Dear Madam Speaker:

After careful consideration, I have signed Bill 32-35 as **Public Law 35-5**.

Over the past few days, I have had the privilege of listening to our community voice both concerns and support for this legislation. Late last week, I hosted groups who needed a venue to be heard. There, I was able to listen to the individual perspectives on how cannabis can and has impacted each person's life. The time spent truly influenced my consideration, more so than any article, journal, or statistical report that I have read in preparing for this decision.

There is no doubt that drug addiction is a real problem that plagues our island. Since the 1970s, we have participated in the "War on Drugs" in an effort to eradicate controlled substances from our community. Unfortunately, that method has done little other than to drive the black market further underground, all the while continuing to tighten its grip on our island. This law provides a more productive approach. It allows the government to regulate and insert controls so that adults

can consume cannabis products safely. More importantly, the law strengthens and finances our efforts to provide preventative education and effective treatments.

Employers, including the Government of Guam, will still require employees to abide by Drug-Free Workplace policies. To avoid any confusion, I have also issued Executive Order #2019-11, solidifying that the Government of Guam Drug Free Workplace Policy continues to prohibit the use of cannabis. Government employees, while acting in their official capacities, may not possess, consume or otherwise be under the influence of any derivation of cannabis.

Our youth shall not and will not be allowed to access cannabis. Those who provide access to anyone under the age of 21 shall be penalized. Our courts will continue to restrict persons on conditions of release, probation, and parole supervision from possession and use of cannabis. Only law-abiding adults – who already must make responsible decisions on whether or not to consume alcohol or tobacco products – will be afforded another choice: whether or not to consume cannabis products.

P.L. 35-5 is far from the perfect piece of legislation. Understanding that, my Administration is dedicated to not only fulfilling all of the requirements to regulate the cannabis industry, but also to actively work with this Legislature to ensure that the body of law surrounding safe adult consumption of cannabis remains current and relevant for our island. *Si Yu'os Ma'ase!*

Senseremente,

Lou Leon Guerrero

AN ACT TO *ADD* A NEW CHAPTER 8 TO TITLE 11, GUAM CODE ANNOTATED, RELATIVE TO REGULATING THE USE, PRODUCTION, SALE, AND TAXATION OF CANNABIS, TO BE KNOWN AS THE "*GUAM CANNABIS INDUSTRY ACT OF 2019*"; TO *ADD* A NEW CHAPTER 9 TO TITLE 11, GUAM CODE ANNOTATED, RELATIVE TO CREATING THE CANNABIS CONTROL BOARD; TO *REPEAL* §§ (c)(23) AND (c)(31) OF APPENDIX A, CHAPTER 67, TITLE 9, GUAM CODE ANNOTATED, RELATIVE TO DECLASSIFYING MARIJUANA AS A SCHEDULE I CONTROLLED SUBSTANCE; TO *AMEND* §§ 67.401.2(b), 67.401.4(f), (h), AND (j), 67.401.5, 67.401.6, 67.411(b) AND 67.412(a), AND *REPEAL* § 67.401.4(k), ALL OF ARTICLE 4, CHAPTER 67, TITLE 9, GUAM CODE ANNOTATED, RELATIVE TO REFERENCES TO MARIJUANA IN THE GUAM UNIFORM CONTROLLED SUBSTANCES ACT; AND TO *ADD* A NEW § 70.44.4 TO ARTICLE 1 AND *AMEND* § 70.53 OF ARTICLE 3, BOTH OF CHAPTER 70, TITLE 9, GUAM CODE ANNOTATED, RELATIVE TO PROHIBITING THE POSSESSION OF CANNABIS AND THE INTOXIFICATION OF PERSONS UNDER TWENTY-ONE (21) YEARS OF AGE.

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative Findings and Intent. *I Liheslaturan Guåhan* finds that in the interest of enhancing revenue for public purposes with the creation of a new industry, enhancing individual freedom, and promoting the efficient use of law enforcement resources, the use of cannabis should be legal for persons twenty-one (21) years of age or older, and the production and sale of cannabis should be regulated for public health, welfare, safety, and taxation purposes.

It is the intent of *I Liheslaturan Guåhan* that the use, sale, and production of cannabis should be regulated so that:

(a) individuals will have to show proof of age before purchasing cannabis;

(b) selling, distributing, or transferring marijuana to individuals under twenty-one (21) years of age remains illegal, *except* that nothing in this Act is intended to or shall be construed as prohibiting or restricting the possession or medical use of cannabis by qualified patients as permitted by Public Law 32-237;

(c) driving under the influence of cannabis remains illegal;

(d) legitimate, taxpaying businesses will conduct sales of cannabis; and

(e) cannabis produced and sold by regulated businesses will be tested, packaged, labeled, and tracked, subject to additional regulations to prevent access by individuals under the age of twenty-one (21) to ensure that consumers are informed and protected, and so that cannabis is not diverted outside of Guam to states or jurisdictions where it is illegal.

Section 2. A new Chapter 8 is hereby *added* to Title 11 of Guam Code Annotated, to read:

or his agent or employee, demanded and was shown, before furnishing any cannabis or cannabis product to a minor, an identification card or other bona fide documentary evidence of majority of such person *shall* be a defense to such prosecution or proceeding for the suspension or revocation of any license, unless it is demonstrated that a reasonable person would have determined that the identification exhibited was altered or did not accurately describe the person to whom the cannabis or cannabis product was sold or served. Every person who violates this Section *shall* be guilty of a petty misdemeanor.

(c) Notwithstanding any other provision of law, the following acts, when performed by cannabis product manufacturing facility with a current, valid registration or a person twenty-one (21) years of age or older who is acting in his or her capacity as an owner, employee, or agent of a cannabis product manufacturing

(3) delivering or selling cannabis or cannabis products to a person or establishment authorized to possess, use, display, purchase, or transport cannabis or cannabis products.

(d) Notwithstanding any other provision of law, possessing, cultivating, processing, repackaging, storing, transporting, displaying, transferring, or delivering cannabis, when performed by a cannabis testing facility with a current, valid registration or a person twenty-one (21) years of age or older who is acting in his or her capacity as an owner, employee or agent of a cannabis testing facility, are lawful and *shall not* be an offense under Guam law or be a basis for seizure or forfeiture of assets under Guam law.

Such regulations *shall not* prohibit the operation of cannabis establishments either expressly or through regulations that make their operation unreasonably impracticable. Such regulations *shall* include:

(1) procedures and grounds for the issuance, renewal, suspension, denial, or revocation of a registration to operate a cannabis establishment;

(2) a schedule of application, registration, and renewal fees; provided, that application fees *shall not* exceed Five Thousand Dollars ($5,000) with this upper limit adjusted annually for inflation, unless the Cannabis Control Board determines a greater fee is necessary to carry out its responsibilities under this Chapter;

(3) qualifications for registration that are directly and demonstrably related to the operation of a cannabis establishment or security requirements for cannabis establishments, including for the transportation and storage of cannabis by cannabis establishments;

(4) requirements to prevent the sale or diversion of cannabis and cannabis products to persons under the age of twenty-one (21);

(5) labeling and packaging requirements for cannabis and cannabis products sold or distributed by a cannabis establishment;

(6) health and safety regulations and standards for the manufacture of cannabis products and the cultivation of cannabis;

(11) any other rules the Cannabis Control Board considers necessary for the administration of the Guam Cannabis Industry Act, and the implementation and enforcement of this Chapter.

(b) In order to ensure that individual privacy is protected, the Cannabis Control Board *shall not* require a consumer to provide a retail cannabis store with personal information other than government-issued identification to determine the consumer's age, and a retail cannabis store *shall not* be required to acquire or record personal information about consumers.

§ 8111. Cannabis Establishment Registrations.

(a) Each application or renewal application for a registration to operate a cannabis establishment *shall* be submitted to the Cannabis Control Board. A renewal application may be submitted up to ninety (90) days prior to the expiration of the cannabis establishment's registration.

(b) The Cannabis Control Board *shall* begin accepting and processing applications to operate cannabis establishments *no later than* ninety (90) days after the regulations prescribed in § 8110 of this Chapter become effective. Upon receipt of an application for licensure, the Cannabis Control Board *shall not* unreasonably delay the processing, approval, or rejection of the application, or if the application is approved, the issuance of the license.

(c) The Cannabis Control Board *shall* issue an annual registration to the applicant within sixty (60) days after receiving an application, or thirty (30) days after receiving a renewal application, *unless* the Cannabis Control Board finds that the applicant is not in compliance with the regulations established pursuant to § 8110 of this Chapter.

(d) Upon denial of an application, the Board *shall* notify the applicant in writing of the specific reason for its denial and of the applicant's right to seek administrative and judicial review as provided for under the Guam Administrative Adjudication Law.

(e) Every cannabis establishment registration *shall* specify the location where the cannabis establishment will operate, and said location *shall* have defined boundaries. A separate registration is required for each location at which a cannabis establishment operates. The Cannabis Control Board may require reasonable restrictions for the operation of a licensed cannabis establishment.

(b) Nothing in this Chapter is intended to affect the ability of employers to enact and enforce workplace policies restricting the use or consumption of cannabis by employees in the workplace.

(c) Nothing in this Chapter is intended to impair, restrict, or diminish the ability of a government agency to prohibit or restrict any of the actions or conduct otherwise permitted under this Chapter within a building owned, leased, or occupied by the government agency.

(d) Nothing in this Chapter is intended to allow driving under the influence of cannabis or to supersede laws related to driving under the influence of cannabis.

(e) Nothing in this Chapter is intended to permit the transfer of cannabis, with or without remuneration, to a person under the age of twenty-one (21) years.
