RE: Resignation from the Guam Workers' Compensation Commission and Guam Medical Society replacement

Dear Director Dell'Isola:

Buenas yan hafa adai!

I have served as the Guam Medical Society representative to the Guam Workers' Compensation Commission since 2016, and I am appreciative of the opportunity to have served our community in this capacity.

Recently, the Commission has ramped up its activity, requiring more frequent meetings of the Commission members. Unfortunately, because of work committments, I have been off-island during many of the meetings, and my off-island work-related assignments will continue for most of this year.

Having served for almost three years, the time has come for a replacement from the Guam Medical Society. I am also concerned that my frequent work-related travel may impact the requirement of a quorum for Commission meetings.

Therefore, I am respectfully resigning from the Commission effective immediately. I am copying the current President of the Guam Medical Society, Dr. Edward Blounts, on this letter, as he has identified a number of potential replacements for the Commission, to represent the Society.

Thank you for the opportunity to have served on the Commission.

With best regards,

Dr. Annette M. David
