Dear Madame Speaker,

We have received your invitation to do a Congressional Address on October 28th.

As per public law, the determination of the Congressional Address is contingent upon your invitation.

2 G.C.A. § 1124: Appearance of Guam's Washington Delegate.

"Annually at a month to be determined by the Speaker and the Congressman, the Speaker shall invite Guam's Delegate to the United States House of Representatives to appear before the Legislature and give an address on federal-territorial issues."

Having received this invitation so late in the year my office is working to navigate the remainder of the Congressional calendar to accommodate the late invitation to this important event. We have accomplished much and am very excited to share it with the people of Guam.

Currently we are in Session throughout November with a District period in the last week of the month, however this is inadequate time for us to prepare. We are seeking a date in December, but recent voting dates have shifted so we are seeking to finalize when these are in order to inform your office.

We look forward to your accommodations of our notice given the late transmittal of your invitation.

Much Respect,

Michael F.Q. San Nicolas
