Re: Funding due to Hagåtña Restoration and Redevelopment Authority

Håfa Adai Executive Director Casil,

Si Yu'os ma'åse for having Mr. Joseph Santos represent the Authority at the first of a series of Roundtable Informational Briefings that provide baseline information about the work of the Hagåtña Restoration and Redevelopment Authority (HRRA) to the newly empaneled HRRA Board of Commissioners and the general public.

During the HRRA informational hearing held on June 20, 2019, and at your June 18, 2019 board meeting the Authority announced that some $190,000 had been identified by *I Maga'håga* through the Department of Revenue and Taxation that was due to HRRA. Please let us know if any legislative action is needed to set aside some of that money for your office operations. We want to assist in making the Authority as functional as possible and as quickly as possible.
