Hafa Adai Madame Speaker,

In 2019, the Guam Legislature passed the Guam Cannabis Industry Act ("GCIA"), introduced by Senator Clynt Ridgell, establishing a framework for government regulation of cannabis products for adult use. In the years since, our island has made substantial progress towards establishing a promising cannabis industry. Less than four months ago, the Legislature certified the Cannabis Control Board Rules and Regulations. Less than two months ago, the Department of Revenue and Taxation began accepting applications for cannabis identification cards.

As we make further advances towards establishing this promising new industry, it will be necessary to periodically update related statutes to align with current policy. Bill No. 333-36 is one such effort. This bill furthers the effort to operationalize the intent of the GCIA, by removing legal impediments in the Guam Food, Drug and Cosmetic Act to the sale of products solely on the basis of cannabis content, providing for the regulated sale of cannabis edibles. Additional revisions to Guam law or regulations will be necessary to address other obstacles, including the lack of testing facilities, and we look forward to working with the Legislature and the Cannabis Control Board to resolve this issue. I would like to thank Senator Ridgell for his continued leadership on these matters, and for his continued advocacy on behalf of all affected members of our community. I hereby sign Bill No. 333-36 into law. It shall be known as ***Public Law No. 36-110.***

Re: SUBSTITUTE BILL NO. 333-36 (COR) - AN ACT TO *ADD* A NEW ITEM (D) TO § 40109(2), AND A NEW ITEM (6) TO § 40118 OF CHAPTER 40 (GUAM FOOD, DRUG AND COSMETIC ACT); AND TO *AMEND* § 23102 OF CHAPTER 23 (EATING AND DRINKING ESTABLISHMENTS), AND § 24103 OF CHAPTER 24 (FOOD ESTABLISHMENT), ALL OF TITLE 10, GUAM CODE ANNOTATED, RELATIVE TO CANNABIS CONTENT IN EDIBLE AND COSMETIC CANNABIS PRODUCTS

Hafa Adai Madame Speaker,

In 2019, the Guam Legislature passed the Guam Cannabis Industry Act ("GCIA"), introduced by Senator Clynt Ridgell, establishing a framework for government regulation of cannabis products for adult use. In the years since, our island has made substantial progress towards establishing a promising cannabis industry. Less than four months ago, the Legislature certified the Cannabis Control Board Rules and Regulations. Less than two months ago, the Department of Revenue and Taxation began accepting applications for cannabis identification cards.

As we make further advances towards establishing this promising new industry, it will be necessary to periodically update related statutes to align with current policy. Bill No. 333-36 is one such effort. This bill furthers the effort to operationalize the intent of the GCIA, by removing legal impediments in the Guam Food, Drug and Cosmetic Act to the sale of products solely on the basis of cannabis content, providing for the regulated sale of cannabis edibles. Additional revisions to Guam law or regulations will be necessary to address other obstacles, including the lack of testing facilities, and we look forward to working with the Legislature and the Cannabis Control Board to resolve this issue. I would like to thank Senator Ridgell for his continued leadership on these matters, and for his continued advocacy on behalf of all affected members of our community. I hereby sign Bill No. 333-36 into law. It shall be known as ***Public Law No. 36-110.***
