AN ACT TO *ADD* A NEW ARTICLE 13 TO CHAPTER 77 OF TITLE 12, GUAM CODE ANNOTATED, RELATIVE TO AUTHORIZING TAX CREDITS FOR THE REHABILITATION AND IMPROVEMENTS OF THE FOOTBALL FIELDS OPERATED BY THE GUAM NATIONAL YOUTH FOOTBALL FEDERATION.

BE IT ENACTED BY THE PEOPLE OF GUAM:

Section 1. Legislative Findings and Intent. *I Liheslaturan Guåhan* finds that nearly one thousand (1,000) island youth actively participate in the Guam National Youth Football Federation, which is comprised of various age groups.

Youth football has been proven to promote healthier lifestyles, creates a competitive spirit among young minds, establishes lasting friendships, and helps build a child's character. It has also provided many children with an alternative option to keep them busy, so they are not swayed into troubling situations. Sports in general emphasizes so much in terms of an education, which is needed to foster more positivity in the fiber of our communities.

Unfortunately, the football fields that are currently being utilized require some serious improvements which can be a fiscal challenge for the government of Guam. Public-private partnerships where private funds are brought in at the onset and balanced with tax credits spread over several years have proven to be effective in ensuring that facilities enjoyed by the public are rehabilitated; and this Act proposes such a process which would ensure that the government's coffers are not impacted by more than One Million Dollars ($1,000,000) a year for up to five (5) years.

Currently, five (5) fields are being utilized by the Guam National Youth Football Federation, and this Act establishes equity in the maximum in contributions made per field, while recognizing that the need of each facility is unique. It provides the regulatory authority to the entity with the jurisdiction of the field, while ensuring that GEDA maintains the authority when it comes to approving the plans which resonate into the tax credits.

Section 2. A new Article 13 is hereby *added* to Chapter 77 of Title 12, Guam Code Annotated, to read as follows:
