Dear Madam Speaker:

Given the upcoming festivities of the 75th Guam Liberation, we are respectfully requesting for your expeditious consideration of Public Law 35-4. We recognize that the Guam Legislature was not able act on draft Rules and Regulations submitted to it prior to adjournment and a public hearing was needed.

We understand that two public hearings have now been convened which accepted testimony on the draft Rules and Regulations. With the Liberation activities just around the corner, we are encouraging the Guam Legislature to reconvene a session to discuss and act on Bill 101-35, which reflect the rules and regulations.

The Mayors Council is supported by the 75th Liberation Steering Committee in respectfully requesting the Guam Legislature convene to ensure that the 30-day timeline is adhered. Doing so, allows the Mayors Council to adequately prepare necessary bid proposals in order to secure vendors for the Carnival.

We appreciate your understanding, leadership, and expeditious action.

Senseremente,

Mayor Robert Hoffman
Acting President

Cc: Hon. Jose Terlaje
