Honorable Tina Muna-Barnes
Speaker, 35th Guam Legislature
Guam Congress Building
163 Chalan Santo Papa
Hagatna, Guam 96910

Hafa Adai Speaker Muna-Barnes,

Thank you for your leadership in introducing Bill No. 308-35 (LS). For all of us who call Guam home, we are concerned about the safety of our loved ones. This concern is not unfounded, especially as there were 16 confirmed cases and two deaths in the United States when you introduced this bill. As of March 9th, 2020 at 4PM EST, the CDC reports that there are 423 cases and 19 deaths within the United States – about a 2,644% increase.

Today as I checked the Guam Legislature's website, the Bill status shows that it has yet to be referred by the Committee on Rules. As we know, the process of referral to debate on the session floor can take months – and in some cases more than a year. As a courtesy, in the spirit of collegiality, as well as in an effort to take a TEAM GUAM approach as we protect our loved ones, I write to you today to inform you that I intend to make a motion before we adjourn session tomorrow, to go back to motions so that notwithstanding the house rules, we can place Bill No. 308-35 on the session agenda.

I understand that no public hearing has taken place – but given that this is a matter that impacts all of those who call our beautiful island paradise home, I am humbly requesting that you exercise your authority under our Standing Rules to waive the Public Hearing requirement.

Madam Speaker, I always commend you for putting people before politics, and I truly hope that you find it in your heart to be the leader for our island community during this time of need.

Respectfully,

JAMES C. MOYLAN
