Unfortunately, DOE decided to close the speech clinician position after I had applied. It took nearly 3 months for me to receive word that they would no longer be hiring clinicians.

The reason why I wanted to connect with Sibyl was to ask her what is permissible with regard to working with my **speech pathology assistant (Master's)** license. Would I be able to see clients in private practice so long as I have fully certified SLP signed as my advisor? Could I work at DODEA as a speech assessor?...

Your help is greatly appreciated.

Thanks,
Janice
