Profile

Upon returning home to Guam from San Francisco in 1979 at the request of his father, Ambrosio T. Shimizu, Paul began immediately working at the family company, Ambros, Inc. Over the next few years, while assisting in various roles from warehouse operations to sales and account management, Paul quickly built a strong understanding of the business and its customers. In April 1982 Ambros Inc., held its first islandwide promotional concert showcasing famous San Francisco Bay Area blues artist Elvin Bishop at Paseo Stadium. This effort generated a new division, SHIMBROS Audio/Productions, a sound reinforcement company to support its many live entertainment promotions.

SHIMBROS has produced hundreds of events ranging from small club acts to major concerts, and from small business meetings to international conventions. Of particular note are the concert productions spanning the 11-year period between 1982 and 1993. Resources, relationships, and one of the finest crews were developed during this time, setting the foundation for the years to follow. Artists and events from that time period include: numerous Liberation Day productions, GMIF productions/concerts, Japan Festival, 1998 Micronesian Island Fair (sponsored by GVB, Continental Micronesia, and AK), FestPac, Relay for Life, Island Visit of President Bill Clinton, Blue Angels Air Show, Make-A-Wish, Philippine Basketball Association (PBA), Santana, UB40, 3 Doors Down, Doobie Brothers, Maxi Priest, and the Stylistics to name a few.

Balancing commitments between Ambros, Inc. operations and SHIMBROS' growth necessitated a strategic pivot in 2015 wherein SHIMBROS now focuses solely on key productions on an ad-hoc basis. Paul is currently focused on working with Ambros' current management team to build out new products and distributorships in Oceania – travelling frequently overseas. He remains also actively involved in the community through work with the Archdiocese of Agana, in addition to village and school events as time permits.
