		the HPLO Boards will be required to fund the positions being sought, i.e., attorneys, investigators, etc. S. Crisostomo stated that additional revenue is anticipated for the month of March, and that C. San Nicolas stated that what was presented was only a snapshot of what has been received to date. 3. S. Crisostomo expressed concerns that HPLO revenues being used to help fund DPHSS mandates, but unfunded, requirements. D. Borja, HPLO, stated that she would obtain specifics examples of and provide information to the GBAHE regarding the unfunded DPHSS mandates. The Chair stated when the GBAHE Rules and Regulations are submitted and ratified by the 36th Guam Legislature, this would indicate justification for HPLO's budget to meet some of its mandates. But HPLO's budget serves all Licensure Boards, not the Allied Health Board alone. She reminded the Board that this Board's collection of fees only made up of 13% of HPLO's total budget. She added that some language is necessary to indicate that HPLO's revenues collected "are not subject to the Governor's transfer authority" would be helpful. S. Crisostomo reminded the Board that a sizable amount of this Board's budget was taken by a previous Governor to fund the shortfall of the Department of Corrections.

Dr. Miller provided some examples of companies such as, Le Balance and Boka Box as well individuals in the community that might be seen as "practicing without a license." He suggested that GBAHE members be guided with standardized procedures when approaching businesses or individuals that maybe providing services without a valid license. He suggested that a protocol or guidelines be developed to help GBAHE board members interview or investigate complaints without jeopardizing due processes. He stated that he would review and determine if the HPLO policies on Complaint Handling and Discipline Process would be adequate. C. San Nicolas recommended that the GBAHE approach the issue with an aim to be helpful to the public and to avoid any liability. The Chair suggested that Dr. Miller's concerns be addressed and discussed in the Work Group, as she supports a public education campaign to help address these concerns. Dr. Miller stated that the DPHSS PIO could help address these suggestions through the media. She said that a Board member(s), when confronting a business establishment or individual suspected of providing services without a proper valid licensure issued by this Board, that another individual should be present as a possible witness, instead of approaching or arbitrary confronting them alone. She was advising against this.	GBAHE	12:25	To be addressed by the Work Group

ISA Director for Middle Schools Caroline Cardines-Finch said the reduced school days left middle school basketball with not enough time to play a double-round-robin, meaning every team gets to play every other team twice.

Rather than award a third of a trophy, Cardines-Finch and her crew decided to let the teams earn one whole trophy.

"I'm getting goosebumps thinking about it. Having playoff games definitely created a different kind of energy in middle school sports," said Cardines-Finch. "Being able to say your school is part of the final four teams brought a lot of pride to the players and coaches."

Proud coaches

Roadrunner coach Erwin Villa was happy to put his third of the championship trophy up for grabs.

"Oh man, I was so excited. With the playoffs, you're able to see who is really the top team because every year, whenever you have teams that are tied, you can't determine who's the champion. With these playoffs, you can. And the kids were really excited to have it."

Pirates coach Calvin Fejeran agreed. The Pirates advanced with a win over the Wildcats. The Roadrunners, seeded first based on total points scored, advanced with a win over the Astumbo Dragons. The Roadrunners beat the Pirates by a large margin during the regular season, but the Pirates were a different team Wednesday.

Pirates

The Pirates led by as much as 11 points in the final minutes, but a 9-0 Roadrunners run over 43 seconds made it 38-36 with 40 seconds left in the game. It took four straight free throws by Phoenix Borja to put the game out of the Roadrunners' reach. The Pirates' Borja scored 19 and Darnell Camacho scored 10.

"Teamwork is what got us here, and teamwork is what helped us win this game," Fejeran said. "We practice free throws when they're tired, even when they don't want to. This is a great team that showed that hard work pays off. All of their success is a credit to the team."

As for what's to come, Cardines said she'll be proposing a schedule similar to this year's for next season. There is no such news for her counterpart in the Independent Interscholastic Athletic Association of Guam, which runs sports for most private middle schools. They too are guided by history and co-champions.

There's only one downside, she said — fewer games for teams overall.

Darren Hechenova scored 19. Bombers' Jaden Finley scored 23 points while Piere Collie added 16 points, according to the release.

Winless

Though they haven't won a game during the league, the UOG Tritons took a shot going against M.B.I. Four Stars.

The Tritons put up a good game, trailing close to the Four Stars during the first quarter at 26-18. The teams ended the first half at a close game with 49-38. However, the Tritons couldn't keep up during the second half of the game and fell short to the Four Stars, according to the release. The Four Stars beat the Tritons 102-65 with the Tritons falling to a now 0-4 record in the league.

It wasn't a complete loss for the Tritons' Darryl Robles who played his best game of the season, according to the release. Robles scored 16 points for the Tritons while teammate Diane' "D" Blackmon scored 14 points. AJ Grape scored 24 points for the Four Stars.

Next

The Triton Men's Basketball League will play a triple header on Saturday at the UOG Calvo Field House. The games will start with the Tritons returning to face Team OB at 2 p.m.; MVP Stars will play against Team Wu Tang at 3:45 p.m. and the Bombers will take on the M.B.I. Four Stars at 5:30 p.m.

Akhtarpour's return as a goalie not enough

Pacific Daily News

COURTESY OF WOO HYUNG CHO

Teams from the HyoSung Construction K-League compete March 27, 2022.

The HyoSung Construction K-League continued with two teams winning big and one player that gave a banging performance over the weekend.

Though Kian FC was defeated by Euro Car FC, they had one secret weapon — a fierce goalie that had everyone on the edge of their seats, according to a news release.

Kian striker Aydin Akhtarpour recently recovered from an injury and was ready to get back in the game as goalie. Akhtarpour's agility and decisions kept Euro Car frustrated. Akhtarpour kept up with defense until Euro Car scored. Kian's Manoucher Sabeti struck back, tying the game 1-1.

Kian put up a good fight, but it ended with Euro Car making the final goal to win 2-1, according to the release.

SDA wins

SDA FC took on the Sunny Divers FC. SDA's Alfred Sergio Agahan dribbled past four defenders and posted a goal. The team kept its momentum with Jherico Taimzon scoring twice.

The Sunny Divers found their footing when Inochi Recella and Nicolas Cabuhat each scored.

SDA picked up the pace during the second half. The team took a 4-2 lead. Sunny Divers' Marc Pagaduan scored, but it wasn't enough.

Guam Bombs

The Guam Bombs enjoyed as 4-0 win over BTC FC.

BTC was short of players but held their own. Both teams failed to score during the first half.

The Guam Bombs pulled ahead with a goal from Brandon Walters. The Bombs had another trick up their sleeves — a hat trick by Adam Garcia.

Hoops

Conner lead the team with 17 points, according to the release.

The Bombers found their footing during the second quarter, taking a 58-52 lead. The Bombers' Divine Cox scored 12 of his 35 points before halftime.

Conner fueled OG until he was injured during the second quarter. He came back during the fourth quarter, but it wasn't enough to keep the game close. The Bombers won 107-98.

The Bombers improved to 5-1.
