RE: Letter of Intent

Dear Mr. Nhouvannasak,

It was a pleasure meeting with you in October. Since our last meeting, I have been in close communication with the Governor's Office, the Guam Football Association, as well as the Guam Department of Education to make this vision a reality. At this point, I am committing that we will continue to work with the relevant Government of Guam agencies, as well as community stakeholders such as the GFA to ensure that we comply with the laws of the Territory of Guam.

As a lifelong athlete, I truly believe that a program like this would be able to tremendously benefit our future generation. As we look at programs to prevent crime, and improve the livelihood of our residents, I am proud to be an example that Sports is truly a means to upwards mobility. In closing, I want to commend you, FIFA, and the GFA for taking the time and investing in our future generation. Feel free to contact me should you have any questions or concerns and I look forward to our continued partnership and mutual successes.

Sincenru yan Magahit,

Tina Rose Muña Barnes
