VIA HAND DELIVERY

Dear Speaker Muña Barnes,

Håfa adai! Our observance of Guam's Liberation Day continues the island's tradition of celebrating our freedom from occupation and is a testament to our island's steadfast loyalty to the United States. While the memories of the occupation and liberation may fade with the passage of time, we must never take for granted the freedoms that we now enjoy.

I am honored to present this flag provided with this letter. It was flown over the United States Capitol at my request for the Guam Legislature in commemoration of Guam's Liberation Day. I humbly ask that you begin to fly this flag over the Guam Legislature on July 21, 2019, in honor of Guam's Seventy-Fifth Liberation Day, and to continue to fly the flag for the ensuing year so that we may always remember sacrifices that have made our freedom possible.

If a replacement may be needed, I would be happy to provide one.

Si Yu'os Ma'åse.

Sincerely,

Michael F.Q. San Nicolas
