Frustration swelled in several suburbs in the west of Australia's largest city after floods submerged homes, farms and bridges there, some for the third time this year.

"It's just devastating. We are in disbelief," Camden Mayor Theresa Fedeli said.

"Most of them have just come out of the last flood, getting their homes back in place, their businesses back in place and unfortunately we are saying it is happening again."

An operation was underway to rescue 21 crew members from a cargo ship, which lost power south of Sydney and risked being swept ashore, local media reported.

"It has been a very difficult time for many months to have this flood event off the back of others. It makes it more challenging," New South Wales Premier Dominic Perrottet said during

Footage on social media showed petrol stations, homes, cars and street signs partially under water while garbage bins floated down flooded roads. Military vehicles were seen going into flooded streets to evacuate stranded families.

Some inland towns, including Picton, about 90 km (56 miles) southwest of Sydney, have lined the main streets with sandbags.

About 100 millimeters (4 inches) of rain could fall in the next 24 hours over a swath of more than 300 km (186 miles) along the New South Wales coast from Newcastle to the south of Sydney, the Bureau of Meteorology said.

Copenhagen police said armed officers were sent to Field's mall in the capital late Sunday afternoon after reports of a shooting, and had told people inside to stay put and await assistance. Local media footage showed groups of terrified shoppers running from the mall.

The suspect was apprehended at 5:48 p.m. local time, carrying a rifle and ammunition. Police launched a massive search operation throughout the local Zealand region early Sunday evening in search of any accomplices.

"We are going to have a large inves-

point toward a racist motive or otherwise, but this could change, he said.

Copenhagen police will hold a press briefing Monday morning at 8 a.m. local time.

The capital's main hospital had received a "small group of patients" for treatment, a spokesperson said early Sunday evening, and had called in extra doctors and nurses.

Danish tabloid BT published unverified video footage it said was shot by a witness to the attack, Mahdi Al-wazni, showing a man with a large rifle walking through the mall and swinging it around his shoulders.

*Reference: Testimony on the Re-appointment of Lucy M. Alcorn  
to the GIAA Board of Directors*

Buenas yan Hafa Adai Madam Chairwoman, and Senators participating today.

My name is Brian Bamba, and I am currently the Chairman of the Board of Directors for the AB Won Pat International Airport Authority.

I would like to provide testimony in support of Governor Leon Guerrero and Lt. Governor Tenorio's nomination of Mrs. Lucy Alcorn to serve as a member of the AB Won Pat International Airport Authority Board of Directors.

It has been my pleasure to serve alongside Mrs. Alcorn on the current board, and I am thankful for her contributions over many years of service on the board.

Mrs. Alcorn has vast private sector experience which she brings to the airport authority. Her experience with large employee groups has brought perspective to the most valuable resources at the airport... our employees. Additionally, her acumen and understanding of serving customers compliments areas of the airport we often overlook as a government operation.

Her leadership was evident as we faced the initial pandemic impact on airport finances. Facing significant revenue losses, the board, along with her participation, had to make tough decisions towards cost reductions. Although not popular, these tough decisions were necessary to allow the airport an opportunity to stretch resources amidst uncertainty.

What I appreciate most is Mrs. Alcorn's servant leadership. She is active in many civic volunteer organizations, and her willingness to bring service to our people by way of the airport is admirable.

It would be an honor to continue serving alongside her & I look forward to your favorable consideration of her nomination.

Thank you for your time.

Sincerely,

I come before you today to submit testimony in full support of the re-appointment of Ms. Lucy M. Alcorn to the A.B. Won Pat International Airport Authority, Guam (GIAA) Board of Directors.

As a successful businesswoman of a thriving enterprise with multiple business services, Ms. Alcorn has insight to operating a profitable business within stringent regulatory guidelines and strict requirements. She has exhibited this during her years of service as a member of the Board of Directors.

Ms. Alcorn has been intent on creating policy focused on a conducive business environment for our airlines and tenants, quality service and infrastructure to support passenger needs and entertainment with consideration to financial control measures, operating efficiency, negotiation of services for best value, increasing concession activity and maximizing revenue potential of all Airport assets.

She also brings to the table a valuable network in the federal and local community and is on the pulse of key issues of importance in the economic development of the island, which she utilizes to serve the public interests of Guam's only airport.

Moreover, Ms. Alcorn will bring continuity to Board initiatives already adopted and has proved to be a highly resourceful and contributing member of the GIAA Board of Directors.

On behalf Airport management and staff, I strongly support Ms. Alcorn's re-appointment. We anticipate a productive and successful relationship with such a commendable nominee. Your favorable consideration and confirmation of her re-appointment will be greatly appreciated.

RE: Testimony in Support of Lucy M. Alcorn on her nomination to the Board of Directors of the  
Guam International Airport Authority.

Hafa Adai Madame Chair and Members of the Legislative Committee on Air Transportation, Parks,  
Tourism, Higher Education, and the Advancement of Women, Youth, and Senior Citizens:

My name is Clifford A. Guzman and I hereby submit my written testimony in support of the  
nomination of Lucy M. Alcorn to the Board of Directors of the Guam International Airport Authority.

I have had the privilege of working closely with Ms. Alcorn since Global Food Services LLC  
(GFS) was first organized in 2003. Under her leadership and vision as CEO, our company has grown  
substantially over the years providing food and facilities services to a variety of clients to include the  
Department of Defense, the Guam Regional Medical Center and U.S. Navy Hospitals, the DoDEA  
School System, and Sodexo USA. In addition, we currently operate four local dine-in restaurants and  
three quick service food franchises. We have offices here in Guam, in California and in North  
Carolina.

Ms. Alcorn's business acumen and attention to detail has been at the forefront of our growth. Most  
importantly, her compassion for our employees coupled with her passion for supporting important  
causes such as the Red Cross and so many other local non-profit organizations underscore her  
commitment to our island and our people.

Not one to seek the limelight or headlines, she stays focused on the task at hand ensuring that she  
has all the information required before making any decisions. I believe this has been one of the very  
foundations of GFS' success and she carries this same approach in her work and deliberations as a  
Board Member of the GIAA.

Our island stands at a crossroads in an uncertain time. Now more than ever, we need steady,  
consistent leadership at all levels of our government if we are to emerge from the current pandemic  
with any measure of success. Lucy Alcorn represents that steady and consistent leadership and I  
strongly urge you to support her nomination.

Hafa Adai Madame Chair and Members of the Legislative Committee on Air Transportation, Parks,  
Tourism, Higher Education, and the Advancement of Women, Youth, and Senior Citizens and  
Honorable Senators:

My name is Lucy Montinola Alcorn, CEO of GFS Group. I am honored to have been re-nominated  
by Governor Lourdes A. Leon Guerrero and Lt. Governor Joshua F. Tenorio to continue in my  
position as a member of the Board of Directors for the A. B. Won Pat Guam International Airport  
Authority (GIAA). I have proudly served in this position for over 14 years and fully understand the  
importance of the airport as a vital component to our island's economic growth and sustainment.

I would like to continue to offer this committee and the GIAA consistency of leadership. As a Board  
Member, I have been involved in creating and implementing numerous goals and objectives towards  
its vision "*to advance Guam further as the first-class premier air transportation hub of the  
region.*" My focus has always been on improving customer service, upgrading our airport facilities  
and ensuring our competitive positioning through sound governance and effective policies.

Considering the devastating effects of the on-going pandemic and the current state of our economy,  
we must do all we can to quickly rebuild our tourism industry and sustain Guam businesses that  
depend on air transportation for customers, supplies and a host of other needs. We are facing  
unprecedented times and as Board Members of the GIAA we must use our combined experience to  
complete the airport expansion effort, improve our arrival and departure experiences and maintain the  
safety and health of our community and our visitors. I am firmly committed to continue to do my part  
and ensure that the airport authority continues to meet its mission goals and objectives despite the  
challenges we are facing.

I respectfully request your most positive consideration of my nomination. And I thank you for this  
opportunity to testify.

Sincerely,

*Buenas yan hafa adai* everyone. Good morning. Joining me this morning, I would like to thank my colleague, Senator Telo Taitague. Good morning, *Si Yu'os Ma'ãse'* senator.

Before we proceed with the discussion, I'd like to first provide some general rules of conduct for our virtual public hearing. For all those using the zoom platform, please abide by these rules of conduct and quality assurance. Ensure that your video is on at all times and that you are in a room with little interruptions and adequate lighting. Please ensure that you are unmuted and speaking into your microphone when you are recognized. The chair will invite individuals who have signed up to testify to begin speaking. Individuals testifying shall state their name for record purposes and the order of questioning will begin with the panel of senators. So I ask that you please stay on the line after your testimony is given. Questions and testimony shall be confined to the substance and nature of the agenda. Personal inference as to the character or motive of any senator or individual testifying is not permitted. Any violations of this general rule of conduct will result in removal from the meeting room. Thank you very much.

We will now begin with our agenda and the only item on today's agenda. The appointment of Lucy M. Alcorn to serve as Member of the A.B. Won Pat International Airport Board of Directors. For the term length of three (3) years; beginning August 12<sup>th</sup>, 2021, to August 11<sup>th</sup>, 2024.

The A.B. Won Pat International Airport Authority Board of Directors is the body that supervises the operations and management of the airport. Through the GIAA board of directors' regulations and policies are discussed and subsequently enacted based on the discretion of the body. In addition to these duties the body is also responsible in reviewing agreements with local and federal governments to seek funding.

At this time, I'd like to recognize those who have signed up to testify. Beginning with the Board Chairman, Mr. Brian Bamba.

**Brian Bamba**, *Chairman of the Board of Directors, GIAA:*

Thank you Madam Chair. *Buenas yan hafa adai* Madam Chairwoman and Senator Taitague, thank you for your participation today. My name is Brian Bamba and I am currently the Chairman of the Board of Directors for the A.B. Won Pat Guam International Airport Authority (GIAA).

I would like to provide testimony and support of Governor Leon Guerrero and Lieutenant Governor Tenorio's nomination of Mrs. Lucy Alcorn to serve as a member of the A.B. Won Pat Guam International Airport Authority, Board of Directors.

It has been my pleasure to serve alongside Mrs. Alcorn on the current board, and I am thankful for her contributions over many years of service on the board.

Mrs. Alcorn has vast private sector experience which she brings to the Airport Authority. Her experience with large employee groups has brought perspective to the most valuable resources at the airport, our employees. Additionally her acumen and understanding of serving customers complements areas of the airport we often overlook as a government operation.

Her leadership was evident as we faced the initial pandemic impact on airport finances. Facing significant revenue losses, the board, along with her participation, had to make tough decisions towards cost reductions. Although not popular, these tough decisions were necessary to allow the airport an opportunity to stretch resources amidst uncertainty.

What I appreciate most is Mrs. Alcorn's servant leadership. She's active in many civic volunteer organizations, and her willingness to bring service to our people by way of the airport is admirable.

It would be an honor to continue serving alongside her and I look forward to your favorable consideration of her nomination. Thank you for your time today. Sincerely, Brian Bamba.

**Chairwoman Amanda L. Shelton:**

*Si Yu'os Ma'ãse.* Mr. Chair for that testimony. I will now move to Dr. Ricky Hernandez from the airport. I know we have a testimony from the Executive Manager, Mr. John Quinata. We will have you now.

**Dr. Ricky Hernandez**, *Deputy Executive Manager, GIAA:*

Thank you and good morning and *hafa adai* Chairwoman Amanda Shelton and thank you for joining us again Senator Telo Taitague. My name is Ricky Hernandez, I am the Deputy Executive Manager of the Guam International Airport Authority, and I come before you today to submit testimony in full support of the reappointment of Mrs. Lucy M Alcorn to the A.B. Won Pat International Airport Authority, Guam Board of Directors.

As a successful businesswoman of a thriving enterprise with multiple business services. Ms. Alcorn has insight to operating a profitable business within stringent regulatory guidelines and strict requirements. She is exhibited during this during her years of service as a member of the Board of Directors of the A.B. Won Pat International Airport Authority.

Ms. alcorn has been intent on creating policy focus on a conducive business environment for our airlines and tenants, as well as, quality service, and infrastructure to support passenger needs, and entertainment with consideration to financial control measures, operating efficiencies, negotiation of services for best value, increasing concession activity and maximizing revenue potential of all Airport assets.

She also brings to the table a valuable network in the federal and local community and is on the pulse of key issues of importance to our island in economic development and she utilizes these traits to serve the public interests of Guam's only airport.

Moreover Ms. alcorn will bring continuity to board initiatives already adopted and has proved to be a highly resourceful and contributing member to the GIAA Board of Directors.

On behalf of airport management and staff I strongly support Ms. Alcorn's re-appointment. We anticipate a productive and successful relationship with such a commendable nominee. Your favorable consideration and confirmation of her re-appointment will be greatly appreciated by all here at the Airport. Sincerely signed for John M. Quinata, Executive Manager.

**Chairwoman Amanda L. Shelton:**

Thank you very much Dr. Hernandez, and now we will hear from Ms. Alcorn.

**Lucy M. Alcorn, Member of the GIAA Board of Directors:**

*Hâfa Adai* and good morning Madam Chair and members of the Legislative Committee on Air Transportation, Parks, Tourism, Higher Education, and the Advancement of Women, Youth and Senior Citizens and honorable Senator Taitague.

My name is Lucy Montanola Alcorn, CEO of GFS Group. I am honored to have been re-nominated by Governor Lourdes A. Leon Guerrero and lieutenant governor Joshua F. Tenorio to continue in my position as a member of the Board of Directors for the A.B. Won Pat International Airport Authority (GIAA). I have proudly served in this position for over 14 years and fully understand the importance of the airport as a vital component to our island's economic growth and sustainment.

I would like to continue to offer this committee and the GIAA consistency of leadership. As a board member, I have been involved in creating and implementing numerous goals and objectives towards its vision "*to advance Guam further as the first class premier air transportation hub of the region.*" My focus has always been on improving customer service, upgrading our airport facilities and ensuring our competitive positioning through sound governance and effective policies.

Considering the devastating effects of the ongoing pandemic in the current state of our economy, we must all do what we can to quickly rebuild our tourism industry, sustain Guam businesses, and depend on our air transportation for customers, supplies and a host of other needs. We are facing unprecedented times and as Board members of the GIAA we must use our combined experience to complete the airport expansion effort, improve our arrival and departure experiences and maintain safety and health of our community and our visitors. I am firmly committed to continue to do my part and ensure that the airport continues to meet its missions goals and objectives despite the challenges we are facing.

I respectfully request your most positive consideration of my renomination and I thank you for this opportunity to testify. Thank you Madam Chair.

**Chairwoman Amanda L. Shelton:**

Thank you very much for that testimony. We'll now begin with questions from Senator Taitague.

**Senator Telo Taitague:**

Thank you, Madam Chair. Congratulations Lucy. Good morning to you. Yes, 14 years, wow, that's long. I mean with your experience, your background and your attention to detail, you know, you can sit on any other board. It's time to spread your wings and try it. I mean considering that I always look at the OPA reports and considering the airport—again in a low risk audit report and that they had a clean audit with the airport. It's doing well in that perspective but I'm sure there's a lot of boards who want you. But I think you have a passion for this particular board and wanting to stay. You're definitely surrounded by good people, you know, Brian, *håfa adai* to you, and of course Dr. Hernandez, good to see you as well. And that's probably attributing to your good audit report that came out, you know, a clean audit. Your due diligence in detail, so appreciate all the hard work, not just yourselves, but of course, please extend my *Un dangkulu na si Yu'os Ma'ase'* to

everyone at Guam Airport Authority for all the hard work they're doing and having to adjust these last couple of years and holding off. We're starting to see the light of day coming back to Guam with regards to tourism and of course the airlines. And that's the most important thing with the airlines. With regards to any funding, Lucy, how much did the airport receive in ARP funding? Are you familiar or are you aware of how much money that was received in the ARP funding for the airport? Just in FY23. You don't have to go back. I've done the research on going back but are you anticipating any money coming to the airport on art funding for FY23?

**Lucy M. Alcorn**, *Member of the GIAA Board of Directors:*

Not at the moment Senator, not for 2023.

**Senator Telo Taitague:**

Okay. What about the infrastructure bipartisan bill, are you anticipating going after any grants for the airport?

**Lucy M. Alcorn**, *Member of the GIAA Board of Directors:*

Yes, we are.

**Senator Telo Taitague:**

Okay good, because there's some that are very competitive, but quite a bit of in a pot there to go after. But there are also ones that are non-competitive that have been given to Guam. So this could be very helpful. I know that the airport is continuing to grow, it's not anticipating it to stop growing. I think it will continue, and there's much more work that needs to be done Lucy. And I'm going to have to ask you with regards to staffing, evaluations, and staffing patterns. Do you take the time to actually look into that at the airport? With increments, just doing a looky-loo, I mean you have a business, one of the most important things, and the vital thing to making a business successful is your employees. I mean that's first and foremost, so do you take the time to look at that?

**Lucy M. Alcorn**, *Member of the GIAA Board of Directors:*

Well, we do have HR that does that, and handles that so we don't micromanage it. However, if there's ever an issue that comes up, it's brought to us. We don't handle the day-to-day operations as far as HR and personnel. The board basically approves the organizational chart, Senator.

**Senator Telo Taitague:**

Okay, a lot of times I think it's important when boards manage, and they yet don't like to manage. I truly believe that we allow them to do it. But I think it's important to be proactive though. To be very proactive, you don't want to have a mess in front

of your hands, when you could have avoided it. So I may ask if you can please, as a board member, to be proactive and to take the time to look at what's going on especially in your staffing pattern, and procurement process. I'm sure you do that on a board level but I ask you if you could please as a board member, be proactive and look for certain things just to see what's going on. Take the time, I appreciate that. The other thing I have is the collaboration with GVB. I hope there are some initiatives that are being thought of right now between the Airport and GVB. When I was the Deputy General Manager of Guam Visitors Bureau. I think I realized that the most important thing for us to do at GVB was to assist the Airport, and in any way possible. By providing incentives, and funding incentives for airlines. What is the progress in that? Are you working with GVB to try to bring them to the table, and to help with the incentives?

**Lucy M. Alcorn**, *Member of the GIAA Board of Directors:*

Yes, we are. I was going to say that I think we continuously try to work with GVB, as well as our airline partners. We do have incentives. You mean as far as GVB, Senator?

**Senator Telo Taitague:**

A lot of times I think GVB can help with resources. At times to incentivize airlines and entice them to come. To collaborate with airports and what they need, what they feel. I don't think it should be one-sided. I think that the Guam Airport Authority has great ideas that they can provide to GVB to give them alternatives or incentives to help them bring more tourism to Guam to make it a more viable destination, a fun destination. A destination where our surrounding areas and to anybody who wants to come to Guam and visit.

**Lucy M. Alcorn**, *Member of the GIAA Board of Directors:*

I definitely agree, Senator.

**Senator Telo Taitague:**

Okay, well I hope you look again at that proactive approach involving GVB sitting at the table. I hope you can coordinate that because I know you can Lucy. I know when you have your mind set to something, it'll get done. I've always known you to be that way and I think having that group collaboration between these particular two areas to work together instead of apart. Minds work better together and I think you can bring that to the table. I hope you do because I definitely think it's going to be helpful for both GVB and the Airport. Other than that Madam Chair, I thank you for allowing me to say hãfa adai to Lucy, and congratulate her too on on her reappointment. 14 years is a long time and I'm sure that whatever the institutional knowledge that you have sitting there is going to be very helpful for any new board members coming on to the the board and I wish you the very best Lucy. You know you have my support and take care. My best to your family as well. Thank them for

allowing you to continue because it takes family support for anybody to contribute their time and effort especially for free. To come in and support the community. So please thank your family as well and my best to the employees. Si Yu'os Ma'åse' Madam Chair

**Lucy M. Alcorn**, *Member of the GIAA Board of Directors:*

Thank you very much.

**Chairwoman Amanda L. Shelton:**

Thank you very much Senator Taitague. Thank you Senator Brown for joining us. Do you have any questions for Mrs. Alcorn?

**Senator Joanne M. Brown:**

Thank you very much Madam Chair. I certainly thank you too, Ms. Lucy Alcorn for her continued service to the Guam Airport. Probably the longest serving board member, probably. I'm sure you'll correct me, but if this number of years of service that you provided to the Guam Airport Authority to see its continued growth and certainly the completion of its most recent construction might be quite an accomplishment. All the years that you've served, I don't have any particular questions. I just wanted to ask, it may have been asked earlier. I'm sorry I wasn't able to join a little earlier. But I definitely wanted to make sure that I was here for your confirmation hearing. But if you've mentioned it, if you could just reiterate. What are your plans and your visions and continuing another term in the Airport? What would you like to see as a next step? Of course I know Senator Taitague had talked about the issues of coordinating with the Guam Visitors Bureau and hoping that we very much want to see the return of our tourism industry and see the growth back there. But what do you see from your side of the table and what do you envision you want to continue to contribute or encourage during this upcoming term?

**Lucy M. Alcorn**, *Member of the GIAA Board of Directors:*

Well Senator due to COVID, it has impacted the airport. So during our recovery period we try to work with the airlines and help with encouraging the additional flights they're coming in, day to day it changes. We would like to see our numbers and traffic increase and as we work together we can accomplish that. But as I mentioned we are in a recovery period right now, and working all together as a team obviously we would get to where we would like to be probably in the near future.

**Senator Joanne M. Brown:**

Well I don't have any questions for you. I mean your continued contribution to the airport all these years and certainly your active engagement and the community that you've had, and certainly your business background that you bring to the table. I

think it will continue to benefit the Guam Airport Authority and we wish you continued success in your upcoming term. You certainly have my support as well. With that Madam Chair, thank you. Good question and comment.

**Chairwoman Amanda L. Shelton:**

Thank you very much Senator Brown. I'd like to also state for the record that we received testimony from Mr. Clifford Guzman in support of your renomination to the Airport board, and I want to thank everyone for being here today.

I think you touched on all of the topics that we wanted to hear in your testimony, pandemic recovery and your vision moving forward for serving on the Airport board. I want to congratulate you on a very fruitful fourteen (14) years on the board. We've seen major improvements across the airport and huge initiatives that you've been able to act on and carry out. We're very proud of that work that you're doing along with Mr. Bamba and working collaboratively with the management and all of the team at the airport. So we're thankful for all that you do. We look forward to moving your nomination along swiftly in the next session. Congratulations to you in advance Mrs. Alcorn.

With that being said this public hearing has been duly heard. We will continue to accept testimony to the [officeofsenatorshelton@guamlegislature.org](mailto:officeofsenatorshelton@guamlegislature.org) or via drop box at the Guam Congress Building, 163 Chalan San Papa Hagåtña, Guam until the close of business on July 15, 2022, Friday. This public hearing is now adjourned. The time is 9:28 a.m. *Si Yu'os Ma'åse'* everyone.
