Re: Site visit and Roundtables relative to Resolution 164-35

Hafa Adai! Thank you for taking my call this afternoon and for agreeing to participate in a site visit to the proposed Live-Fire Training Range Complex at Northwest Field or *Tailalo*, adjacent to *Litekyan*, tentatively scheduled for this Friday, June 28, 2019 starting at 12-1pm. We may reschedule based on the availability of participating senators.

Senators Louise Borja Muña, Telo Taitague and I are further resolved in working in a bipartisan manner with all members of the 35th Guam Legislature and the Leon Guerrero-Tenorio Administration.

Si Yu'os Ma'åse for supporting my request to establish a Special Investigative Committee to shed greater light upon the concerns raised with the proposed live-fire training complex.

Senseramente,

WILLIAM MENDIOLA CASTRO
