RE: Request for Special Session

Hafa Adai Speaker Muna Barnes,

I write to you today in my capacity as the Chairman on the Committee for Public Transit. I would like to request a special session so that we can address Bill No. 42-35 that would grant the title of ownership of a 6120 square meter lot from the Government of Guam to the Guam Regional Transit Authority. This measure needs to be passed as soon as possible to avoid the loss of over 1.2 mm of Federal funds granted to the Authority to construct a new maintenance facility to more effectively maintain the fleet of vehicles used to transport our residents.

I also have a board appointment to GRTA and a few other bills that I would like to have considered as well. I would request a session on July 3, 2019 so that this bill can addressed. I thank you in advance for your kind consideration concerning this manner and pray that you could accommodate your request.
