Re: Substitute Bill No. 330-35 (COR) – An Act to Permit Absentee Voting for all Qualified Voters in the 2020 Primary Election and 2020 General Election to Mitigate the Public Health Risks due to the COVID-19 Pandemic

Dear Madame Speaker:

I appreciate that the Legislature needed to find a way to balance the health and safety needs of our community with the fundamental right and obligation that we have as citizens to participate in our democratic process. While the Legislature debated several different approaches to achieving this balance, it ultimately concluded that the safest, most prudent approach is the expansion of absentee voting to all of Guam's qualified voters.

Substitute Bill No. 330-35 (COR) seeks to reduce the congestion in polling places on election day, thereby allowing the Guam Election Commission to more comfortably and safely accommodate voters over the course of a thirty (30) day period in advance of election day. This measure, which I have signed into law as ***Public Law No. 35-95*** will go into effect immediately and in less than two (2) weeks, our people will begin the voting process. I trust that we will all undertake this endeavor with the same sense of responsibility that has guided us since March, when our public health emergency began. As we head to the polls, we will wear our masks, practice social distancing, and we will fill out our ballots on sanitized surfaces with clean hands.

Senseremente,

Lou Leon Guerrero

AN ACT TO PERMIT ABSENTEE VOTING FOR ALL QUALIFIED VOTERS IN THE 2020 PRIMARY ELECTION AND 2020 GENERAL ELECTION TO MITIGATE THE PUBLIC HEALTH RISKS DUE TO THE COVID-19 PANDEMIC.

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative Findings and Intent. *I Liheslaturan Guåhan* finds that a public health crisis exists due to the ongoing novel coronavirus disease 2019 (COVID-19) pandemic. The pandemic, however, impacts our community in other

ways as well, such as voting in the upcoming 2020 Guam elections. For some voters, it is the difficulty of ensuring childcare on the same day that caregivers will also need to vote. For other voters, it is worrying about the security of their jobs if they request to take time off from work to vote on the same day that their colleagues will be requesting time off to do the same. For some voters, it is being more vulnerable physically, therefore they may not be able to stand or wait in long lines at polling sites, which may put them at greater risk. And, for other voters, it is the worry and the stress of being potentially exposed to conditions that could allow the spread of COVID-19.

I Liheslatura also finds that the Centers for Disease Control and Prevention is encouraging voters to use voting methods that minimize direct contact with other people as there is currently no vaccine to stop the spread of the virus. Even with evolving protocols designed to reduce the risk of transmission, large gatherings of people standing in even longer lines with lengthy waiting periods due to additional protocols at polling sites on a single day still pose a threat to public health.

It is, therefore, the intent of *I Liheslaturan Guåhan* to protect the right to vote while also protecting the health and well-being of Guam voters, election officials, and polling site workers by permitting voters to vote in the 2020 Primary Election and 2020 General Election during the thirty (30) day in-office absentee voting period to reduce the likelihood of spreading COVID-19.

Section 2. Permitting Absentee Voting for All Qualified Voters. Notwithstanding 3 GCA § 10101, any qualified voter of Guam may vote in the 2020 Primary Election and 2020 General Election during the thirty (30) day in-office absentee voting period as provided for in 3 GCA § 10107.

Section 3. Effective Date. This Act shall be effective upon enactment.
