JOSHUA F. TENORIO
SIGUNDO MAGA'LÅHI • LIEUTENANT GOVERNOR

October 6, 2020

Dorothy Perez Harris
[redacted]

Dear Ms. Harris:

Pursuant to my authority under 12 GCA § 10103, I am appointing you to serve as a

MEMBER, PORT AUTHORITY OF GUAM BOARD OF DIRECTORS
Term Length: Three (3) Years; July 1, 2020 to June 30, 2023
To fill the seat of Maria Taitano, whose term has expired

Appointing you to this position comes with great responsibility because you will have a vital role to perform which will place many demands on your time and energy. Integrity and honesty are virtues that I prioritize for my Administration to exemplify, and I know that you will do the same while in service to the people of Guam. Your responsibilities shall be significant and consequential. I trust that you will fulfill your duties and set a standard for others to follow.

I appreciate your willingness to serve in this position, and I am confident that your time will be spent in a manner to improve the island of Guam.

This appointment is subject to the advice and consent of *I Liheslaturan Guahån*. If you have any questions or concerns, please contact the Office of the Governor.

Senseramente,

LOURDES A. LEON GUERRERO
Maga'hågan Guahan
Governor of Guam

RESUME OF

DOROTHY PEREZ HARRIS

[redacted]

EMPLOYMENT

September 2017 - Present: Retiree – Government of Guam

Jose D. Leon Guerrero Commercial Port (aka Port Authority of Guam)

May 2005 to September 2017: Chief Planner
October 2002 to May 2005: Program Coordinator IV

Duties: Administered the day-to-day activities of the Strategic Planning Division of the Authority. Oversaw and prioritized the planning, development, implementation of comprehensive projects and programs in the areas of port security, port development and federal programs. Evaluated the impact of the project/program on Port resources and capabilities to ensure operational effectiveness. Established technical specifications, criteria and/or methodologies for assessment and evaluations dealing with Homeland security maritime issues, and Port related federal programs, to include the development of detailed scope of work and equipment specifications. Oversaw the implementation and development and implementation of federal grants. Ensured compliance with statutory mandates and satisfactory completion of funded program requirements, to include the Economic Development Administration, U.S. Department of Commerce, Transportation Security Administration, Federal Emergency Management Administration, and Guam Office of Homeland Security, and U.S. Homeland Security. Provided consultation and technical assistance to other divisions as requested and to program staff assigned to the Division. Analyzed and interpreted local and federal maritime and port-related economic development legislation and maintained reports and records of actions affecting the Division's programs and projects. Represented the Port at conferences and meetings with local government officials, public and private sector agencies and representatives of the federal government to include Economic Development Administration, U.S. Department of Commerce, U.S. Coast Guard Area Maritime Security Committee, Guam Office of Homeland Security, Joint Navy/PAG new wharf working group.

Department of Commerce, Government of Guam

October 1995 to September 2002: Program Coordinator IV

Duties: Responsible for the development and implementation of comprehensive studies and annual work programs. Analyzed and apprised program performance towards obtaining objectives. Provided input in

Note that the Legislature has taken steps to ensure that any protected personal identifying information has been redacted or excluded in whole or in part in order to protect the privacy of any individual(s) whose information has been included as part of this transmittal.

the technical development of programs. Responsible for the planning, development, implementation and coordination of programs and projects under federal grants to include Western Pacific Fisheries Information Network and Interjurisdictional Fisheries Act, National Marine Fisheries, and Economic Development Administration, and U.S. Department of Commerce. Responsible for the maintenance and proper control for records. Identified program expenditures and conducted appropriate adjustments to budgetary requirements or needs. Ensured the timely submission of programmatic and financial applications and reporting to include financial status report, request for advance and reimbursement. Collected and analyzed data. Performed necessary analysis and planning of fisheries as a lead sector of the economy to include the preparation of Marine Conservation Plan, Sector Report for the Guam Annual Economic Review, and annual economic profile identifying expenditures and tax revenue generated by the industry. Responsible for conducting economic development planning activities for the Territory of Guam. Prepared the Guam Comprehensive Economic Development Strategy – June 2001. Coordinated with representatives from Guam's major economic sector to solicit input for project eligibility under EDA's public works, planning, technical assistance, and research and evaluation programs for additional federal funding in support of the Territory's economic development priorities. Prepared economic analysis of the following: socio-economic demographics, major sectors of the economy, state of the regional economy, and external trends and forces. Represented the Territory or Department at conferences and meeting with international, national, regional and local government officials, public and private organizations to include treaty negotiations for the Multi-Lateral High Level Conference on Straddling Stocks and Highly Migratory Species in the Central and Western Pacific (member, U.S. State Department delegation), Guam designee to the Western Pacific Regional Fishery Management council, member of the fisheries Data Coordinating Committee, National Marine Fisheries Service and the Maritime Affairs Committee, Guam Chamber of Commerce.

December 17, 1999 to August 31, 2001: Acting Chief Planner

Duties: Implemented the goals and objectives of the following functions of the division:

1. Office of Economic Analysis and Planning: Formulated comprehensive and sectoral plans by evaluating relevant economic data and statistics which pertain to various economic development projects, programs and domestic and foreign trade.

2. Office of Project Implementation and finance: Secured federal funding and local funds for economic development projects identified by the Office of Economic Analysis and Planning. Successfully secured and implemented the following grant programs: "Marketing of Red Tilapia and Ornamental Fish", USDA Rural Enterprise Grant; "Aquaculture of Marine Ornamental Species Year 1, agreement between Oceanic Institute and the Department of Commerce, Government of Guam."

3. Natural Resources Development: Stressed the prudent use of natural resources in the economic development of Guam's economy, and includes the operations of the Guam Aquaculture Development and Training Center and the implementation of fishery data collection and management projects in Guam's Exclusive Economic Zone.

Note that the Legislature has taken steps to ensure that any protected personal identifying information has been redacted or excluded in whole or in part in order to protect the privacy of any individual(s) whose information has been included as part of this transmittal.

Prepared the division budget in conformance with the newly adopted Program Performance Based Budget for the Government of Guam. Prepared performance standards, job tasks, work plans and conducted performance reviews of all classified permanent employees of the division to ensure planning and development objectives of the department are met. Approved timesheets and leave applications. Identified training needs and opportunities for employee growth and development, and when needed, obtained federal funding for attendance to workshops and conferences. Ensured duties are performed to meet day-to-day operations of the division and prepares assignments on an ad-hoc basis to address emergency situations to ensure continued services to the community.

May 1992 to October 1995: Planner II

Duties: Responsible for supervising the maintenance and proper control of records of all expenditures and obligations related to marine-resources federal grant programs. Reviewed payment requests and recommended appropriate adjustment to budgetary requirements or needs. Prepared quarterly and final project status and financial reports, establishment of account, processes expenditures in accordance with federal and local guidelines for het WPacFIN, WesPac and IFA grant programs. Responsible for the planning, development, implementation and coordination for programs and projects under federal grants in aid in the area of fisheries/marine resources. Responsible for the development and implementation of comprehensive plans, studies and annual work programs, analyzed and apprised program performance towards obtaining objectives. Coordinated implementation of modern capabilities and new program format for the Guam Tuna Database program. Coordinated data exchanges with the South Pacific Commission in regional stock monitoring activities. Coordinated with maritime personnel and vessel/transshipment agents as respondents/participants. Provided consultation and technical assistance to program staff on projects involving the division. Collected and analyzed data, and performed necessary research for the analysis and planning of fisheries as a lead sector of the economy for submission of Country Statement for SPC Regional Technical Meeting on Fisheries/ fishers summary for annual Pacific Basin Development council meeting; quarterly reports for the Western Pacific Regional Fishery Management Council; Department of Commerce Annual Economic Review; Annual Economic Profile on Fisheries; statement for legislative measures regulating fisheries development. Liaised with marine-related departments, agencies, private sectors on issues involving the industry to include staffing the Ad Hoc Committee on Fisheries Programs and Activities; member of MAC Committee, Guam Chamber of Commerce; and designee of WestPac Council.

November 1988 – May 1992: Program Coordinator II

Duties: Responsible for assisting in the planning, development, implementation and coordination of federally funded and local programs, in particular those falling under the 301(b) State Planning Grant program. Served as planning team member for the Overall Economic Development Plan – 1989-1993 and preliminary draft of the Visitor Industry Master Plan. Assisted in the scope of work development for conceptual design of Public Market (Chamorro Village) Redevelopment Project. Responsible for participating in the development and implementation of comprehensive plans, studies and annual work programs. Assisted in analyzing and appraising program performance towards obtaining objectives. Aided in the technical development of the Charter Boat Feasibility Study, Drydock Feasibility Study, and Analysis of Guam's Investment Incentives. Assisted in the analyzing and apprising the Large-Scale Fisheries Data program toward obtaining objectives. Helped in the technical development of programs. Obtained

Note that the Legislature has taken steps to ensure that any protected personal identifying information has been redacted or excluded in whole or in part in order to protect the privacy of any individual(s) whose information has been included as part of this transmittal.

inclusion of the Guam Tuna Databased Program under the West Coast Fisheries Data Program/Western Pacific Fisheries Information Network, for National Marine Fisheries Service grants in aid funding. Collected and analyzed data and performed necessary research for the analysis and planning of fisheries as a lead sector of the economy for submission of Country Statement for SPC Regional Technical Meeting on Fisheries; fisheries summary for annual Pacific Basin Development Council meeting; quarterly reports for the Western Pacific Regional Fishery Management Council; Department of Commerce Annual Economic Profile on Fisheries. Served on the Development Review Committee, Department of Land Management. Met with applicants as needed to discuss departmental mandated responsibilities. Reviewed applications to assess impacts on Guam's economic development to include labor effects, injections from investment, benefit/disbenefits to Guam's leading economic sectors.

Guam Visitors Bureau

August 1982 – November 1988: Research and Information Analyst

Duties: Prepared position statements on legislation and other policy proposals affecting the visitor industry. Responsible for the development, coordination, compilation, dissemination of travel industry press information for international, national and local media. Served as Tourism Industry Research Committee staff. Produced and disseminated press releases, monthly newsletter and annual reports. Produced and disseminated monthly visitor arrival statistical report, to include arrivals by area of origin and corresponding demographics. Provided research assistance to all standing committees upon requests.
