VII.	**Old Business**	a) COMPLAINTS:	GBME	1615	
		(1) GBME-CO-19-010 – Received: Dr. Adolphson reported that the complaint was reviewed by two off-island orthopedic surgeons, who concluded there was no medical negligence nor a deviation in the standard of care. Dr. Adolphson read the summary from one of the investigative reports and indicated that the other investigative report had a similar conclusion. The Chair inquired if she determined if the reports came from licensed clinicians; and Dr. Adolphson did not review their individual Curriculum Vitae; however, the reports were signed with their credentials. Dr. David stated that since the conclusions came from two independent orthopedic physicians with similar conclusions she was satisfied with the conclusions. *Motion to close: Dr. Adolphson; 2nd: Dr. David*	Dr. Adolphson		Closed
		(2) GBME-CO-19-012 – Received: 12/06/2019. Dr. Bordallo stated that she received the report from a forensic psychiatrist as the expert reviewer, which concluded that there was a severe departure from the stand of care, secondary to unprofessional terminology and serious boundary violations. Based on the information presented, she supported the conclusion that there was a violation of the standard of care. The second issue is the applicant was outside the window for a renewal for reinstatement, therefore, the application is considered a "new" application (i.e., not a renewal application). During a review of the application, in parallel, the Office of the Attorney General concluded there was probable cause to charge official misconduct and harassment. Therefore, she recommends to deny application for licensure. The Chair also stated that it was his understanding that the applicant had a reasonable amount of time to state his case with the GBME to either contradict the allegations or provide additional information regarding the application for license, but instead, chose not to; Dr. Bordallo concurred. *Motion to close and deny application for licensure: Dr. Bordallo; 2nd: Dr. David.*	Dr. Bordallo		Closed and Denied Application
		(3) GBME-CO-19-013 – Received: 12/06/2019 – closed. See Agenda Item VII.(a)(2). *Motion to close and deny application for licensure: Dr. Bordallo; 2nd: Dr. David*			Closed/ Denied Application
		(4) GBME-CO-19-014 – Received: 12/06/2019 – closed. See Agenda Item VII.(a)(2).			Closed/ Denied

	(9) GBME-CO-20-005 – Received: 09/18/2020. Awaiting for an assigned attorney. *Motion to table: Dr. Berg; 2nd: Dr. Cruz*	Dr. Adolphson		Tabled
	(10) GBME-CO-2021-007 – Received: 06/07/2021. Dr. David reported that she is currently awaiting responses from the Physician. The GBME agreed to send another request via certified mail and remind the physician that it would be a violation of the Medical Practice Act if no response is received (NOTE: A response is due within 14 days from the date of the GBME request). The Chair stated that he would also attempt to contact the physician. *Motion to send one more notice: Dr. David; 2nd: Dr. Berg*	Dr. David		Attempt Contact with Physician
	(11) GBME-CO-2021-008 – Received: 06/07/2021. Dr. David reported that numerous attempts were made to contact the complainant. Upon her review, she concluded that there was no violation of the standard of care; therefore, she recommended to close the case. *Motion to close: Dr. David; 2nd: Dr. Berg.*	Dr. David		Closed
	(12) GBME-CO-2021-010 – Received: 11/08/2021. Dr. Cruz reported that he is still awaiting receipt of medical records from US Naval Hospital (USNH). Dr. Berg stated that he was able to clarify the jurisdiction boundaries with USNH: GBME would have jurisdiction over the physician; however, GBME would not have jurisdiction over the USNH facility. In this case, the complainant would have to request the medical records using the USNH forms in order to obtain the medical records. B. Sablan reported that the physician has yet to be notified of the complaint. Dr. Bordallo suggested that the GBME readdress the issue of jurisdiction to clarify the boundaries (e.g., USNH physicians do not require a Guam medical license to practice on USNH proper). The Chair stated that the GBME could update its standard operating procedures to address GBME and USNH jurisdiction issues. *Motion to table: Dr. Berg; 2nd: Dr. Cruz.*	Dr. Cruz		Tabled
	(13) GBME-CO-2021-011 – Received: 11/17/2021. Dr David reported records been received; however,	Dr. David		Tabled

	(19) GBME-CO-2022-006 – Received: 02/10/2022. Dr David reported records been received; currently awaiting receipt of all documents from the physician. At this point it is too early to determine if an off-island reviewer would be required. She requested the HPLO to follow-up with the request for information. (NOTE: Dr. Berg recused himself from GBME discussions).	Dr. David		Tabled
	(20) GBME-CO-2022-007 – Received: 02/10/2022 (A. Bordallo) – closed. See Agenda Item VII.(a)(2). *Motion to close and deny application for licensure: Dr. Bordallo; 2nd: Dr. David*	Dr. Bordallo		Closed/ Denied Application
	(21) GBME-CO-2022-008 – Received: 02/22/2022. Dr. Adolphson reported that the patient records were received; however, she is currently awaiting a physician response. Dr. Berg requested HPLO to inform the physician that, although the GBAHE has resolved its case, the case remains open with the GBME. Therefore, the physician is required to respond within the 14-day timeframe.	Dr. Adolphson		Tabled
	(b) REINSTATEMENT LICENSE: (1) Abner P. Pasatiempo, M.D. – Psychiatry – On-going. *Motion to deny application for licensure: Dr. Bordallo; 2nd: Dr. David*	GBME		Denied Application
	(c) Application(s) for Full Licensure:	GBME	1705	
	(1) John D. Gherman. Dr. Berg reported that the physician is still under probation and it his responsibility to notify the Board when that probation ends. The GBME will not grant a license while the applicant is operating under a restricted license. He stated that Dr. David and he will address the issue with the Federation State of Medical Board colleagues to see if there is an opportunity to access shared resources. Dr. David indicated that she has initiated discussions with GBHWC for potential collaboration with local providers and/or seek technical assistance from SAMHSA, access grants, etc. Dr. Berg would also like to discuss collaborative opportunities with other island jurisdictions,			Tabled

The GBME noted that Payment was made on behalf of the insurance company. The GBME recognized that this was a self-reported incident which demonstrates good faith.			Noted
VIII	New Business	(a) COMPLAINT(S)	GBME	1715	
		(1) GBME-CO-2022-009 – Received: 03/28/2022. Dr. Berg reported that the complaint is for denial of care by and against a facility. He volunteered to take on this case. Dr. Adolphson stated that the complaint does not appear to meet the criteria to open the case since it does not to include the three requirements: Complainant; a named licensed physician; complaint. The Chair stated that, at the moment, all complaints are being forwarded to the GBME. He suggested that the GBME address at its next meeting how to handle complaints before it reaches the GBME level for considerations.			Assigned Case Agenda Item for Next Meeting

fastest qualifying time for the All-Island meet. His teammate Hugh Kent is a proven champion, as is Guam High's Alex Rink, and all three will jostle for podium spots in the 800m, the 1,500m and the 3,000m runs. Kent is the odds-on favorite in the longer distances.

Cameron Brantley remains the one to beat in the hurdles, and he is also part of the 4x400 relay team for the Panthers. Aguon is the season's best triple jumper so far, but he's got Johnson and Gallego to contend with in the long jump. Gallego qualified in third place, doing the event for the first time on Monday.

Southern High junior Jhavin Maniebo has the best qualifying throws in the shot put and discus, and Hanzelrein Arellano is the only athlete to break 40 meters in the javelin. Along with Zian Benavente, Imazu and Isaac Valdez, John F. Kennedy High has the best four distances.

In the girls division, Kailee Guerrero is still the fastest high school athlete with the top qualifying times in the 100m and 200m sprints. She set a personal best 28.22 seconds in the 200m, and is also in the mix in the 400m with the second-fastest qualifying time.

George Washington High School's Jordan Baden finished well ahead of the pack in the 800m, setting a personal best time of 2:30.04, more than seven seconds better than the second-place qualifier, Marie Jane Gatbonton from Simon Sanchez High School.

Baden also ran a blazing personal best 5:12.59 in the 1,500m run on Monday, which is almost half a lap faster than the next best qualifier, Molly Lang from Guam High. Baden also is the top qualifier for the 3,000m at 11:46.56 — more than a full minute ahead of the next best qualifier.

Aleah Castro remains the favorite in the hurdles, and GW's Melody Rosario is the favorite in the shot put and discus.

JFK's Maria Calvo is the queen of the jumps heading into the All-Island, and is second best this season in the javelin, with the best throw belonging to Kayna Kanemoto who has been the best since week 1.

Meanwhile the ISA volleyball season concludes its regular season on May 19, with playoffs starting on May 23 and a championship game scheduled for May 26.

Islanders

Continued from Page 32

Every time Maestrecampo went deep into JFK territory, the defensive line of Alyssa Bamba, Hana Rae Flores, Madison Concepcion and Tammi Morellano responded with a double-team, sacrificing openings elsewhere to keep passes away from the dangerous Maestrecampo.

But the 14-year-old still got through late in the game, going one-on-one down the left side, faking one fullback and drilling a shot inside the left bar in the 72nd minute.

It was the last, and only the seventh goal allowed by the Islanders over the last two seasons, post-season included.

"I think we could have played better," said Meno.

Flores, 14, was proud of her defensive line.

"We had really good communication today," Flores said.

Both teams are already raring for a rematch. Only one senior graduates from each squad, and both are hungry to return to the championship game.

"We would love to play JFK again," said Meno. "If they're up for it."

China draws out as hosts of Asia Cup

KUALA LUMPUR, Malaysia (AP) — China withdrew as host of soccer's 2023 Asian Cup on Saturday in the latest cancellation of the country's sports hosting duties during the COVID-19 pandemic.

The Asian Football Confederation praised Chinese soccer officials for making "this very difficult but necessary decision in the collective interests of the AFC Asian Cup."

The 24-nation tournament was due to be played in 10 cities in mostly newly built stadiums in June and July of next year.

China's withdrawal could let Qatar or Saudi Arabia step up as hosts while both are bidding in a contest to host the 2027 edition. India and Iran are also candidates for the 2027 edition with a decision expected early next year.

Qatar has stadiums in place to host the 2022 World Cup kicking off in November. However, a June 2023 start for the Asian Cup could be unlikely because of the extreme heat in the Qatari summer, making early 2024 a better option.

The quadrennial Asian Cup is traditionally played in January and February. Qatar (2011) and Australia (2015) hosted the tournament when it was played in January, while the 2019 event in the United Arab Emirates was held from Jan. 5 to Feb. 1.

Qatar is the defending champion after it upset Japan 3-1 in the 2019 final to earn the country's first major soccer title.

China was due to host the 2022 Asian Games in Hangzhou in September but that was postponed along with nearly all international sports events in the country. China did host the 2022 Winter Olympics in Beijing though under a strict lockdown for athletes and officials with few fans able to attend.
