Re: BILL NO. 48-36 (COR) – An Act to Amend § 58110(b) of Article 1, Chapter 58, Title 12, Guam Code Annotated, Relative to Expansion of the Public Investments Options for Qualifying Certificate Holders to Include Municipal Programs and Projects

Buenas yan Hafa Adai Madame Speaker:

The qualifying certificate (“QC”) program encourages economic development by granting certain tax benefits to businesses that make investments in projects intended to advance the public good. Administered by the Guam Economic Development Authority, the QC program has been a driver of economic growth in our local community. Bill No. 48-36 expands the category of projects in which such investments can be made to include those sponsored or proposed by village mayor and municipal planning councils. It is now *Public Law No. 36-20*.
