RE: REQUEST FOR A RECESS TO ASSURE THE OVERSIGHT HEARING PROCEEDS AS SCHEDULED

Dear Speaker Muña-Barnes;

As many in the community have expressed in recent weeks, it is critical that this legislative body address the "double pay" issue for front liners, and to do so expeditiousl to express my appreciation to you for calling an emergency session today to entertain the recently introduced bills on the matter. In my statement earlier in the week, one with potential lawsuits, taxpayers may end up paying millions more using local funds in the future on an issue which can be rectified by utilizing federal funds today participated in the peaceful protest organized by healthcare professionals, I am certain you can relate with the importance of the issue, thus why these various pieces addressed immediately.

Because there are multiple measures on the table, it is critical that the voices of stakeholders be heard. Hence, it is with this regards, I humbly request for your con measures to attain public hearings, and to request the oversight chairperson to hold one at the earliest available schedule. As you indicated in a recent media story, what bill prevails, rather it is about assuring that a reasonable measure is passed, and the hearing(s) would allow senators to ideally determine how to approach the matter logica

Finally, because there is a very important and contentious oversight hearing being scheduled for 5pm today by Committee on Procurement, I would also humbly consideration of allowing today's session to be recessed by no later than 4pm, to allow the committee chair, her committee staff, and senators to prepare for that virtua been heavily discussed publicly, and residents will certainly be tuned in, thus it is critical that the hearing proceed uninterrupted. Likewise, I am sure our colleagues hav participation, and I am certain you have some important questions prepared for the panel as well.

Thank you for the opportunity to share my thoughts, and I hope for some consideration on my requests. Look forward to hearing from you, and as always, I am open to a
