Hafa Adai, Madam Chair, distinguished members of the Committee on Environment, Revenue and Taxation, Labor, Procurement, and Statistical Research and Planning.

Thank you for the opportunity to submit my *testimony in favor* of Governor Lourdes A. Leon Guerrero's nominee for Director, Bureau of Statistics and Plans, Government of Guam.

Mrs. Leon Guerrero served as Chief Planner for the BSP up until her recent retirement. If there is anyone who has vast current knowledge of the Bureau of Statistics and Plans, and also can lead its continuity of operations, it is, Mrs. Leon Guerrero. It behooves this body to act favorably in favor of Lola E. Leon Guerrero's confirmation.

Mrs. Leon Guerrero has an exemplary record as the Bureau's Chief Planner, she was very instrumental in the success of its programs and Grants Management with many of our Federal grants partners as evidenced in our on-going public health COVID-19 community wide emergency. Her proactive approach and management leadership speak very highly of the BSP's team's positive outcomes and high morale work culture.

Lola is dedicated, committed, engaged, and unquestionably qualified. Please give her your Committee's favorable support and endorsement as you convene to vote on her confirmation, as UNANIMOUSLY Confirmed.

Si Yu'os Ma'ase'.

Dear Senator Perez,

I am writing to convey my full support for the nomination of Lola Leon Guerrero as Director of the Bureau of Statistics of Plans. Ms. Leon Guerrero epitomizes all the qualities of responsibility, competence, and professionalism that we look for in our public servants. Few nominees for this post bring with them the qualifications and experience that Ms. Leon Guerrero brings to this position.

Having worked with her for more than three years during her service as BSP's Chief Planner, I can personally attest to her dedication, work ethic, and persistence which she brings to any task which is entrusted to her. In my opinion, the Governor could not have selected a more capable and forward-looking nominee to lead the Bureau of Statistics and Plans.

Ms. Leon Guerrero's nomination has my heartiest recommendation, and I urge you and your colleagues to act favorably on her nomination.

Yours truly,
