PROGRAM COORDINATOR II

Bureau of Economic Security | Division of Public Welfare
GUAM DEPARTMENT OF PUBLIC HEALTH AND SOCIAL SERVICES
06/2015 – 02/2017

Developed a self-check-in kiosk for the Division of Public Welfare – Bureau of Economic Security for all persons appearing to apply or renew for their public assistance benefits. Three big accomplishments were achieved through this change. First, customers were no longer required to wait in line for hours to be seen. Second, the agency could record important data, like the daily volume of customer visitations. Third, the change saved the government from procuring hardware that would have cost $500k. The check in kiosk was created using Google Forms – a free software and displayed on a spare stand-alone desktop computer. This kiosk was implemented in all three public assistance centers.

Identified as the lead policy writer for the Supplemental Nutritional Assistance Program (SNAP) and the Medicaid program. Part of the workgroup that implemented the staggered issuance of benefits, and the move to the periodic change report for simplified reporting for households receiving SNAP. I additionally provided policy clarifications for all public assistance programs such as SNAP, Medicaid, MIP, and all Cash Assistance programs.
