL-19-0131. *

CONTRACT AND AAL CONCERNS

Senator Antonio M. Palomo
GUAM MUSEUM
Chamorro Educational Facility

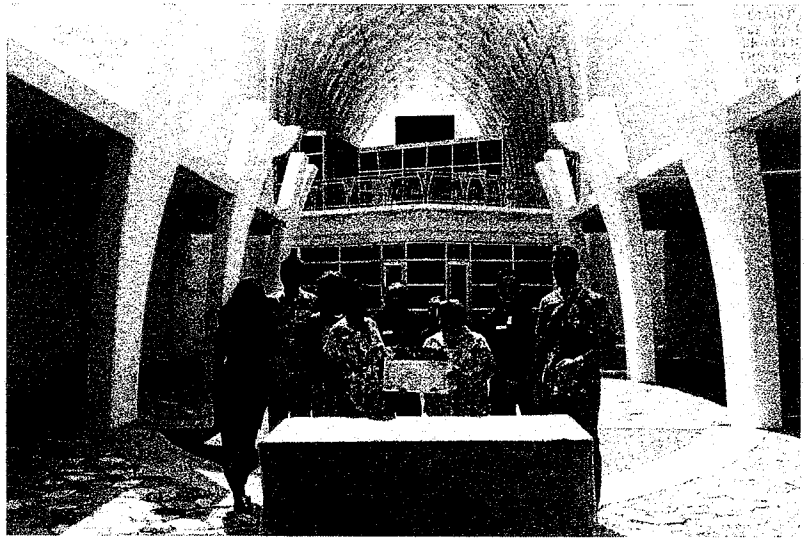

- For the month of November 2018, Galaide Group was still working under a contract extension slated to end December 31, 2018. Because Galaide had not received formal word from DCA on future extensions or negotiations, operations continued normally and event reservations for 2019 were plugged into the events calendar. However, Galaide will prepare to demobilize operations should no extension be granted at the end of the year.
- As stated in prior reports, Galaide awaits word from DCA on the current status of the Administrative Adjudication Law (AAL) process. It is imperative the process be completed as soon as possible because: 1) contracts need to be executed with tour agents for future tour package business and 2) contracts need to be signed now for travelers coming anywhere from 3 months to a year from now. Each day that passes is a lost opportunity to secure sales.
- Galaide is ready to address any questions, concerns or changes that need to be made to clarify proposed rates for the AAL so the process can resume.

MARKETING AND SALES ACTIVITIES

Senator Antonio M. Palomo
GUAM MUSEUM
Chamorro Educational Facility

- The absence of approved admission fees and marketing budget continue to affect visitor traffic to the Guam Museum. However, Museum staff continue to conduct meetings with local tour operators to discuss potential travel campaigns directed more to the Korean market, while AAL approval of the Museum's proposed rates is pending.
- Museum marketing, in particular, has been working with local tour company HIS to develop a promotional campaign to draw more visitors to the Museum with gift packages and discount incentives.
- The Museum continues to use electronic email campaigns, local media outreach and venue rentals to increase awareness throughout the local community and local tour operators of the Museum's offerings, events and activities.

Doc. No. 35GL-19-0131. *

MARKETING AND SALES ACTIVITIES

Senator Antonio M. Palomo
GUAM MUSEUM
Chamorro Educational Facility

- Solicitation for use of Museum grounds for photo shoots to produce FY2019-20 travel industry collateral materials, print publications and other media were received from GVB, Euro Press, Hana Tours, Rakuten, Leo Palace Resort, Leap Corporation and Mapple travel site. The Museum accommodated these requests to ensure positive exposure to foreign visitor markets.
- **Events and Guided Tours**:
  - Facility walk-thrus decreased significantly compared to October. However, events continued to be scheduled for the last quarter of 2018 and first quarter of 2019.
  - Reservations for group tours from local and foreign organizations and schools increased in November. Of a dozen Museum calendar reservations, over 600 students and adults experienced the *B(reef)ly Ours* and *I Hinanao-ta* exhibitions.

Doc. No. 35GL-19-0131.*

PERMANENT EXHIBITION UPDATE

Senator Antonio M. Palomo
GUAM MUSEUM
Chamorro Educational Facility

- There are still some elements of the *I Hinanao-ta* exhibition that are yet to be completed or submitted to the Museum/CAHA by the commissioned artists, particularly TASI. The deadline for all items was set by CAHA to September 30, 2018.
- No repair work, particularly on the hanging *sakman* model, has been done in the permanent exhibition. We are still awaiting further instructions from CAHA/DCA about moving forward to complete the exhibition and mitigate potential condition issues within the exhibition.
- Since the Museum continues to undergo the Administrative Adjudication Law Process, original rental fees and admission rates remain in place, but donations equal to the proposed retail admission rates are requested and encouraged.

Doc. No. 35GL-19-0131.*

FACILITIES MAINTENANCE CONCERNS

Senator Antonio M. Palomo
GUAM MUSEUM
Chamorro Educational Facility

- Ongoing facilities issues include:
  - Flooring replacement in Multi-Purpose room and Changing Exhibition Gallery
  - Leaking windows and paint degradation on roof of arch (paint bubbling and fading)
  - Wall cracks in indoor theater, and ladies' toilet on first floor
  - Wall and beam cracks in lobby area
  - Grass diamonds in the courtyard are saturated due to the recent rains and poor drainage.
  - Electrical fluctuations continue to impact the elevator in the main lobby, causing it to shutdown or stop the doors from closing.
- General maintenance work is ongoing, while repair work for these larger issues is pending final approval from DCA to move forward.

Doc. No. 35GL-19-0131.*

NOVEMBER HIGHLIGHTS

Senator Antonio M. Palomo
GUAM MUSEUM
Chamorro Educational Facility

- "B(reef)ly Ours: Guam's Changing Coral Reef Ecosystems," continues its run in the changing exhibition gallery. The exhibition, which looks at and celebrates the importance of Guam's coral reefs to the ecology, economy, history and culture of our island, is the culmination of the Guam Year of the Reef 2018 activities. The exhibition is open until February 2019.

- Ha'anen Familia featured biologists, foresters and other volunteers with the Department of Agriculture who showcased an event for young people to learn about ecological conservation. A touch tank of reef creatures, as well as a brown tree snake, pop-up displays and a virtual reality experience were all part of this presentation done in conjunction with the "B(reef)ly Ours" exhibition.

- November's HITA featured Peter Houk and David Burdick from the University of Guam Marine Lab and contributors to the "B(reef)ly Ours" exhibition who spoke about the future of Guam's coral reef ecosystems and expected impacts due to climate change and human activity.

Doc. No. 35GL-19-0131.*

NOVEMBER HIGHLIGHTS

Senator Antonio M. Palomo
GUAM MUSEUM
Chamorro Educational Facility

- On November 4th, the Guam Museum and Chamorro Educational Facility celebrated its 2nd Anniversary since the opening of the new building and the inaugural exhibition, "*I Haleta*: Our Roots." As part of the celebration, a special slide show was set up in the lobby to recount the history of the Guam Museum, the construction of the facility and our activities since opening.
- Also on November 4th, the Guam Museum formally signed the Hafa Adai pledge, a public awareness campaign that encourages businesses, organizations and other entities to promote CHamoru culture and language. The Museum pledged, among other things, to greet all visitors with a warm "Hafa Adai;" to support local arts, artists and cultural producers; and to encourage recycling in our facility.
- On November 2nd, Nicola Mapelli and Katherine Aigner from the Vatican's Ethnological Museum visited the Guam Museum a second time (since their earlier visit in October), to learn more about artifacts in their collections from Guam and Micronesia. They conferred with local scholars Dr. Don Rubinstein (UOG-MARC), Dr. Judy Flores and Fr. Fran Hezel, SJ.

NOVEMBER HIGHLIGHTS

Senator Antonio M. Palomo
GUAM MUSEUM
Chamorro Educational Facility

- Because of the end of the current administration, the Museum, Skinner Plaza, Chamorro Village and Paseo Loop were decorated as key sites for the Peace Festival, which is usually hosted up at Government House. The Museum installed its own in-house decorations, while outside decorations were coordinated by DCA with Adztec Co.

- Two large-scale events were held at the Museum including the Bank of Guam Teen Life Expo which was held on November 10th on the entire Museum grounds. The Expo was organized for thousands of teens to learn about various opportunities and services to help them meet their potential. Additionally, the Guam Museum Foundation's Holiday Gift Fair was held in the Museum lobby and arcade on November 17th. Hundreds attended the event which featured over 50 vendors and food trucks and generated revenues for Museum admissions, retail and café.

- Two workshops, Cultivating Change and the Marianas Terrestrial Conservation Conference, were held on November 3rd and November 14th, respectively.

Doc. No. 35GL-19-0131. *

NOVEMBER HIGHLIGHTS

Senator Antonio M. Palomo
GUAM MUSEUM
Chamorro Educational Facility

- The Guam Museum entertained several requests to use the facility for photo shoots and television commercial spots by local and international media that produce materials for the various Asian markets. These included GVB, Euro Press, Hana Tours, Rakuten, Leo Palace Resort, Leap Corporation and Mapple.

- The Guam Museum continued its outreach with the Department of Education and the DOE Office of Curriculum & Instruction, this time meeting with DOE librarians during their monthly gathering in Tiyan on November 19th. The presentation highlighted the Museum's services and educational opportunities for teachers and students and encouraged fieldtrips to the Museum.

- The Guam Museum hired three bilingual attendants—two Japanese speakers (Hajime Mubas and Shawn Capil), and one Korean speaker (James Avermann). The Museum also is currently working with Caroline Rehebong from the Guam Community College's Work Experience Program to assist with the Museum retail until January 2019.

Resolution

To: Department of Chamorro Affairs President Johnny G. Sablan

Håfa Adai yan Saludu. Not very many people will understand or feel the responsibility and obligation you shoulder as a director. You wore eight hats and successfully lead and ran the Government of Guam agencies and divisions.

Yet, you reminded me of an aircraft carrier admiral having the insignia of four stars but you gracefully accepted the job!

For this very reason, it prompted me to write this letter as my appreciation to thank you from the bottom of my heart – for you have done a fine job!

Again, Si Yu'os Ma'ase!
