Hafa Adai Speaker Barnes,

Thank you for the clarity and apologies for our miscommunication. I am in receipt of your confirmation and appreciate that the Guam Legislature is ready to receive my Congressional Address on Monday, January 6th, 2020.

As you noted, my work in United States Congress solely involves advocating for the best interests of our People of Guam. The Address, although required by law to be presented to the Guam Legislature, is intended to convey information to all our constituents on the island.

In order to maximize the opportunity for interested listeners and especially those who are unable to be physically present at the Guam Congress Building, I am requesting that the Address be held at 7:00 p.m. on Monday, January 6, 2020 rather than your proposed time of 4:00 p.m. In line with this purpose, I further request that the Address be broadcast live on the Guam Legislature channel and streamed on the YouTube page.

My staff will be in communication with your designated staffer on required protocol requests and other pertinent information. I appreciate your invitation to update our island of the important work being done at the federal level on their behalf.

2019 DEC -3 AM 10:39

Sincerely,

Michael F.Q. San Nicolas
Member of Congress
