Re: Safer Guam Initiative

Dear Madame Speaker,

Like so many in our community, I was appalled by recent headlines regarding student on student violence at one of our bus stops. While this behavior is certainly not representative of our island's spirit of warmth and hospitality, it has become more commonplace than any of us should feel comfortable with. We must stem this violent behavior now.

My Safer Guam Initiative, which was sent to the Legislature on January 15, is specifically designed to combat crime throughout our island. During my State of the Island address on February 27, I asked the Legislature to act on these bills so that we can build a safer Guam together. Please remember the call of our people has been and continues to be to do all we reasonably can to protect our health and safety. I ask you, once again, to give these bills a hearing, put them on the floor and vote on them.

Senseremente,

LOURDES A. LEON GUERRERO
Maga'hågan Guåhan
