Client's Current Status:

- **F1: Vacant**
- **F2+3 (Entry date:3/5/20):** A married Chamorro couple with 4 children—They are on GHURA Wait List for Amp 3 @135 and FUP @274. Being unemployed and having no savings was their issue and GSJ SW proposed to them options of husband's employment and getting housing assistance from ESG Program. They completed their ESG program application and received an Eligibility Letter on March 10. However, they have difficulties with finding a house and employment difficulties this past month. GSJ SW coordinated with a Social Worker at Salvation Army for an extension of the due date for finding an affordable house. The SW also coordinated with an HR representative at Rocky Mountain Precast for the husband's employment, and he is expected to be hired after a drug test result comes out. Though they have received Disaster Relief check of $1200, they spent it for their new born baby. They also applied Economic Impact Payment for Non-filers, but they have not receive stimulus checks until now.
- **F4:** Vacant
- **F5:** A room for EH.
- **F6:** Vacant
- **F7:** Vacant
- **F8+9 (Entry date: 12/20/19):** A Chuukese common-law couple with four (4) minor children. HOH's ex-husband had passed away leaving 3 children behind, and GSJ SW assisted her with applying for SS benefit. With the initial accumulated SS benefit of $6675, client purchased a used car at $3500 and used up most of the money for various things. Though HOH has been receiving $1075/m from SSA, she was not able to save up enough money for a rental unit during PCOR 1 and 2. Her 15-year old daughter, who was released from DYA on December 18, 2019, has been difficult to control her behavior. GSJ SW made multiple CPS referrals as well as trying to coordinating with her DYA SW during PCOR 1 and 2. As DYA opens, the DYA SW coordinated with Lagu Youth Center and provided a job for the daughter at the Center. As soon as she has her ID, the daughter expects to start working. After a long wait, HOH received Disaster Relief Check of $1200, which enabled her to have enough savings for rent. While she was looking for a house to rent, her common-law husband was evicted after an alcohol-involved violence of breaking his wife's car and threatening a GSJ staff. The wife declined an offer by GSJ SW of transferring the family to another agency for the safety of her family as well as GSJ staff and clients. The wife (HOH) and kids remain at GSJ.
- **F10: Vacant**
- **S1 (Entry date: 3/9/20):** A Chuukese married couple was referred by DISID. They completed GHURA housing applications through DISID prior to entering GSJ. HOH is a 70-year old elderly and her husband has a pacemaker. Though he applied twice for SSDI, it was denied again based on his medical records from GMH. In the meantime, client was selected for a Mass Screening on June 25 for their NED application. Client was also fixing his tin-house in Yigo, considering a long processing time for the NED application.

- **S2 (Entry date: 3/13/20):** Chuukese mom, who is returning client, with a minor child. HOH was working at Hyatt Hotel since December 2019 as a Housekeeper but was furloughed due to COVID-19. In the hopes of getting housing assistance from Salvation Army, she has applied for I-765 as an alternative document for I-94; however, Salvation Army informed her that they do not accept it for their ESG Program application. As the Guam DOL launches for Pandemic Unemployment Assistance Program, GSJ SW coordinated with a Case Manager at Micronesia Resource Center for client's PUA and FPUC application. With the Case Manager's assistance, client completed on-line application on June 5 and expects receiving lump sum money of $9,510 in a few days. She plans to purchase a used car and rent a house with the money.
- **S3: Vacant**
- **S4 (9/20/19-6/5/20):** A Chamorro woman with a disability and her 21-year old son as her caregiver, became homeless after they were evicted from a Section 8 housing after they failed inspection. Though they have a Section 8 voucher, they have been struggling with finding an accessible unit, until one of the Liheng Apartment's accessible units was reserved for this family. After a long delay of the GHURA inspection due to COVID-19, clients moved in to the unit on June 5, 2020.
- **S5 (Entry date: 1/2/20):** A married Chamorro couple with an adult daughter who has an intellectual disability and a minor son. The husband stopped working after an injury resulting in muscle infection, which led them being homeless. HOH was eagerly seeking employment and was hired at Ocean View Hotel as an On-call Employee, but COVID-19 interrupted her employment. As their NED application was completed and they were about to receive Section 8 voucher, the process has come to a halt because of COVID-19. Her husband's SSDI application was not approved until now, despite numerous exams for Disability Certification. Following their ISP, they have completed ESG Program application and are now waiting for GHURA voucher briefing schedule. They received Disaster Relief Check of $1200 and purchase a used car at $1000. Now they are actively seeking for employment.
- **S6: Vacant**

EXPANSION UNITS

UNIT #1:

A common-law Palauan couple with three (3) minor children was transitioned from Guma San Jose Main Shelter on February 22, 2020. GSJ SW initially proposed to them options of applying ESG program and GHURA Public Housing as well as finding jobs and saving money; however, they decided giving up applying for ESG, due to wrong spellings of HOH's name on her passport and I-94. Husband was hired at a Chinese construction and their savings increased to $1250. They plan to move to a rental unit using own savings, expecting additional income from stimulus checks as well as a disaster relief check. With GSJ SW's coordination with a DPHSS Eligibility Specialist Supervisor, HOH was able to complete pregnancy check; however, HOH's documental problem with wrong spellings was not able to be fixed by Micronesian Legal Services.

They receive public assistance (SNAP, Medicaid, and MIP).
Total number of occupants: Five (5). A family of a couple with 3 children (ages 5, 2, and 1 year old).

Goals:

1. Save money
2. Oldest daughter is to get a physical exam for school registration
3. Apply affordable housings

- Case management and supportive services are being provided by GSJ Social Worker.
- Clients have their own transportation.
- GSJ provides access to the GSJ washing machines/driers.

Status Update: With the assistance from Disaster Relief check, client's savings was increased to 2301.75, and GSJ SW suggested HOH to look for rental units. While assisting HOH with applying for low-income housings, GSJ SW found out their required documents include SS cards for all household members. Due to the wrong spellings on HOH's passport and I-94, she was not able to apply for replacement of SS card. In order to fix the problem, GSJ SW coordinated with US Department of Homeland Security, Palauan Consulate Office, and Guam Social Security Office. Following the guidelines from SS office, HOH completed submitting all required original documents to Guam SS office. GSJ SW is also coordinating with Office of Vital Statistics for HOH to fix her wrong spelled name on her children's birth certificates. Her oldest daughter's physical exam is still pending due to DPHSS' limited service. For the stable and higher income, husband applied for Rocky Mountains Precast and was hired on June 23 as a Wireman.

UNIT #2:
A married Chuukese couple without children was transferred from Guma San Jose Main Shelter on March 12, 2020. Husband has been working at Rocky Mountain Construction, and HOH was hired at Advance Management and started working at Home Depot in February 26. They found a one-bedroom apartment at a rent of $500/m and moved out from GSJ with own savings on June 3, 2020.

UNIT #7: Utilized by Alee Shelter
UNIT #8: Vacant.

UNIT #9
A Chuukese common-law couple with a 3-year old daughter was transitioned from Guma San Jose Main Shelter on March 11, 2020. Her husband is working at Global Recycling Co. as a full-time employee. They are obligated with $200/ month for hospital bills. Their daughter is crossed eyes since suffering from a seizure at 4 days old, and GSJ SW referred her to Guam Early Intervention System and Project Karinu Program. GSJ SW also assisted HOH with ESG application, which was approved and client was looking for places to stay. With the Disaster Relief check, Stimulus check, and husband's income of $650+/payday, their savings was increased to $2431.64 as of May 31. HOH completed GHURA on-line application on May 14 for Amp 2 and 3, with GSJ SW's assistance. Their daughter's vision checkup was completed and the surgery schedule was pending due to delay of Medicaid renewal.

They receive public assistance (SNAP, Medicaid, and MIP).
Total number of occupants: Three (3). A family of a couple and a toddler (age of 2).

Goals:
1. Save money of $300+ /payday
2. Pay hospital bill of $200
3. Apply low income housings
4. Make schedule for consultation with daughter's eye doctor.

- Case management and supportive services are being provided by GSJ Social Worker.
- Clients do not have their own transportation, so husband goes to work with his cousin, who works for same company. GSJ provides transportation services for appointments.
- GSJ provides access to the GSJ washing machines/driers.

Status Update: Client's savings was increased to $3431.68 as of June 30. GSJ SW has been assisting HOH with applying for Summer Town Phase 4, which is expected to open by the end of August. SW proposed HOH option of purchasing a used car first while applying low income housing. Their Medicaid was renewed, but clients were hesitant to have their daughter's eye surgery. GSJ SW proposed them option of consulting with the doctor about their questions and worries regarding the eye surgery.

After a several trip to the bridge, SM and SW were able to meet with the elderly, who wanted to decide after looking at the unit in SAM. Though she was allowed to look at the place, the elderly did not make a decision yet.
