Official Resolution No. 2023-04

"RELATIVE TO EXTENDING THE LAW ENFORCEMENT OFFICER (LEO) PAY PLAN TO ALL GMHA SECURITY GUARDS, GUARD SUPERVISORS, AND CHIEF OF SECURITY"

WHEREAS, on January 18, 2022, the Governor of Guam issued Executive Order No. 2022-01, which raised the base pay of executive branch law enforcement officers by 18%; and

WHEREAS, the LEO Pay Plan applies to the following executive branch agencies: the Guam Police Department, the Guam Customs and Quarantine Agency, the Guam Fire Department, the Guam Customs and Quarantine, the Office of the Attorney General, the Guam Behavioral Health and Wellness Center, and the Department of Corrections, Youth Affairs, Parks and Recreation, Agriculture, Revenue and Taxation, Military Affairs, Public Works, and the A.B. WHEREAS, GMHA recognizes that all Security Guards, Guard Supervisors, and Chief of Security, in addition to all its employees, are valued and appreciated. GMHA further recognizes that said Security Guards, Guard Supervisors, and Chief of Security have yet to receive a salary adjustment; and

WHEREAS, the latest 2022 data average from the U.S. Bureau of Labor Statistics shows a national mean wage for Hospital Security Guards at $15.00 per hour ($31,200.00 per annum), Guard Supervisor at $18.60 per hour ($38,696.00 per annum), Chief of Security at $27.87 per hour ($57,988.00 per annum) ; and

WHEREAS, the actual (as of August 2022) mean wage of GMHA Security Guards is $10.14 per hours ($21,095.00 per annum), Guard Supervisors is $11.13 per hour ($23,171.00 per annum), Chief of Security is $21.61 per hour ($45,014.00 per annum); and

WHEREAS, the current 2014 Competitive Wage Act implementing the current Government of Guam pay plans authorized for use by the GMHA are based on a fourteen (14) year old wage study conducted by the Hay Group in 2008; and

WHEREAS, nearly eight (8) years have lapsed since the Competitive Wage Act Plan was first implemented in the executive branch, and it has also been eight (8) years since law enforcement officers saw a significant review of their compensation and benefits packages ; and

WHEREAS, pursuant to 4GCA 6303. Compensation Policy (c), "Internal equity should be reviewed annually and external competitiveness at least every 3 years"; and

WHEREAS, Title 10 Guam Code Annotated, Chapter 75, section 75100(a) states "*Law enforcement personnel, employee or position* means the following: . . . (7) All security officers

employed by the government of Guam, or performing security work for the government of Guam pursuant to their employer's contract . . ."; and

WHEREAS, on August 27, 2013, the Office of the Attorney General issued an Information and Guidance memorandum, Ref No. DOA 13-0669, wherein it is determined that 10 GCA section 75100(a)(7) defines "law enforcement personnel" to include "security guards" even though they "do not necessarily carry firearms or make arrests."; and

WHEREAS, Guam Memorial Hospital's security personnel are tasked with the responsibility and duty to protect patients, patrons, staff, and facilities, which duties may require that they place themselves in harm's way and such commitment is deserving of respect and acknowledgement; now therefore be it

"RELATIVE TO INCREASING THE CREDIT LIMIT OF THE BANK OF GUAM CREDIT CARDS"

WHEREAS, the Guam Memorial Hospital Authority is a component unit of the Government of Guam whose sole responsibility is to provide and deliver quality health care to the people of Guam notwithstanding one's financial ability; and

WHEREAS, the Guam Memorial Hospital Authority has a banking relationship with the Bank of Guam and, as part of that relationship, has credit cards for the hospital's use; and

WHEREAS, the credit cards have a current total spending limit of $15,000.00; and

WHEREAS, the Guam Memorial Hospital Authority follows Guam and its internal procurement rules and regulations that do not preclude an agency from purchasing goods and supplies with a credit card; and

WHEREAS, the Hospital Credit Card Policy was approved by the Board of Trustees in January 2020 establishing guidelines and limits for credit card use; and

WHEREAS, the Hospital departments have been using the credit cards to purchase supplies and pay for services, which is more efficient and cost effective in the process; and

WHEREAS, the Hospital Management realizes the increase of demand to use the credit cards and recommends to increase the total credit limit to $25,000.00 to avoid shortage of needed supplies, goods and services, now therefore be it,

RESOLVED, that the GMHA Board of Trustees authorizes the Hospital to request for increase of the total credit limit from $15,000.00 to $25,000.00; and be it further

RESOLVED, that the Chairperson certifies and the Secretary attests to the adoption of this resolution.
